SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan shall be updated each year in the Annual Service Plan Update. **Exhibit D** summarizes the Service Plan for the District.

Exhibit E summarizes the sources and uses of funds required to finance the Authorized Improvements. **Exhibit E** will be updated to show the amount required to fund the required

reserves and issue the PID Bonds at the time the PID Bonds are issued. The sources and uses of funds shown on **Exhibit E** shall be updated each year in the Annual Service Plan Update.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2023 Amended and Restated Service and Assessment Plan describes the special benefit received by each Assessed Property within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the Authorized Improvements shall be allocated as follows:

- Major Improvements shall be allocated to each Assessed Property in the District pro rata based on Estimated Buildout Value of all Parcels. The allocation of the Major Improvements between Improvement Area #1 and Improvement Area #2 is shown on **Exhibit C**.
- Improvement Area #1 Improvements shall be allocated 100% to Improvement Area #1 Assessed Property.
- Improvement Area #2 Improvements shall be allocated 100% to the Parcels comprising the Improvement Area #2 Assessed Property pro rata based on Estimated Buildout Value as shown on **Exhibit J**.

B. Assessments

Improvement Area #1 Assessments have been levied on each Improvement Area #1 Assessed Property according to the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit F-1**.

1. The projected Improvement Area #1 Annual Installments are shown on **Exhibit G-1**.

Improvement Area #2 Assessments will be levied on each Improvement Area #2 Assessed Property according to the Improvement Area #2 Assessment Roll, attached hereto as **Exhibit F-2**.

2. The projected Improvement Area #2 Annual Installments are shown on **Exhibit G-2**.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

▪ *Improvement Area #1*

1. The costs of Improvement Area #1 Authorized Improvements equal \$4,507,137 as shown on **Exhibit C**; and
2. The Improvement Area #1 Assessed Property receives special benefit from the Improvement Area #1 Authorized Improvements equal to or greater than the Actual Costs of the Improvement Area #1 Authorized Improvements; and
3. The Improvement Area #1 Assessed Property is allocated 100% of the Improvement Area #1 Assessments levied for the Improvement Area #1 Authorized Improvements, which equal \$3,300,000, of which \$3,040,629.05 remains outstanding, as shown on the Improvement Area #1 Assessment Roll, attached as **Exhibit F-1**; and
4. The special benefit (\geq \$4,507,137) received by the Improvement Area #1 Assessed Property from the Improvement Area #1 Authorized Improvements is greater than the amount of Improvement Area #1 Assessments (\$3,300,000) levied on the Improvement Area #1 Assessed Property.
5. At the time the City Council approved the Assessment Ordinance related to Improvement Area #1 levying the Improvement Area #1 Assessments, the Developer owned 100% of the Improvement Area #1 Assessed Property. In a landowner agreement with the City, the Developer acknowledged that the Improvement Area #1 Authorized Improvements confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for the Actual Costs associated therewith. The Developer ratified,

confirmed, accepted, agreed to, and approved; (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance related to Improvement Area #1, (2) the 2019 Service and Assessment Plan and the Assessment Ordinance related to Improvement Area #1, and (3) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

▪ *Improvement Area #2*

1. The costs of Improvement Area #2 Authorized Improvements equal \$9,426,601 as shown on **Exhibit C**; and
2. The Improvement Area #2 Assessed Property receives special benefit from the Improvement Area #2 Authorized Improvements equal to or greater than the Actual Costs of the Improvement Area #2 Authorized Improvements; and
3. The Improvement Area #2 Assessed Property will be allocated 100% of the Improvement Area #2 Assessments levied for the Improvement Area #2 Authorized Improvements, which equal \$5,400,000, as shown on the Improvement Area #2 Assessment Roll, attached as **Exhibit F-2**; and
4. The special benefit (\geq \$9,426,601) received by the Improvement Area #2 Assessed Property from the Improvement Area #2 Authorized Improvements is greater than the amount of Improvement Area #2 Assessments (\$5,400,000) levied on the Improvement Area #2 Assessed Property.
5. At the time the City Council approved the Assessment Ordinance related to Improvement Area #2, the Landowners owned 100% of the Improvement Area #2 Assessed Property. In separate landowner certificates the Landowners acknowledged that the Improvement Area #2 Authorized Improvements confer a special benefit on the Improvement Area #2 Assessed Property and consented to the imposition of the Improvement Area #2 Assessments to pay for the Actual Costs associated therewith. The Landowners ratified, confirmed, accepted, agreed to, and approved; (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance related to Improvement Area #2, (2) this 2023 Amended and Restated Service and Assessment Plan and the Assessment Ordinance related to Improvement Area #2, and (3) the levying of the Improvement Area #2 Assessments on the Improvement Area #2 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by the owners of each Assessed Property based on the amount of outstanding Assessment remaining on the Assessed Property. The Annual Collection Costs shall be collected as part of and in the same manner as Annual

Installments in the amounts shown on the Assessment Roll, which may be revised in Annual Service Plan Updates based on Actual Costs incurred.

E. Additional Interest

The interest on Assessments securing the PID Bonds may exceed the interest rate on the PID Bonds by the Additional Interest Rate. Interest at the rate of the PID Bonds and the Additional Interest Rate shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The calculation of the Estimated Buildout Value of an Assessed Property shall be performed by the Administrator based on information from the Developer, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2023 Amended and Restated Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on buildout value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2023 Amended and Restated Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on **Exhibit J** for the applicable Lot Type, and compliance may require a mandatory prepayment of Assessments pursuant to **Section VI.C**.

B. Mandatory Prepayment of Assessments if Maximum Assessment Exceeded

If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the Maximum Assessment, the landowner must prepay the portion of the Assessment for each Assessed Property that exceeds the Maximum Assessment in an amount sufficient to reduce the Assessment to the Maximum Assessment. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments if Transferred to Exempt Entity

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments, the owner transferring the Assessed Property shall pay to the City or the Administrator on behalf of the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become a Non-Benefited Property, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

Provided that, however, such mandatory prepayment of the Assessment shall not be required for portions of a Parcel that are dedicated or conveyed to the City, any other governmental entity or utility provider, or an owners association for use as internal roads, utilities, parks, drainage and detention facilities, and other similar improvements, in which case the Assessment that was allocated to the Parcel will be reallocated to the remainder of the Parcel. If a reallocation to the remainder of the Parcel as provided in the foregoing sentence causes the Assessment for such remainder of the Parcel to exceed the Maximum Assessment, the owner of the remainder of the Parcel must partially prepay the Assessment to the extent it exceeds the Maximum Assessment in an amount sufficient to reduce the Assessment to the Maximum Assessment.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, the Assessments shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs. The resulting excess PID Bond proceeds shall be applied to redeem outstanding PID Bonds. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the PID Act. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable Notice of Assessment Lien Termination, a form of which is attached as **Exhibit I**.

If an Assessment is paid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit it to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced.

F. Prepayment as a Result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "Taking"), the portion of the Assessed Property that was taken or transferred (the "Taken Property") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property, (the "Remaining Property")) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2023 Amended and Restated Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment

as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment and Annual Installments applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of the Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to be \$90 and the Annual Installments adjusted accordingly.

Notwithstanding the previous paragraphs in this subsection (F), if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection (F), the Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

G. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit G-1** shows the projected Annual Installments for Improvement Area #1. **Exhibit G-2** shows the projected Annual Installments for Improvement Area #2. Annual Installments are subject to adjustment in each Annual Service Plan Update.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any capitalized interest, interest earnings on account balances, and any other funds available to the Trustee pursuant to an applicable Indenture. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Improvement Area #1 Bonds were billed and due to be paid by January 31, 2020. The initial Annual Installments regarding the Improvement Area #2 Bonds shall be due when billed and shall be delinquent if not paid by February 1, 2024.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Improvement Area #1 Assessment Roll and Improvement Area #1 Annual Installments for each Improvement Area #1 Assessed Property as part of each Annual Service Plan Update.

The Improvement Area #2 Assessment Roll is attached as **Exhibit F-2**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the

Improvement Area #2 Assessment Roll and Improvement Area #2 Annual Installments for each Improvement Area #2 Assessed Property as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this 2023 Amended and Restated Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council approval of the calculation; otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. Upon receipt of a written notice of error from an owner the Administrator shall provide a written response to the City Council and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response at a public hearing, and within 30 days after closing such hearing, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council may take such corrective action as is authorized by the PID Act, this 2023 Amended and Restated Service and Assessment Plan, the Assessment Ordinance, or the Indenture, or is otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this 2023 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this 2023 Amended and Restated Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2023 Amended and Restated Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2023 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2023 Amended and Restated Service and Assessment Plan. Interpretations of this 2023 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall

be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this 2023 Amended and Restated Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Exhibits K-1 through K-14**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this 2023 Amended and Restated Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this 2023 Amended and Restated Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in the real property records of the County in its entirety.

E. Severability

If any provision of this 2023 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

PLAN OF FINANCE

Development Plan

Through a series of purchases, contributions, and assignments, the Developer acquired approximately 259.02 acres of land (the “Property”). For additional information regarding the acquisition of the Property, see “THE DEVELOPER – History and Financing of the District.” Currently, the Developer intends to develop the Property into a master planned community consisting of 981 single-family lots, one amenity lot, one commercial lot, one vybe trail

* Preliminary, subject to change.

extension lot, five detention ponds, and over 70 acres of publicly dedicated privately maintained parkland including over 15,000 feet of concrete/natural trails throughout the development (collectively, the “Development”). The Developer intends the Development to be constructed in three improvement areas, consisting of six construction phases as follows: (i) Improvement Area #1 consisting of Phase 1 and Phase 2; (ii) Improvement Area #2 consisting of Phase 3 and Phase 4; and (iii) Improvement Area #3 consisting of Phase 5 and Phase 6.

