I am in favor, this is why _____

I am not in favor, and this is why This area is already woefully undermaintained after having had plans passed and promises for road improvements for years and years. The infrastructure here is not capable of supporting more housing nor will it ever be due to lack of water. The tax burden and cost of living is already out of control. STOP building and start making improvements to what is already here !!!

I am not in favor, and this is why This is a single family home area, I don't like the Condo / Apartment zone. Please don't approve that portion.
