MEMORANDUM

TO: Scott Sellers, City Manager

FROM: Leon Barba, P.E., City Engineer 

DATE: November 4, 2016

SUBJECT: YIELD signs for Cleveland and McGarity Roundabout

McGarity runs in a general northeast-southwest direction with Cleveland intersecting from the west. Cleveland has an existing STOP sign at the approach to the roundabout.

After receiving a comment from the public about the existing STOP sign at Cleveland, Harper and I reviewed the existing situation. Based on my review of the Texas Manual on Uniform Traffic Control Devices (TMUTCD), it appears the STOP sign needs to be removed and replaced with a YIELD sign. YIELD signs are also required on all of the other approaches as specified in Section 2B.09 of the TMUTCD.

In addition, signs indicating a roundabout will also be installed.

We are moving forward with an ordinance to take to Council for their review/approval.

Please let me know if you need any additional information.

Xc: Harper Wilder, Director of Public Works
Jeff Barnett, Chief of Police