The Developer will construct improvements necessary to complete lot development. Lot development in Improvement Area #1 will consist of construction of certain public improvements benefitting the land within Improvement Area #1 to be financed by the City through the District, consisting of road, roundabout, drainage, parks and landscaping (collectively, the “Improvement Area #1 Improvements”) and certain privately financed improvements, consisting of water improvements (the “Improvement Area #1 Privately Financed Public Improvements”) and wastewater improvements (the “Privately Financed Improvements”). Upon completion, (i) the Improvement Area #1 Improvements will be owned, operated, and maintained by the City (other than the alleys, parks, common areas, landscaping, and water quality and detention ponds which will be maintained by a property owners’ association); (ii) the Improvement Area #1 Privately Financed Public Improvements will be transferred to and operated and maintained by Goforth Special Utility District (“Goforth SUD”); and (iii) the Privately Financed Improvements will be transferred to and operated and maintained by Windy Hill Utility Co., LLC, a Texas limited liability company, a subsidiary of BVRT Utility Holding Co., limited liability company (“Windy Hill”). The Improvement Area #1 Privately Financed Public Improvements and Privately Financed Improvements are not eligible for reimbursement. In addition to the Improvement Area #1 Improvements, proceeds of the Bonds will also be used to finance certain costs related to the issuance of the Bonds, including issuance costs, reserve funds, capitalized interest, and costs incidental to the organization and administration of the District (such costs together with the Improvement Area #1 Improvements, the “Improvement Area #1 Projects”). See “THE DEVELOPMENT – Development Plan.”

“Improvement Area #1” is approximately 91.281 acres of land and will be the first improvement area in the District to be developed. It is expected that Improvement Area #1 will be developed in two phases: the first phase (“Phase 1”) is expected to include 204 40’ lots and 50 50’ lots, for a total of 254 single-family lots, and the second phase (“Phase 2”) is expected to include 141 40’ lots and 14 50’ lots, for a total of 155 single-family lots, for a combined total of 409 single-family lots in Improvement Area #1. The Developer commenced construction of improvements within Improvement Area #1 in August 2022 and expects to complete construction thereof in May 2025, specifically: construction of the Privately Financed Improvements commenced in August of 2022 and is expected to be completed in August of 2023; construction of the Improvement Area #1 Privately Financed Public Improvements and the Improvement Area #1 Improvements in Phase 1 commenced in August of 2022 and is expected to be completed in March of 2024; and construction of the Improvement Area #1 Privately Financed Public Improvements and the Improvement Area #1 Improvements in Phase 2 is expected to commence in April of 2024 and is expected to be completed in May of 2025.

“Improvement Area #2” is expected to be the second improvement area in the District to be developed. Improvement Area #2 is expected to contain 263 40’ lots and 33 50’ lots, for a total of 296 single-family lots. Improvement Area #2 is also expected to be developed in two phases, “Phase 3” and “Phase 4,” respectively. The Developer expects to begin construction of the Authorized Improvements (as defined in the Service and Assessment Plan) which benefit Improvement Area #2 (the “Improvement Area #2 Improvements”) in July of 2026.

“Improvement Area #3” is expected to be the third improvement area in the District to be developed. Improvement Area #3 is expected to contain 215 40’ lots and 61 50’ lots, for a total of 276 single-family lots, and approximately 48,878 square feet of commercial space. Improvement Area #2 is also expected to be developed in two phases, “Phase 5” and “Phase 6,” respectively. The Developer expects to begin construction of the Authorized Improvements which benefit Improvement Area #3 (the “Improvement Area #3 Improvements”) in March of 2028.

It is expected that the homes within the District will be constructed by MileStone Community Builders, LLC, a Texas limited liability company (“MileStone”), an affiliate of the Developer, pursuant to a lot purchase agreement entered into by MileStone and the Developer granting MileStone the exclusive right to purchase all lots in the District. See “– Lot Purchase Agreement” below.

Development Agreement

The City and Developer entered into the Porter Country Development Agreement, effective May 17, 2022, as amended by the First Amendment to the Porter Country Development Agreement entered into as of September 6, 2022 (together, the “Development Agreement”), establishing certain restrictions and commitments to be imposed and made in connection with the development of the Property including but not limited to parkland, open space, public amenities, trails, entry monumentation, and water and wastewater services. See “THE DEVELOPMENT – Development Agreement” and “APPENDIX F – Development Agreement.”

Financing Agreement

The City and Developer expect to enter into the Porter Country Public Improvement District Financing Agreement, on or about May 2, 2023, and as may be further amended from time to time (the “Financing Agreement”), which provides, in part, for the issuance of bonds and the deposit of proceeds from the issuance and sale of such bonds, including the Bonds Similarly Secured, for the payment of costs of Authorized Improvements within the District, the reimbursement of costs to the Developer from the proceeds of bonds or assessments for funds advanced by the Developer and used to pay costs of Authorized Improvements, including the Improvement Area #1 Improvements. Additionally, in the Financing Agreement, the Developer agrees to maintain sufficient available funds, in a form acceptable to the City, to finance the costs of Authorized Improvements not funded by the proceeds of bonds or assessment revenues. See “THE DEVELOPMENT – Financing Agreement” and “APPENDIX G – Form of Financing Agreement.”

Completion Agreement

To ensure the Improvement Area #1 Improvements, the Improvement Area #1 Privately Financed Public Improvements and the Privately Financed Improvements (the Improvement Area #1 Improvements, the Improvement Area #1 Privately Financed Public Improvements and the Privately Financed Improvements are hereinafter collectively referred to as the “Designated Improvements”) within Improvement Area #1 are completed, and funding is available to provide for their completion, the Developer and the City expect to enter into the Improvement Area #1 Completion Agreement, on or about May 2, 2023 (the “Completion Agreement”). Pursuant to the Completion Agreement, the Developer is required to provide an irrevocable standby letter of credit (the “Letter of Credit”) in the initial amount of \$_____ to the benefit of the City from a lender or financial institution in a form acceptable to the City. Pursuant to the Completion Agreement, the letter of credit will be delivered to the City on or before five (5) business days after the pricing of the Bonds and is anticipated to be provided by International Bank of Commerce (“IBC”).

The value of the Letter of Credit may be reduced from time to time upon completion of the Designated Improvements (including segments or sections thereof) to reflect the amount needed to complete the remaining Designated Improvements. The City may submit a “Draw Statement” pursuant to the Letter of Credit to construct the Designated Improvements, if the Designated Improvements are not completed in accordance with the Completion Agreement schedule, subject to force majeure and the notice and cure provisions provided herein. The Letter of Credit will automatically renew annually and will terminate 15 days after receipt by IBC of written notice from the City that the Designated Improvements have been completed. See “THE DEVELOPMENT – Completion Agreement” and “APPENDIX H – Form of Completion Agreement.”

Status of Lot Construction

Lot construction in Phase 1 of Improvement Area #1 began in August of 2022 and is expected to be completed in March of 2024. Lot construction in Phase 2 of Improvement Area #1 is expected to begin in April of 2024 and is expected to be completed in May of 2025. For lot construction to be complete, the Designated Improvements must all be complete.

Improvement Area #1 Improvements. The Improvement Area #1 Improvement consist primarily of road, roundabout, drainage, parks and landscaping. The total costs of the Improvement Area #1 Improvements is anticipated to be \$11,846,617, which costs will be financed with the proceeds of the Bonds

and a Developer contribution. As of March 1, 2023, the Developer has spent approximately \$1,660,000 towards the costs of the Improvement Area #1 Improvements.

Improvement Area #1 Privately Financed Public Improvements. While the Improvement Area #1 Privately Financed Public Improvements qualify as an Authorized Improvement benefiting Improvement Area #1, they are not being financed through the District. The total cost of the Improvement Area #1 Privately Financed Public Improvements is anticipated to be \$2,193,751, which costs will be financed with amounts advanced to the Developer under the Development Loan (as defined herein). As of March 1, 2023, the Developer has spent approximately \$120,000 towards the costs of the Improvement Area #1 Privately Financed Public Improvements.

Privately Financed Improvements. The Privately Financed Improvements are not Authorized Improvements. The total costs of the Privately Financed Improvements is anticipated to be \$1,811,561, which costs will be financed with amounts advanced to the Developer under the Development Loan. As of March 1, 2023, the Developer has spent approximately \$1,807,000 towards the costs of the Privately Financed Improvements.

See “THE DEVELOPMENT – Status of Lot Construction” for more information concerning the status of lot construction and the development in the District.

As additional security for the payment of the Developer contribution towards the costs of the Designated Improvements, the City and the Developer intend to enter into a Completion Agreement supported by a Letter of Credit benefiting the City. See “THE DEVELOPMENT – Completion Agreement” and “APPENDIX H – Form of Completion Agreement.

Lot Purchase Agreement

The Developer executed a lot purchase agreement with MileStone on April 27, 2021 (the “Original Agreement”), which was amended by the “First Amendment to the Lot Purchase Agreement,” effective December 20, 2021 (together with the Original Agreement, the “Lot Purchase Agreement”), granting MileStone the exclusive right to purchase all lots in the Property. MileStone made a \$979,000 earnest money deposit, which will be applied toward the purchase price of lots at the final lot closing. For more information regarding the Lot Purchase Agreement see “THE DEVELOPMENT – Lot Purchase Agreement” and “THE DEVELOPER – History and Financing of the District – *Development Financing.*”

The Bonds

Proceeds of the Bonds will be used to provide funds for (i) paying a portion of the Actual Costs (as defined in the Indenture) of the Improvement Area #1 Improvements, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #1 Improvements, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the Actual Costs incidental to the organization and administration of the District, and (v) paying the costs of issuance of the Bonds. See “APPENDIX B – Form of Indenture.”

Payment of the Bonds Similarly Secured (defined herein), including the Bonds, is secured by a pledge of and a lien upon the Trust Estate, consisting primarily of revenue from the Assessments to be levied against the assessable parcels or lots within Improvement Area #1 of the District, all to the extent and upon the conditions described herein and in the Indenture. See “SECURITY FOR THE BONDS SIMILARLY SECURED” and “ASSESSMENT PROCEDURES.”

