

KYLE POLICE DEPARTMENT

Date: 1/4/17

To: Chief Barnett

From: Sgt. Luria

Re: Disposal of Body Armor

The agency currently has seventeen (17) sets of body armor past their expiration date. Once past their expiration date they serve no function to the Kyle Police Department. I am requesting the body armor to be disposed of. There are companies that will collect the body armor and dispose of it preventing it from being accessible to any criminal element. I have attached a company that does not charge for disposal. Thank you.

Sgt. Luria
