Which City of Kyle park is your favorite and why? Lake Kyle for fishing

How many times in a year do you typically visit a Kyle park? 5-6

What was the last Kyle PARD program or event that you attended or participated in and how would you improve it? Kyle Pie in The Sky. From my experience which was limited to help launch a hot air balloon, I don't have any suggestions.

What new event, program or activity would you like to add to the current ones being offered by Kyle PARD and why? An archery program possibly tied in with the same offering at many of the Kyle area schools. That's the only one I have in mind at the moment.

Why is it important to you to have a strong Parks and Recreation Department? Getting people outside is so important.

List the Boards, Committees and/or Commissions you currently serve on or have served on in the past 5 years.: None

Are you a Landscape Architect, Outdoor Naturalist or Park Planner? Yes / No. If yes, please elaborate your experience(s): No

Are you currently involved in a Parks or Recreation Business or Education career or similar type of business? Yes/No. If yes, please elaborate: No

In the area of Parks and/or Recreation, tell us about the areas that interest you: I'm a volunteer angler instructor and angler instructor trainer for TPWD. Also a NASP certified archery instructor.