The Bonds shall never constitute an indebtedness or general obligation of the City, the State, or any other political subdivision of the State, within the meaning of any constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State or any other political subdivision of the State is pledged to the payment of the Bonds.

Future Improvement Area Bonds

The Developer may make one or more requests to the City to issue one or more series of improvement area bonds (each such series of bonds are “Future Improvement Area Bonds”) to finance the cost of Authorized Improvements to be developed to serve the future improvement areas within the District (individually, a “Future Improvement Area” or collectively, the “Future Improvement Areas”) as the development proceeds. The estimated costs of such improvements benefiting Future Improvement Areas of the District will be determined as the Future Improvement Areas of the District are developed, and the Service and Assessment Plan will be updated to identify the Authorized Improvements to be constructed within Future Improvement Areas of the District to be financed by each series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the Future Improvement Area in the District that benefit from the Authorized Improvements.

Bonds Sold Pursuant to this Limited Offering Memorandum

Only the Bonds are offered pursuant to this Limited Offering Memorandum. The Bonds and any Future Improvement Area Bonds issued by the City are separate and distinct issues of securities secured by separate assessments. The Bonds are also separate and distinct issues of securities from any Refunding Bonds issued by the City in the future, but the Bonds and any Refunding Bonds (collectively, “Bonds Similarly Secured”) issued under the Indenture will be equally and ratably secured by the Trust Estate.

LIMITATIONS APPLICABLE TO INITIAL PURCHASERS

Each initial purchaser is advised that the Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to “qualified institutional buyers” as defined in Rule 144A promulgated under the Securities Act of 1933 and “accredited investors” as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933. Each initial purchaser of the Bonds (each, an “Investor”) will be deemed to have acknowledged and represented to the City as follows:

1. The Investor has authority and is duly authorized to purchase the Bonds and to execute any instruments and documents required to be executed by the Investor in connection with the purchase of the Bonds.
2. The Investor is an “accredited investor” under Rule 501 of Regulation D of the Securities Act of 1933 or a “qualified institutional buyer” under Rule 144A of the Securities Act of 1933, and therefore, has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.
3. The Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Bonds, and the Investor intends to hold the Bonds solely for its own account for investment purposes and for an indefinite period of time, and does not intend at this time to dispose of all or any part of the Bonds. However, the Investor may sell at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.
4. The Investor understands that the Bonds are not registered under the Securities Act of 1933 and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.
5. The Investor acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, and the Investor has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the City, the Authorized Improvements, the Bonds, the security therefor, and such other information as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds (collectively, the “Investor Information”). The Investor has received a copy of this Limited Offering Memorandum relating to the Bonds. The Investor acknowledges that it has assumed responsibility for its review of the Investor Information and it has not relied upon any advice, counsel,

representation or information from the City in connection with the Investor's purchase of the Bonds. The Investor agrees that none of the City, its councilmembers, officers, or employees shall have any liability to the Investor whatsoever for or in connection with the Investor's decision to purchase the Bonds except for gross negligence, fraud or willful misconduct. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the City.

6. The Investor acknowledges that the obligations of the City under the Indenture are special, limited obligations payable solely from amounts paid to the City pursuant to the terms of the Indenture and the City shall not be directly or indirectly or contingently or morally obligated to use any other moneys or assets of the City for amounts due under the Indenture. The Investor understands that the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the City, the State or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the full faith and credit of the City, the State or any political subdivision thereof; that no right will exist to have taxes levied by the State or any political subdivision thereof for the payment of principal and interest on the Bonds; and that the liability of the City and the State with respect to the Bonds is subject to further limitations as set forth in the Bonds and the Indenture.

7. The Investor has made its own inquiry and analysis with respect to the Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Bonds.

The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

DESCRIPTION OF THE BONDS

General Description

Capitalized terms not otherwise defined in this caption have the meanings assigned to them in the Indenture. The Bonds will mature on the dates and in the amounts set forth in the inside cover page of this Limited Offering Memorandum. Interest on the Bonds will accrue from the Closing Date and will be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Bonds will be payable on each March 1 and September 1, commencing September 1, 2023 (each, an "Interest Payment Date"), until maturity or prior redemption. BOKF, NA, Houston, Texas, is the initial Trustee and Paying Agent/Registrar for the Bonds.

The Bonds will be issued in fully registered form, without coupons. Beneficial ownership of the Bonds may be acquired in principal denominations of \$100,000 and in integral multiples of \$1,000 in excess thereof ("Authorized Denominations"). Upon receipt by the Paying Agent/Registrar of written evidence that the Bonds have received an Investment Grade Rating, beneficial ownership in the Bonds may be acquired in principal denominations of \$1,000 or any integral multiple thereof, notwithstanding any subsequent downgrade, suspension or withdrawal of such rating. Upon initial issuance, the ownership of the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Bonds will be made in book-entry only form. See "BOOK-ENTRY ONLY SYSTEM" and "SUITABILITY FOR INVESTMENT."

Redemption Provisions

Optional Redemption. The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__ before their scheduled maturity dates, in whole or in part, on any date, in minimum principal amounts of \$1,000, on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the Redemption Price.

Extraordinary Optional Redemption. Notwithstanding any provision in the Indenture to the contrary, the City reserves the right and option to redeem the Bonds before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at the Redemption Price from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund), transfers to the Redemption Fund, or as a result of unexpended amounts transferred from the IA#1 Improvements Account of the Project Fund. The City shall

notify the Trustee in writing at least forty-five (45) days before the scheduled extraordinary optional redemption date fixed by the City, or such other time period as the Trustee and the City shall mutually agree.

Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption unless it has at least \$1,000 available in the Redemption Fund with which to redeem the Bonds. In lieu of redeeming the Bonds with the funds described in the paragraph above, the City may purchase the Bonds in the open market of the maturity to be redeemed at the price not in excess of the purchase price provided in the Indenture.

Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption prior to their maturity and will be redeemed by the City in part at the Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

\$ Term Bonds Maturing September 1, 20 *

Redemption Date

Sinking Fund Installment

†

† Stated maturity.

At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction, the Trustee shall select a principal amount of Bonds, of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption.

The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least (45) days prior to the mandatory sinking fund redemption date, shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any redemption shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

Partial Redemption. If less than all of a series of Bonds Similarly Secured are to be redeemed pursuant to the Indenture, the Bonds Similarly Secured shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. The Bonds Similarly Secured shall be treated as representing the number of bonds that is obtained by dividing the principal amount of such series of Bonds by \$1,000. No redemption shall result in a Bond Similarly Secured in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond Similarly Secured is less than an Authorized Denomination after giving effect to such partial redemption, a Bond Similarly Secured in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

In selecting the Bonds Similarly Secured to be redeemed under the mandatory sinking fund redemption provisions of the Indenture, the Trustee may select Bonds in any method that results in a random selection.

* Preliminary, subject to change.

In selecting the Bonds Similarly Secured to be redeemed under the optional redemption provisions of the Indenture, the Trustee may conclusively rely on the directions provided in a City Certificate.

If less than all of a series of Bonds are called for extraordinary optional redemption under the Indenture, the Bonds Similarly Secured or portion of a Bond Similarly Secured, as applicable, of such series to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds of such series.

Upon surrender of any Bond Similarly Secured for redemption in part, the Trustee, in accordance with the Indenture, shall authenticate and deliver an exchange Bond Similarly Secured or Bonds of the same series and in an aggregate principal amount equal to the unredeemed portion of the Bond Similarly Secured so surrendered, such exchange being without charge.

Notice of Redemption to Owners. Upon receipt of written notice from the City of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book entry only form and held by the DTC as security depository, references to Owner in the Indenture means Cede & Co., as nominee for DTC.

The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

Any notice given as provided in the Indenture shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. The City has the right to rescind any optional redemption or extraordinary optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

BOOK-ENTRY ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by the DTC, while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter takes any responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the Securities and

Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices for the Bonds shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

All payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Paying Agent/Registrar, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. All payments on the Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered. Thereafter, Bond certificates may be transferred and exchanged as described in the Indenture.

NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT/REGISTRAR, THE CITY'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

Use of Certain Terms in Other Sections of this Limited Offering Memorandum

In reading this Limited Offering Memorandum it should be understood that while the Bonds are in the Book-Entry Only System, references in other sections of this Limited Offering Memorandum to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry Only System and (ii) except as described above, notices that are to be given to registered owners under the Indenture will be given only to DTC.

SECURITY FOR THE BONDS SIMILARLY SECURED

General

THE BONDS SIMILARLY SECURED, INCLUDING THE BONDS, ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SIMILARLY SECURED SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS SIMILARLY SECURED OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

The principal of, premium, if any, and interest on the Bonds Similarly Secured, including the Bonds, are secured by a pledge of and a lien upon the pledged revenues (the "Pledged Revenues"), consisting primarily of Assessments levied against the assessable parcels or lots within Improvement Area #1 of the District and other funds comprising the Trust Estate, all to the extent and upon the conditions described herein and in the Indenture. "Bond Similarly Secured" means all bonds or any bond authorized by a bond ordinance and issued in accordance with the Indenture, including the Bonds, Refunding Bonds and any bonds issued in exchange or replacement thereof as permitted by the Indenture. Bonds Similarly Secured does not include the Future Improvement Area Bonds. Improvement Area #1 contains approximately 91.281 acres, which originally consisted of one or more parcels to be assessed (each, a "Parcel" and collectively, the "Assessed Property"). The Assessed Property has been or will be subdivided into 409 lots for single-family residential development (each, a "Lot"). In accordance with the PID Act and in connection with the issuance of the Bonds, the City intends to approve the Service and Assessment Plan (the "Service and Assessment Plan"), which describes the special benefit received by the property within the District, provides the basis and justification for the determination of special benefit on such property, establishes the methodology for the levy of Assessments and provides for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds. The form of the Service and Assessment Plan is attached hereto as "APPENDIX C – Form of Service and Assessment Plan."

