

KYLE POLICE DEPARTMENT

Memorandum

Date: October 27, 2016

To: James Earp, ACM

Cc: Scott Sellers, City Manager
Perwez Moheet, Director of Finance

From: Jeff Barnett, Chief of Police

Re: Request to Dispose of Surplus Equipment

The police department has the following items considered as surplus. The items have little to no value, and are likely to not draw an offer if auctioned. We are requesting permission to either auction or dispose of these items at your direction.

The mules are in poor condition and do not run. They were given to us without charge for the purpose of providing parts to a separate Mule that we have in service.

The light bars have not been in service for quite some time, and had parts that were missing or not working at the time they were removed from service.

The cages are prisoner cages that fit into Ford Crown Victorias that are no longer in production or service.

- 4 Whelen Light Bars – non-working parts
- 1 Tomar Light Bar
- 3 Proguard Prisoner Cages and window bars
- 1 Lot Miscellaneous wires, lights, radar units, video recorders, switchboxes
- 1 Mule WW56DJ30728005A – Non-working
- 1 Mule FE304731490030 – Non-working
