Re:   Holms Self Storage

Dear Mr. Atkinson:

I have submitted plans for my self storage in Kyle Texas with seven parking spaces. As we discussed, a self storage business is unlike a normal retail or even warehouse business. People do not park and remain for long periods except when they visit the office – they are there for a very short time to pick up or drop off items. Storage facilities always have only a handful of spaces near the office. Pursuant to your request, I am submitting this letter and request that you approve the plans with seven parking spaces to serve the customers. Thank you for your help with this.

With kindest regards, I am

Sincerely yours