The Service and Assessment Plan is reviewed and updated at least annually for the purpose of determining the annual budget for improvements and the Annual Installments (as defined below) of Assessments due in a given year. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future landowners or developers within the District. See "APPENDIX C – Form of Service and Assessment Plan."

Pledged Revenues

The City is authorized by the PID Act, the Assessment Ordinance and other provisions of law to finance the costs of the Improvement Area #1 Improvements by levying Assessments upon properties in Improvement Area #1 of the District. For a description of the assessment methodology and the amounts of Assessments anticipated to be levied in the District, see "ASSESSMENT PROCEDURES" and "APPENDIX C – Form of Service and Assessment Plan." The City will covenant in the Indenture that it will take and pursue all actions permissible under the PID Act, and all other laws or statutes, rules, or regulations, and any amendments thereto, of the State of Texas (the "State") or of the United States (collectively, "Applicable Laws") to cause the Assessments to be collected and the liens thereof to be enforced continuously. See "– Pledged Revenue Fund," "APPENDIX B – Form of Indenture" and "APPENDIX C – Form of Service and Assessment Plan."

Pursuant to the Indenture, the following terms are assigned the following meanings:

“Additional Interest” means the amount collected by application of the Additional Interest Rate.

“Additional Interest Rate” means the 0.50% additional interest rate charged on Assessments securing Bonds Similarly Secured pursuant to Section 372.018 of the PID Act.

“Annual Collection Costs” mean the actual or budgeted costs and expenses relating to collecting the Annual Installments, including, but not limited to, costs and expenses for: (1) the Administrator; (2) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to Assessments and Annual Installments; (4) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (5) issuing, paying, and redeeming PID Bonds; (6) investing or depositing Assessments and Annual Installments; (7) complying with the Service and Assessment Plan and the PID Act with respect to the issuance and sale of PID Bonds, including continuing disclosure requirements; and (8) the paying agent/registrar and Trustee in connection with PID Bonds, including their respective legal counsel. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years.

“Annual Installment” means, with respect to the Assessed Properties, the annual installment payment of an Assessment as calculated by the Administrator and approved by the City Council, that includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) Additional Interest.

“Assessment Revenue” means monies collected by or on behalf of the City from any one or more of the following: (i) an Assessment levied against an Assessed Property, or Annual Installment payment thereof, including any interest on such Assessment or Annual Installment thereof during any period of delinquency, (ii) a Prepayment, (iii) Delinquent Collection Costs, and (iv) Foreclosure Proceeds.

“Delinquent Collection Costs” mean the costs related to the foreclosure on an Assessed Property and the costs of collection of a delinquent Assessment, delinquent annual Installments, or any other delinquent amounts due under the Service and Assessment Plan, including penalties and reasonable attorney’s fees actually paid, but excluding amounts representing interest and penalty interest.

“Foreclosure Proceeds” means the proceeds, including interest and penalty interest, received by the City from the enforcement of the Assessments against any Assessed Property or Assessed Properties, whether by foreclosure of lien or otherwise, but excluding and net of all Delinquent Collection Costs.

“Pledged Funds” means the Pledged Revenue Fund, the Bond Fund, the Project Fund (but only with respect to such accounts and subaccounts of the Project Fund created pursuant to the terms of the Indenture; provided, however, that in the event a Privately Financed Improvements Subaccount and Improvement Area #1 Privately Financed Public Improvements Subaccount are created pursuant to the Indenture, such subaccounts shall not be Pledged Funds), the Reserve Fund, and the Redemption Fund. Such term also includes each fund or account pledged to the repayment of the Bonds or Refunding Bonds.

“Pledged Revenues” means the sum of (i) Assessment Revenue other than Delinquent Collection Costs; (ii) the moneys held in any of the Pledged Funds; and (iii) any additional revenues that the City may pledge to the payment of Bonds Similarly Secured.

The PID Act provides that the Assessments (including any reassessment, with interest, and the expense of collection and reasonable attorney’s fees, if incurred) are a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens and claims, except liens and claims for the State, county, school district, or municipality for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged), and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES” herein.

Collection and Enforcement of Assessments

The Assessments on each parcel, tract or lot which are to be collected in each year during the term of the Bonds are shown on the Assessment Roll. The Assessments, together with the interest thereon, will be deposited in the Pledged Revenue Fund for the payment of the principal of, premium, if any, and interest on the Bonds as and to the extent provided in the Service and Assessment Plan and the Indenture. See “SECURITY FOR THE BONDS SIMILARLY SECURED – Pledged Revenue Fund” and “APPENDIX B – Form of Indenture.”

The Assessments assessed to pay debt service on the Bonds Similarly Secured, including the Bonds, together with interest thereon, are payable in Annual Installments established by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds. An Annual Installment of Assessments has been made payable in the Assessment Ordinance in each Fiscal Year preceding the date of final maturity of the Bonds Similarly Secured which, if collected, will be sufficient to pay the portion of the debt service requirements attributable to Assessments in the Service and Assessment Plan. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

Any sums collected for the payment of Annual Collection Costs shall be deposited in the Administrative Fund and shall not constitute Pledged Revenues.

Unconditional Levy of Assessments

The City will impose Assessments on the property within Improvement Area #1 of the District to pay the principal of and interest on the Bonds Similarly Secured scheduled for payment from Pledged Revenues as described in the Indenture and in the Service and Assessment Plan and coming due during each Fiscal Year. The Assessments are effective from the date, and strictly in accordance with the terms, of the Assessment Ordinance. Each Assessment may be paid immediately in full or in periodic Annual Installments over a period of time equal to the term of the Bonds Similarly Secured, which installments shall include interest on the Assessments. Pursuant to the Assessment Ordinance, interest on the Assessments for each lot or unit within Improvement Area #1 and allocated to the Bonds Similarly Secured, begins to accrue on the date specified in the Service and Assessment Plan and, bears interest at the rate of interest on the Bonds plus the Additional Interest Rate. Each Annual Installment, including the interest on the unpaid amount of Assessments, will be determined by September 30 of each year and billed on or around October 15 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

As authorized by Section 372.003(b)(14) of the PID Act, the City will levy, assess and collect Annual Collection Costs each year while the Bonds Similarly Secured are Outstanding and unpaid. The portion of each Annual Installment of an Assessment used to pay the Annual Collection Costs shall remain in effect from year to year until all Bonds Similarly Secured are finally paid or until the City adjusts the levy after an annual review in any year pursuant to Section 372.015(d) of the PID Act. The amount collected to pay Annual Collection Costs shall be due in the manner set forth in the Assessment Ordinance and shall be billed on or about October 15 of each year and shall be delinquent if not paid by February 1 of the following year. Amounts collected for Annual Collection Costs do not secure repayment of the Bonds Similarly Secured.

There will be no split payment of Assessments or discount for the early payment of Assessments.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney's fees, if incurred) and the Assessment Lien against the property within Improvement Area #1, are superior to all other liens and claims, except liens and claims for the State, county, school district, or municipality for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES” herein. The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained

on the property. See “BONDHOLDERS’ RISKS – Assessment Limitations.” There are currently no properties within Improvement Area #1 that have claimed a homestead exemption.

Failure to pay an Annual Installment when due shall not accelerate the payment of the remaining Annual Installments of the Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

Perfected Security Interest

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, and execution and delivery of the Indenture, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Chapter 9, Business and Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur. See “APPENDIX B – Form of Indenture.”

Pledged Revenue Fund

On or before [February 20, 202_] and on or before each February 20 and August 20 of each year thereafter while the Bonds are Outstanding, the City shall deposit or cause to be deposited with the Trustee all Pledged Revenues, if any, other than the Pledged Revenues on deposit in the Project Collection Fund which revenues shall be transferred in accordance with the Indenture, into the Pledged Revenue Fund. Specifically, the City shall deposit or cause to be deposited Assessment Revenues and other Pledged Revenues to be applied by the Trustee in the following order of priority:

- (i) *first*, to the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year;
- (ii) *second*, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the initial Reserve Account Requirement;
- (iii) *third*, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest;
- (iv) *fourth*, to pay other Actual Costs of Improvement Area #1 Projects; and
- (v) *fifth*, to pay other costs permitted by the PID Act.

Along with each deposit of Pledged Revenues from the Project Collection Fund to the Pledged Revenue Fund, the City shall provide a City Certificate to the Trustee as to (i) the Funds and Accounts into which the amounts are to be deposited or retained, as applicable, and (ii) the amounts of any payments to be made from such Funds and Accounts.

From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account of the Bond Fund to the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

If, after the foregoing transfers and any transfer from the Reserve Fund, there are insufficient funds to make the payments provided above, the Trustee shall apply the available funds in the Principal and Interest Account of the Bond Fund first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

Notwithstanding the above-described flow of funds, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and within two business days after such deposit shall transfer such Prepayments to the Redemption Fund.

Notwithstanding the above described flow of funds, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and within two business days after such deposit shall transfer Foreclosure Proceeds, as directed by the City pursuant to a City Certificate, *first* to the Reserve Fund to restore any transfers from the accounts within the Reserve Fund made with respect to the Assessed Property or Assessed Properties to which the Foreclosure Proceeds relate (first, to the Reserve Account of the Reserve Fund to replenish the Reserve Account Requirement, and second, to replenish the Additional Interest Reserve Account of the Reserve Fund to replenish the Additional Interest Reserve Requirement), and *second*, to the Redemption Fund.

After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in any Account of the Reserve Fund and transfer of funds pursuant to the Indenture, the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid.

Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to the Indenture.

Bond Fund

On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account of the Bond Fund as provided below.

