Re: **Recommendation for Bid Award to Custom Trench, Inc.**

Harper,

I would like to point out an error in a recent bid tabulation we received from Custom Trench, Inc. for the Old Stagecoach Road Water Line Project Trenching. Custom Trench's base bid for the project totaled \$23,295.00 per their proposal, however after review of the itemized unit costs for both trenching (per linear foot) and mobilization, their correct base bid should have totaled \$26,081.00. I have reached out to Custom Trench, Inc. and informed of their error. With this being said, I am recommending that we award the bid to Custom Trench, Inc. for the correct amount of \$26,081.00.

I would like to note that the corrected base bid total of \$26,081.00 from Custom Trench, Inc. is still \$8,769.00 lower than the 2nd lowest bid received from Black Rock Construction (\$34,850.00 bid).

Let me know if there are any questions, thanks.

Warren Christian

Water Distribution & Wastewater Collection Div. Manager
