City of Kyle Sidewalk Lifting Quotes

1. PolyLevel – Quote attached with Email.
2. CRC Concrete Raising Corporation – quoted \$3.85/SF, but they will not quote with cutting tree roots, and do not preform Remove and replace work.
3. Power Lift foundation systems – would not quote because they are not really set up to preform sidewalk work.
4. Douglas Foundation Repair – emailed 8/7/17, called 8/9/17 – They stated that they were not able to provide a quote at this time
5. Baird Foundation Repair – Contacted for quote, had not received any returned calls or emails as of 8/9/17 – They had also mentioned that they are affiliated with Poly Level, so there would most likely be no change in quote.