If amounts in the Principal and Interest Account of the Bond Fund are insufficient for the purposes set forth above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in the Indenture. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

Moneys in the Capitalized Interest Account of the Bond Fund shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

<u>Date</u>	<u>Amount</u>
September 1, 2023	\$_____

Any amounts on deposit to the Capitalized Interest Account of the Bond Fund after the payment of interest on the dates and in the amounts listed above shall be transferred to the IA#1 Improvements Account of the Project Fund, or if the IA#1 Improvements Account of the Project Fund has been closed as provided in the Indenture, such amounts shall be transferred to the Redemption Fund to be used to redeem the Bonds, and the Capitalized Interest Account of the Bond Fund shall be closed.

Project Fund

Pursuant to the Indenture, a Project Fund will be created to be used for the purposes described in “PLAN OF FINANCE – The Bonds.” Money on deposit in the PID Improvements Account and the PID Costs of Issuance Account of the Project Fund shall be used for the purposes as outlined below.

Any amounts drawn on the Letter of Credit by the City pursuant to the terms of the Letter of Credit shall be paid to the Trustee and be deposited to the appropriate subaccount of the IA#1 Improvements Account of the Project Fund as set forth in a City Certificate; provided, however, that prior to the initial draw of funds pursuant to the terms of the Letter of Credit, the City shall cause the Trustee to create (i) a “Public Improvements Subaccount,” (ii) a “Privately Financed Improvements Subaccount” and (iii) an “Improvement Area #1 Privately Financed Public Improvements Subaccount” of the IA#1 Improvements Account of the Project Fund.

Disbursements from the IA#1 Improvements Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of one or more City Certificates containing a properly executed and completed Certification for Payment.

Disbursements from the IA#1 Costs of Issuance Account of the Project Fund shall be made by the Trustee pursuant to and in accordance with a City Certificate providing for the application of such funds to be disbursed (with the exception of fees and expenses initially incurred by the Trustee, which may be withdrawn by the Trustee).

If the City Representative reasonably determines that amounts then on deposit in the IA#1 Improvements Account of the Project Fund are not expected to be expended for purposes of the IA#1 Improvements Account of the Project Fund due to the completion, abandonment, or constructive abandonment, of the Improvement Area #1 Improvements, as the case may be, such that, in the opinion of the City Representative, it is unlikely that the amounts in the IA#1 Improvements Account of the Project Fund will ever be expended for the purposes of the IA#1 Improvements Account of the Project Fund, the City Representative shall file a City Certificate with the Trustee and provide a copy of such City Certificate to the Developer prior to filing with the Trustee, which identifies the amounts then on deposit in the IA#1 Improvements Account of the Project Fund that are not expected to be used for purposes of the IA#1 Improvements Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#1 Improvements Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practical date after notice of redemption has been provided in accordance with the Indenture, and the IA#1 Improvements Account of the Project Fund shall be closed.

Upon the Trustee’s receipt of a written determination by the City Representative that all costs of issuance of the Bonds Similarly Secured have been paid and the appropriate portion of the costs incidental to the organization of the District have been paid, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the IA#1 Costs of Issuance Account of the Project Fund that are not expected to be used for purposes of the IA#1 Costs of Issuance Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#1 Costs of Issuance Account of the Project Fund shall be transferred first to the IA#1 Improvements Account of the Project Fund used to pay Actual Costs and second to the Principal and Interest Account of the Bond Fund used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the IA#1 Costs of Issuance Account of the Project Fund shall be closed.

The aggregate amount of funds that the Trustee may disburse from the IA#1 Improvements Account of the Project Fund shall not exceed the Unrestricted Amount except and until the Release Restriction (as defined below) has been satisfied. The Trustee may make disbursements from the IA#1 Improvements Account of the Project Fund that exceed the Unrestricted Amount only when the Developer provides written certification to the Trustee and the City in a Certificate for Payment in the form attached to the Financing Agreement that the Release Restriction has been satisfied. The first Certificate for Payment that requests funds in excess of the Unrestricted Amount from the IA#1 Improvements Account of the Project Fund and which evidences satisfaction of the Release Restriction shall be submitted to the City, the Trustee, and the Administrator for review and confirmation. Moneys may be disbursed from the IA#1 Improvements Account of the Project Fund in excess of the Unrestricted Amount only if the City has issued a certificate of occupancy for at least [15] homes within Improvement Area #1 (the “*Release Restriction*”). The City may not approve a Certificate for Payment from the IA#1 Improvements Account of the Project Fund for any amounts that exceed the Unrestricted Amount until the Release Restriction has been satisfied.

Redemption Fund

Subject to adequate amounts on deposit in the Pledged Revenue Fund, the Trustee, as directed by City Certificate, shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in the provisions of the Indenture relating to optional redemption and extraordinary optional redemption on the dates specified for redemption as provided in the Indenture. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in provisions in the Indenture relating to redemption.

Reserve Fund: Reserve Account and Additional Interest Reserve Account

Pursuant to the Indenture, a Reserve Account will be created within the Reserve Fund for the benefit of the Bonds and will held by the Trustee and funded with proceeds of the Bonds in the amount of the Reserve Account Requirement. Additionally, an Additional Interest Reserve Account will be created will be created within the Reserve Fund for the benefit of the Bonds and will held by the Trustee and funded from the deposit of Additional Interest in the amount of the Additional Interest Account Requirement. See “APPENDIX B – Form of Indenture” and “APPENDIX C – Form of Service and Assessment Plan.”

The Reserve Account of the Reserve Fund will be initially funded with a deposit of \$_____ from the proceeds of the Bonds in the amount of the Reserve Account Requirement and the City agrees with the Owners of the Bonds Similarly Secured to accumulate from the deposits outlined in the Indenture, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in the Indenture.

The Trustee, if needed, will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account of the Reserve Fund on March 1 and September 1 of each year, commencing [March 1, 2024], to the extent that funds are available after application of the deposit priority in the Indenture, an amount equal to the Additional Interest in the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account of the Reserve Fund; provided, however, that at any time the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account of the Reserve Fund.

Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds. Whenever Bonds are to be redeemed with the proceeds of Prepayments, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to an amount representing the difference between (i) the lesser of (A) the Reserve Account Requirement prior to redemption and (B) the amount actually on deposit in the Reserve Account of the Reserve Fund prior to redemption, and (ii) the Reserve Account Requirement after such redemption; *provided, however*, no such transfer from the Reserve Account of the Reserve Fund shall cause the amount on deposit therein to be less than the Reserve Account Requirement to be in effect after such redemption. If after such transfer, and after applying investment earnings on the Redemption Fund toward payment of accrued and unpaid interest to the date of redemption on the Bonds to be redeemed, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account of the Reserve Fund to the Redemption Fund to be applied to the redemption of the Bonds.

Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account of the Reserve Fund exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with the Indenture, unless within 45 days of such notice to the City

Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under the Rebate Fund provision of the Indenture, (ii) to the IA#1 Improvements Account of the Project Fund, if such application and the expenditure of funds is expected to occur within three years of the date hereof, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund exceeds the Additional Interest Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess (the "Excess Additional Interest Reserve Amount"). The Excess Additional Interest Reserve Amount on deposit in the Additional Interest Reserve Account of the Reserve Fund shall be transferred by the Trustee to the Redemption Fund, and shall notify the City of such transfer in writing. In transferring the amounts to be transferred pursuant to this paragraph, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund and second from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency. At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account of the Reserve Fund and the Additional Interest Reserve Account of the Reserve Fund shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured. If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency. If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Administrative Fund

The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs, other than the Annual Collection Costs and Delinquent Collection Costs deposited into the Project Collection Fund as described below under "Project Collection Fund." Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered under the Indenture and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan. THE ADMINISTRATIVE FUND SHALL NOT BE PART OF THE TRUST ESTATE AND IS NOT SECURITY FOR THE BONDS SIMILARLY SECURED.

Project Collection Fund

While any Bonds Similarly Secured are Outstanding, another taxing unit or an appraisal district, by agreement with the City, may collect Assessment Revenue on the City's behalf. If such taxing unit or appraisal district presents or otherwise tenders to the Trustee such collected Assessment Revenue for deposit on the City's behalf, the Trustee shall accept such Assessment Revenue and deposit the same into the Project Collection Fund. The Trustee shall, as directed by the City pursuant to a City Certificate, deposit or cause to be deposited (i) all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of the Annual Collection Costs and Delinquent Collection Costs to the Administrative Fund and (ii) all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of Pledged Revenues into the Pledged Revenue Fund for future allocations as described under "Pledged Revenue Fund" above. The City shall provide such City Certificate on or before [February 20, 202_] and every August 20 and February 20 thereafter while the Bonds are Outstanding. The Project Collection Fund is not a Pledged Fund.

Bonds Deemed Paid

All Outstanding Bonds Similarly Secured shall prior to the Stated Maturity or redemption date thereof be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds Similarly Secured are to be redeemed on any date prior to their Stated Maturity, the Trustee shall have given notice of redemption on said date as provided in the Indenture, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee at the same time, shall be sufficient to pay when due the principal of and interest on of the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant selected by the City verifying the sufficiency of the moneys or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on of the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, (iv) if the Bonds Similarly Secured are then rated, the Trustee shall have received written confirmation from each Rating Agency then publishing a rating on such Bonds that such deposit will not result in the reduction or withdrawal of the rating on the Bonds Similarly Secured, and (v) the Trustee shall have received an opinion of Bond Counsel to the effect that (A) any Bond Similarly Secured having been deemed to have been paid as provided in the Indenture is no longer Outstanding under the Indenture and is no longer secured by or entitled to the benefits of the Indenture, (B) such defeasance is in accordance with the terms of the Indenture and (C) such defeasance will not adversely affect the exclusion of interest on such Bond Similarly Secured from gross income for purposes of federal income taxation. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds Similarly Secured. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall be reinvested in Defeasance Securities as directed in writing by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds Similarly Secured on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the City’s official investment policy as approved by the City Council from time to time, and eligible for the investment of public funds by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds Similarly Secured. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category.

