

Mid-Town District

CHARACTER

The Mid-Town District contains sites of recent residential development in Kyle, and will continue to predominantly feature residential uses. Those residential uses in this District are organized around the curvilinear streets of suburban neighborhood design, rather than the regular, rectilinear grid that characterizes the Old Town District. The Plum Creek waterway flows through and adjacent to the Mid-Town District, offering opportunities for recreation and a responsibility for environmental conservation. This District has a neighborhood-oriented form built around shared spaces such as streets, yards, porches and common areas. Neighborhood legibility and continuity is enhanced through these shared spaces. Distinctive landscape forms, including creekways, vistas, and rolling hills, give identity to this District and should be preserved, protected, and incorporated into development plans.

INTENT

The purpose of the Mid-Town District is to maximize the value capture of new residential development in Kyle. This District enjoys unusual proximity to amenities, such as open space, Downtown, commercial nodes, and transit options. The area is therefore well-positioned to define an economic and lifestyle pattern that is unique to Kyle. New development should accommodate ~~mid-low-~~ to ~~high-mid-~~density detached residential uses within the unique landscape forms that are present in the District. Higher density residential, attached residential, and non-residential projects like employment and retail sales should be considered based on their proximity to higher classification streets, higher capacity water and waste water availability, and likelihood of compatibility of adjacent uses. Legibility of neighborhood- identity, definition, and transportation should be improved within the Mid-Town District through such elements as trails, sidewalks, signage, and interconnected shared spaces.

JURISDICTION

The Mid-Town District in Kyle is located to the east and west of the Core Area Transition District. Figure 11 indicates the location of the Mid-Town District.
