Re: Overview of Council Agenda Item – Request for 3 New Dispatch Consoles

The Kyle Police Department is seeking authorization to purchase and install three (3) new, additional dispatch consoles from the Lower Colorado River Authority (LCRA), our exclusive provider, into the Dispatcher Center within the new Kyle Public Safety Center that is currently under construction. These stations are necessary to provide increased dispatch personnel the necessary equipment to answer emergency and non-emergency telephone calls and to conduct radio dispatch operations. A quote from LCRA is attached indicating an amount \$135,400.

I am available to answer any questions or provide additional information. Thank you.