Events of Default

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

- (i) the failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
- (ii) the failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings, in accordance with the Indenture;
- (iii) the failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledge Funds and available to the City to make the payments; and
- (iv) default in the performance or observance of any other covenant, agreement or obligation of the City under the Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of a Quarter in Interest of the Bonds Similarly Secured with a copy to the Trustee, specifying such default by the Owners of a Quarter in Interest of the Bonds Similarly Secured requesting that the failure be remedied.

Immediate Remedies for Default

Upon the happening and continuance of any of the Events of Default described in the Indenture, the Trustee may, and at the written direction of Owners of a Quarter in Interest of the Bonds Similarly Secured then Outstanding, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained therein, or injunction; provided, however, that any action for money damages against the City shall be limited in recovery to the assets of the Trust Estate, including the Pledged Revenues.

THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in the payment of Bonds Similarly Secured due under in an Event of Default, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale. The Trustee shall have no liability for its selection of Trust Estate assets to liquidate or sell.

Whenever moneys are to be applied pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms, as the Trustee may deem appropriate, and as may be required by Applicable Laws and apply the proceeds thereof in accordance with the provisions of this subcaption. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be

necessary or proper, in the judgment of the Trustee, for the purpose which may be designated in such request. The Trustee shall have no liability for its selection of Trust Estate assets to liquidate or sell.

Restriction on Owner's Actions

No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy thereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of a Quarter in Interest of the Bonds Similarly Secured have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers thereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for sixty (60) days after such notice failed or refused to exercise the powers thereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no written direction inconsistent with such written request has been given to the Trustee during such sixty (60) day period by the Owners of a majority of the aggregate principal amount of the Bonds Similarly Secured then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee in writing; however, no one or more Owners of the Bonds Similarly Secured shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his or their action or to enforce any right thereunder except in the manner provided therein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided therein and for the equal benefit of the Owners of all Bonds Similarly Secured then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, as advised by counsel, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy thereunder.

Subject to provisions of the Indenture with respect to certain liabilities of the City, nothing in the Indenture shall affect or impair the right of any Owner to enforce payment of any Bond Similarly Secured at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond Similarly Secured issued thereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed therein and in the Bonds Similarly Secured.

In case the Trustee or any Owners shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights thereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Application of Revenues and Other Moneys After Event of Default

All moneys, securities, funds and Pledged Revenues and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, shall be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds Similarly Secured, as follows:

(i) First: To the payment to the registered owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the registered owners entitled thereto, without any discrimination or preference; and

(ii) Second: To the payment to the registered owners entitled thereto of the unpaid principal of Outstanding Bonds Similarly Secured, or Redemption Price of any Bonds Similarly Secured which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds Similarly Secured due on any date, then to the payment thereof ratably, according to the amounts of principal due or redemption price and to the registered owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to the Indenture.

In the event funds are not adequate to cure any of the Events of Default, the available funds shall be allocated to the Bonds Similarly Secured that are Outstanding in proportion to the quantity of Bonds Similarly Secured that are currently due and in default under the terms of the Indenture. The restoration of the City to its prior position after any and all defaults have been cured, shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

Investment of Funds

Money in any Fund or Account established pursuant to the Indenture shall be invested by the Trustee only as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment (or as directed below) in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; the City Certificate shall direct investment in such deposits and investments (which may include repurchase agreements for such investment with any primary dealer of such agreements) so that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account of the Reserve Fund may not be invested above the Yield (as defined in the Indenture) on the Bonds Similarly Secured, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold in order to make the disbursements required or permitted by the Indenture or to prevent any default. In the event the City does not provide written investment directions, the Trustee is instructed to invest funds pursuant to the instructions in the Indenture.

The Trustee and its affiliates may act as sponsor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of the Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to the Indenture. The Trustee shall not be required to determine the suitability or legality of any investments and may conclusively rely on the City's written instructions of the directed investments.

Investments in any and all Funds and Accounts (and subaccounts, if any) may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions therein for transfer to or holding in or to the credit of particular Funds and Accounts (and subaccounts, if any) of amounts received or held by the Trustee thereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts (and subaccounts, if any) to which they are credited and otherwise as provided in the Indenture.

The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee thereunder and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements. The Trustee may conclusively rely on City Certificates that such an investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Against Encumbrances

Other than the Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, the Trust Estate, other than that specified in the Indenture, or upon any other property pledged under the Indenture, except any pledge created for the equal and ratable security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

So long as Bonds Similarly Secured are Outstanding, the City shall not issue any bonds, notes or other evidences of indebtedness secured by any pledge of or other lien or charge on any portion of the Pledged Revenues, the Trust Estate or other property pledged under the Indenture, except that the City may issue Refunding Bonds in accordance with the terms of the Indenture, as provided therein.

Additional Obligations or Other Liens

The City reserves the right to issue Additional Obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on the Trust Estate and are not payable from Pledged Revenues or any portion of the Trust Estate. Additionally, the City has reserved the right to issue bonds or other obligations secured by and payable from Pledged Revenues so long as such pledge is subordinate to the pledge of Pledged Revenues securing payment of the Bonds Similarly Secured.

Other than the Refunding Bonds issued to refund all or a portion of the Bonds Similarly Secured, the City will not create or voluntarily permit to be created any debt, lien or charge on any portion of the Trust Estate, and will not cause or allow any matter or things whereby the lien of the Indenture or the priority hereof might or could be lost or impaired, and further covenants that it will pay or cause to be paid or will make adequate provisions for the satisfaction and discharge of all lawful claims and demands which if unpaid might by law be given precedence over or any equality with the Indenture as a lien or charge upon the Trust Estate; provided, however, that nothing in the Indenture shall require the City to apply, discharge, or make provision for any such lien, charge, claim, or demand so long as the validity thereof shall be contested by it in good faith, unless thereby, in the opinion of Bond Counsel or counsel to the Trustee, the same would endanger the security for the Bonds Similarly Secured.

The City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds Similarly Secured or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State, and in accordance with the conditions set forth below:

- (i) The principal of all Refunding Bonds must (i) be scheduled to be paid, (ii) be subject to mandatory sinking fund redemption or (iii) mature, on September 1 of the years in which such principal (i) is scheduled to be paid, (ii) is subject to mandatory sinking fund redemption or (iii) matures. All Refunding Bonds must bear interest at a fixed rate and any interest payment dates for Refunding Bonds must be March 1 and September 1. The date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of Refunding Bonds shall be set forth in a Supplemental Indenture; and
- (ii) Upon their authorization by the City, the Refunding Bonds of a Series issued under the Indenture shall be issued and shall be delivered to the purchasers or owners thereof, but before, or concurrently with, the delivery of said Refunding Bonds to such purchasers or owners there shall have been filed with the Trustee (1) a copy, certified by the City Secretary of the City, of the ordinance or ordinances of the City authorizing the issuance, sale, execution and delivery of the Refunding Bonds and the execution and delivery of a Supplemental Indenture establishing, among other things, the date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of such Refunding Bonds, and (2) an original executed counterpart of the Supplemental Indenture for such Refunding Bonds.

OVERLAPPING TAXES AND DEBT

The land within Improvement Area #1 of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities. Such taxes and assessments are payable in addition to the Assessments.

Overlapping Taxes

The City, Hays County, Austin Community College District, NE Hays County Emergency Services District No. 2, Hays County Fire Emergency Services District No. 8, the Hays Consolidated Independent School District, the Plum Creek Conservation District and the Plum Creek Groundwater Conservation District each may levy ad valorem taxes upon land in Improvement Area #1 of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or assessments levied by such other taxing authorities. The following tables reflects the overlapping ad valorem tax rates currently levied on property located in Improvement Area #1 of the District and the estimated Annual Installment as a tax rate equivalent in both the growth and the no-grow scenarios.

Overlapping Debt

As noted above, Improvement Area #1 of the District includes territory located in other governmental entities that may issue or incur debt secured by the levy and collection of ad valorem taxes or assessments. Agricultural Valuation

If land is devoted principally to agricultural use, a landowner can apply for an agricultural valuation on the property and pay ad valorem taxes based on the land's agricultural use valuation with respect to its ad valorem taxes. Agricultural use includes production of crops or livestock. It also can include leaving the land idle for a government program or for normal crop or livestock rotation.

If land qualified for an agricultural valuation and the land use changes to a non-agricultural use, "rollback taxes" are assessed for each of the previous three years in which the land received the lower agricultural valuation. The rollback tax is the difference between taxes paid on land's agricultural value and the taxes that the landowner would have paid if the land had been taxed on a higher market value for each year from the date on which taxes would have been due. If the land use changes to a non-agricultural use on only a portion of a larger tract, the landowner can fence off the remaining land and maintain the agricultural valuation on the remaining land. In this scenario, the landowner would only be responsible for rollback taxes on that portion of the land where use changed and not the entire tract.

The land within Improvement Area #1 is no longer entitled to valuation for ad valorem tax purposes based upon its agricultural use. It is expected that rollback taxes in the estimated amount of \$82,428 will be paid by the Developer during development of Improvement Area #1 and prior to the purchase of homes by homeowners.

Homeowners' Association

In addition to the Assessments described above, the Developer anticipates that each lot owner in Improvement Area #1 of the District will pay a maintenance and operation fee and/or a property owner's association fee to a homeowner's association (the "HOA") to be formed by the Developer. The HOA assessments are expected to be \$720 per year.

ASSESSMENT PROCEDURES

General

Capitalized terms under this caption and not otherwise defined in the Limited Offering Memorandum shall have the meaning given to such terms in the Service and Assessment Plan. As required by the PID Act, when the City determines to defray a portion of the costs of the Improvement Area #1 Improvements through Assessments, it must adopt a resolution generally describing the Improvement Area #1 Improvements and the land within Improvement Area #1 of the District to be subject to Assessments to pay the costs therefor. The City has caused an assessment roll to be prepared (the “Assessment Roll”), which Assessment Roll shows the land within Improvement Area #1 of the District to be assessed, the amount of the benefit to and the Assessment against each lot or parcel of land and the number of Annual Installments in which the Assessment is divided. The Assessment Roll was filed with the City Secretary and made available for public inspection. Statutory notice was given to the owners of the property to be assessed and a public hearing was conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Improvement Area #1 Improvements and funding the same with Assessments. The City expects to levy the Assessments and adopt the Assessment Ordinance on May 2, 2023. After adoption of the Assessment Ordinance, the Assessments will become legal, valid and binding liens upon the property against which the Assessments were made.

Under the PID Act, the costs of the Improvement Area #1 Improvements to be defrayed through Assessments may be assessed by the City against the assessable property in Improvement Area #1 of the District so long as the special benefit conferred upon the Assessed Property by the Improvement Area #1 Projects equals or exceeds the Assessments. The costs of the Improvement Area #1 Projects may be assessed using any methodology that results in the imposition of equal shares of cost on Assessed Property similarly benefited. The allocation of benefits and assessments to the benefitted land within Improvement Area #1 of the District is presented in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX C – Form of Service and Assessment Plan.”

Assessment Methodology

The Service and Assessment Plan describes the special benefit to be received by each parcel of assessable property as a result of the Improvement Area #1 Projects, as applicable, provides the basis and justification for the determination that such special benefit exceeds the Assessments being levied, and establishes the methodology by which the City allocates the special benefit of the Improvement Area #1 Projects to parcels in a manner that results in equal shares of costs being apportioned to parcels similarly benefitted.

As described in the Service and Assessment Plan, a portion of the costs of the Improvement Area #1 Projects are being funded with proceeds of the Bonds, which are payable from and secured by Pledged Revenues and other funds comprising the Trust Estate.

Method of Allocation of Assessments. As set forth in the Service and Assessment Plan, the City Council initially allocated the Assessment to the initial parcels in Improvement Area #1 (the “Improvement Area #1 Initial Parcel”). See Exhibit B, Authorized Improvements, and Exhibit E-1, Improvement Area #1 Assessment Roll, to “APPENDIX C – Form of Service and Assessment Plan.”

Method of Reallocation of Assessments. Upon division, the Assessment allocated to the Improvement Area #1 Initial Parcel shall be allocated to the newly created Assessed Property based on the ratio of estimated build out value of each Assessed Property or Lot (upon recorded subdivision plat – estimated average build out value of all newly subdivided Lots with same Lot Type) to the estimated build out value for all parcels or Lots within the prior Parcel.

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The reallocation of an Assessment against a Lot after the Lot has been designated as a homestead under Texas law may not exceed the Assessment against the homestead Lot prior to the reallocation.

True-up of Assessments if Maximum Assessment Exceeded. Prior to the approval of a final subdivision plat, the Administrator will certify that the final plat will not cause the Assessment for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

Mandatory Prepayment of Assessments. If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments, the owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefitted Property, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

Reduction of Assessments. If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for the payment thereof, the Trustee shall apply amounts on deposit in the applicable account of the Project Fund relating to the PID Bonds that are not expected to be used for purposes of the Project Fund, to redeem outstanding PID Bonds, in accordance with the Indenture. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds. The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments. See "APPENDIX C – Form of Service and Assessment Plan."

Assessment Allocation. The following table provides the allocation of Assessments of the Parcel, as of March 31, 2023.

Assessment Allocation

Developer	\$15,401,669.24*	97.16%

Collection and Enforcement of Assessment Amounts

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as regular ad valorem taxes of the City. The Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Assessments incur interest, penalties and attorney's fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See "BONDHOLDERS' RISKS – Assessment Limitations" herein.

The City will covenant in the Indenture to collect, or cause to be collected, Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Annual Collection Costs shall be allocated among all Parcels in proportion to the amount of the Annual Installments for the Parcels.

The City will covenant, agree and warrant in the Indenture that, for so long as any Bonds Similarly Secured are Outstanding, that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of, the City to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any

circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property.

The City will implement the basic timeline and procedures for Assessment collections and pursuit of delinquencies set forth in Exhibit C of the Continuing Disclosure Agreement of the Issuer set forth in APPENDIX E-1 and to comply therewith to the extent that the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Assessments.

The City shall not be required under any circumstances to expend any funds for delinquent collection costs in connection with its covenants and agreements under the Indenture or otherwise other than funds on deposit in the Administrative Fund.

Annual Installments will be paid to the City or its agent. Annual Installments are billed in each year, and become delinquent on February 1 of the following year. In the event Assessments are not timely paid, there are penalties and interest as set forth below:

Date Payment <u>Received</u>	Cumulative <u>Penalty</u>	Cumulative <u>Interest</u>	<u>Total</u>
February	6%	1%	7%
March	7%	2%	9%
April	8%	3%	11%
May	9%	4%	13%
June	10%	5%	15%
July	12%	6%	18%

After July, the penalty remains at 12%, and interest increases at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney's collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition Assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

Assessment Amounts

The maximum amounts of the Assessments have been established by the methodology described in the Service and Assessment Plan. The Assessment Roll sets forth for each year the Annual Installment for each Parcel consisting of payment of (i) principal, (ii) interest, (iii) Annual Collection Costs, and (iv) Additional Interest (relating to Assessments securing the Bonds). The Annual Installments for Improvement Area #1 may not exceed the amounts shown on the Assessment Roll. The Assessments will be levied against the parcels comprising the Assessed Property in Improvement Area #1 as indicated on the Assessment Roll. See "APPENDIX C – Form of Service and Assessment Plan."

The Annual Installments shown on the Assessment Roll will be reduced to equal the actual costs of repaying the Bonds, the Additional Interest and actual Annual Collection Costs (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The Bonds are secured by a first lien on and pledge of the Trust Estate, including the Assessments. See "SECURITY FOR THE BONDS SIMILARLY SECURED" and "APPENDIX C – Form of Service and Assessment Plan."

Prepayment of Assessments

Pursuant to the PID Act and the Indenture, the owner of any property assessed may voluntarily prepay (a “Prepayment”) all or part of any Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time. Upon receipt of such Prepayment, such amounts will be applied towards the redemption or payment of the Bonds. Amounts received at the time of a Prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as payment of the regularly scheduled installment of the Assessments.

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Developer shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City’s approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

Priority of Lien

The Assessments or any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred, constitute a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for the State, county, school district or municipality ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of the Assessment Ordinance until the Assessment is paid, and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City. The owner of any property assessed may pay the entire Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time.

Foreclosure Proceedings

In the event of delinquency in the payment of any Annual Installment, except for unpaid Assessments on homestead property (unless the lien associated with the assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in State district court to foreclose the lien of such delinquent Annual Installment. In such action the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Assessment will be subject to the lien established for remaining unpaid installments of the Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent installments of the Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event there could be an additional delay in payment of the principal of and interest on Bonds or such payment may not be made in full. The City is not required under any circumstance to purchase or make payment for the purchase of the delinquent Assessment on the corresponding Assessed Property.

The City will covenant in the Indenture to take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments, provided that the City is not required to expend any funds for collection and enforcement of Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See “APPENDIX B – Form of Indenture. See also “APPENDIX E-1 –

Form of Disclosure Agreement of the Issuer” for a description of the expected timing of certain events with respect to collection of the delinquent Assessments.

THE CITY

Background

The City is a political subdivision and municipal corporation of the State, duly organized and existing under the laws of the State including the City’s Home Rule Charter, initially adopted by the qualified voters of the City in the year 2000, and as amended in 2006, 2016, 2018 and 2020. The City operates as a home rule municipality under a Council-Manager form of government with a City Council comprised of the Mayor and six Council Members. The City Manager is the chief executive officer for the City.

The City is located in Hays County along Interstate Highway 35. It is located approximately eight (8) miles north of the City of San Marcos, twenty (20) miles south of the City of Austin and sixty (60) miles north of the City of San Antonio. The City covers approximately 31.25 square miles. The City’s 2020 census population was 45,697, and the City has estimated that its 2023 population is approximately 55,600.

The City is a thriving community having easy access to major highway and roadways, including Interstate Highway 35. The City is strategically located eight miles north of San Marcos, 20 miles south of Austin and 60 miles north of San Antonio. The City is the second largest city in Hays County and enjoys a south-central location convenient to most major population and employment centers in the State.

City Government

The City is a political subdivision formed in 1880 and is a home rule municipality of the State, duly organized and existing under the laws of the State. City Council consists of the Mayor and six Council Members who are elected for staggered three-year terms. The City Council formulates operating policy for the City while the City Manager is the chief administration officer. The current members of the City Council and their respective expiration of terms of office, as well as the principal administrators of the City, are noted on page ii. See “APPENDIX A – General Information Regarding the City” for more information.

THE DISTRICT

General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by Resolution No. 1316 of the City adopted on July 5, 2022, in accordance with the PID Act (the “Creation Resolution”) for the purpose of undertaking and financing, the costs of certain public improvements within the District, including the Improvement Area #1 Improvements, authorized by the PID Act and approved by the City Council that confer a special benefit on the portion of the District property being developed. The District is not a separate political subdivision of the State and is governed by the City Council. A map of the property within the District is included on page v hereof.

Powers and Authority of the City

Pursuant to the PID Act, the City may establish and create the District and undertake, or reimburse a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City’s extraterritorial jurisdiction. The PID Act provides that the City may levy and collect the Assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or reimburse a developer for the costs of, the financing, acquisition, construction or improvement of the Improvement Area #1

Improvements. See “THE IMPROVEMENTS” herein. Pursuant to the authority granted by the PID Act and the Creation Resolution, the City has determined to undertake the acquisition (by purchase or otherwise, of real property or contract rights in connection with each improvement), construction and improvement of: water and wastewater facilities, including drainage improvements which expel stormwater runoff from the Property; pond facilities, including landscaping, irrigation, and fencing related thereto; drainage facilities; road/street facilities, including associated right-of-way; park improvements, including playscapes, dog park improvements, and associated structures; landscaping; common area landscaping, irrigation (including meters), and lighting, including design thereof; trails; open space improvements; screening walls; and other common area improvements; as well as payment of expenses incurred in the establishment, administration and operation of the District and the costs of issuance, reserve funds or credit enhancements of any bonds issues by or on behalf of the District. The City has determined to finance a portion of the costs of the Improvement Area #1 Improvements through the issuance of the Bonds, and to provide for the payment of debt service on the Bonds from the Trust Estate. See “ASSESSMENT PROCEDURES” herein and “APPENDIX C – Form of Service and Assessment Plan.”

THE IMPROVEMENTS

General

The current development plan for the District is for the development of the Property into a master planned community consisting of 981 single-family lots, one amenity lot, one commercial lot, one vybe trail extension lot, five detention ponds, and over 70 acres of publicly dedicated privately maintained parkland including over 15,000 feet of concrete/natural trails throughout the development. The Developer intends the Development to be constructed in three improvement areas, consisting of six construction phases as follows: (i) Improvement Area #1 consisting of Phase 1 and Phase 2; (ii) Improvement Area #2 consisting of Phase 3 and Phase 4; and (iii) Improvement Area #3 consisting of Phase 5 and Phase 6.

The Developer will construct certain Authorized Improvements and Privately Financed Improvements (as defined in the Service and Assessment Plan) to serve the District, beginning with the Designated Improvements. The Improvement Area #1 Improvements will be designed and constructed in accordance with City standards and specifications, as modified by the Development Agreement and the PUD Ordinance. The Improvement Area #1 Privately Financed Public Improvements and Privately Financed Improvements will be designed and constructed in accordance with City standards and specifications, as modified by the Development Agreement and the PUD Ordinance and, applicable, the administrative rules of Texas Commission on Environmental Quality (the “TCEQ Rules”), as applicable. See “APPENDIX C – Form of Service and Assessment Plan.”

Improvement Area #1 Improvements

A portion of the Improvement Area #1 Improvements will be funded with the proceeds of the Bonds. The Developer is responsible for the completion of the construction of the Improvement Area #1 Improvements. From the proceeds of the Bonds, the City will either pay directly or will reimburse the Developer for a portion of the project costs actually incurred in developing, designing, and constructing the Improvement Area #1 Improvements within the District. The costs of the Improvement Area #1 Improvements are estimated to equal \$11,846,617. As of March 1, 2023, the Developer has spent approximately \$1,660,000 towards the costs of the Improvement Area #1 Improvements.

Improvement Area #1 Projects

The Improvement Area #1 Projects include the Improvement Area #1 Improvements, Improvement Area #1 Bond Issuance Costs and First Year Annual Collection Costs. The total costs of the Improvement Area #1 Projects is \$16,248,064*, including Bond Issuance Costs and First Year Annual Collection Costs estimated to equal 4,361,446*. The Improvement Area #1 Projects are expected to be financed as follows: (i) proceeds of the Bonds in the amount of

\$15,852,000*; and (ii) a Developer contribution in the approximate amount of \$396,064*. See “SOURCES AND USES OF FUNDS” and “APPENDIX C – Form of Service and Assessment Plan.”

Improvement Area #1 Privately Financed Public Improvements

The Improvement Area #1 Privately Financed Public Improvements will not be funded with the proceeds of the Bonds, but the Developer will be responsible for the completion of the construction of the Improvement Area #1 Privately Financed Public Improvements. The costs of the Improvement Area #1 Privately Financed Public Improvements serving Improvement Area #1 are estimated to equal \$2,193,751. The Improvement Area #1 Privately Financed Public Improvements qualify as Authorized Improvements, and thus, while the Improvement Area #1 Privately Financed Public Improvements will not be financed with the Bonds, they may be financed with future PID Bonds in Future Improvement Areas. As of March 1, 2023, the Developer has spent approximately \$120,000 towards the costs of the Improvement Area #1 Privately Financed Public Improvements.

Privately Financed Improvements

The Privately Financed Improvements will not be funded with the proceeds of the Bonds, but the Developer will be responsible for the completion of the construction of the Privately Financed Improvements. The costs of the Privately Financed Improvements serving Improvement Area #1 are estimated to equal \$1,811,561. As of March 1, 2023, the Developer has spent approximately \$250,000 towards the costs of the Privately Financed Improvements.

THE DEVELOPMENT

Overview

The Development is an approximately 259.02-acre master planned development project located entirely within the City and is located on the east side of the City of Kyle within Hays County, Texas. The property is located along the west side of FM 2001 and extends from the Shadow Creek Subdivision. Access to the site will be provided along FM 2001, Suffield Drive, and Hillside Terrace, with additional entrances through the existing Shadow Creek subdivision and one along Suffield Drive through a future development.

Development Plan

Currently, the Developer intends to develop the Property into a master planned community consisting of 981 single-family lots, one amenity lot, one commercial lot, one vybe trail extension lot, five detention ponds, and over 70 acres of publicly dedicated privately maintained parkland including over 15,000 feet of concrete/natural trails throughout the development. The Developer intends the Development to be constructed in three improvement areas, consisting of six construction phases as follows: (i) Improvement Area #1 consisting of Phase 1 and Phase 2; (ii) Improvement Area #2 consisting of Phase 3 and Phase 4; and (iii) Improvement Area #3 consisting of Phase 5 and Phase 6.

The Developer will construct improvements necessary to complete lot development. Lot development in Improvement Area #1 will consist of construction of: (i) the Improvement Area #1 Improvements, which will benefit the land within Improvement Area #1, will be financed by the City through the District, and will consist of road, roundabout, drainage, parks and landscaping; (ii) the Improvement Area #1 Privately Financed Public Improvements, which will be privately financed improvements, consisting of water improvements; and (iii) the Privately Financed Improvements, which will be privately financed improvements, consisting of wastewater improvements. Upon completion, (i) the Improvement Area #1 Improvements will be owned, operated, and maintained by the City (other than the alleys, parks, common areas, landscaping, and water quality and detention ponds which will be maintained by the HOA); (ii) the Improvement Area #1 Privately Financed Public Improvements will be transferred to and

operated and maintained by Goforth SUD; and (iii) the Privately Financed Improvements will be transferred to and operated and maintained by Windy Hill. The Improvement Area #1 Privately Financed Public Improvements and Privately Financed Improvements are not eligible for reimbursement. In addition to the Improvement Area #1 Improvements, proceeds of the Bonds will also be used to finance the Improvement Area #1 Projects, which include, in addition to the costs of the Improvement Area #1 Improvements, certain costs related to the issuance of the Bonds, including issuance costs, reserve funds, capitalized interest, and costs incidental to the organization and administration of the District.

Lot Purchase Agreement

The Developer executed the Original Agreement, granting MileStone the exclusive right to purchase all single-family residential lots in the Property, effective as of April 27, 2021 (the “Effective Date”). Pursuant to the Lot Purchase Agreement, MileStone is required to acquire lots pursuant to a takedown schedule and must acquire and develop the lots at such times and in such quantities to ensure the Developer’s conformance to its obligations under the terms and conditions of the Development Loan (as defined herein below). Notwithstanding the foregoing, the Lot Purchase Agreement provides a take-down schedule requiring a minimum of 50 lots be taken down within 36 months from the effective date (the “First Takedown Period”), and a “Second Takedown Period” requiring an additional 20 lots be taken down 90 days after the expiration of the First Takedown Period. The take-down schedule then requires an additional 20 lots be taken down every 90 days thereafter until all lots have been taken down.

To purchase lots, MileStone must provide written notice to the Developer and the escrow agent named in the Lot Purchase Agreement specifying the lot or lots to be acquired and the date of closing. Upon the escrow agent’s receipt of closing documents from the Developer and the required Purchase Price (as defined herein below) from MileStone, the escrow agent will immediately disburse to the Developer all applicable payments received from MileStone. The escrow agent will cause the deed(s) to be recorded conveying to MileStone the lots as designated by MileStone strictly in accordance with the provisions of the Lot Purchase Agreement.

The “Purchase Price,” will be determined as of the Effective Date in an amount equal to the following: (1) the “Base Purchase Price” of \$1,150.00 per front foot; (2) the “Lot Escalator” of 2.0%, per annum, which will begin to accrue on the date of the initial closing of any lots under the Lot Purchase Agreement; (3) the “Phase Lot Escalator” in the amount of 6.00%, per annum, which will begin to accrue on the date of the initial closing of lots within each phase, not as to any other phase; (4) the “Impact Fee Reimbursement” equating to a pro-rata portion of all impact fees previously paid by the Developer; and (5) the “PID Reimbursement Credit” equating to a credit in the amount of \$3,550.00 which will reduce the Purchase Price.

In the event of a default by MileStone, the Developer will be entitled to either (i) enforce specific performance of MileStone’s obligations to acquire lots; or (ii) terminate the Lot Purchase Agreement and retain the Deposit (as defined below), and all other amounts paid by MileStone to, or for the benefit of, the Developer pursuant to the Lot Purchase Agreement. In the event of a default by the Developer under the Development Loan, beyond all applicable notice and cure periods set forth therein, upon the written request of the lender, MileStone must attorn to the lender and must pay directly to the lender the Purchase Price and all sums due to Developer under the Lot Purchase Agreement, and the lender will perform all of the Developer’s covenants, conditions and obligations contained in the Lot Purchase Agreement, provided, however, that MileStone will not be so obligated to attorn unless, if MileStone will so request in writing, the lender will execute and deliver to MileStone an instrument wherein such the lender agrees that so long as MileStone performs all of the terms, covenants and conditions of the Lot Purchase Agreement, none of MileStone’s rights contained herein will be disturbed by the lender.

MileStone made a \$979,000 earnest money deposit (the “Deposit”). No portion of the Deposit will be applied toward the Purchase Price until the final lot closing, at which time the full balance of the Deposit will be applied toward the Purchase Price for the applicable lots, and any remaining balance of the Deposit will be returned by the Developer to MileStone via check or wire transfer.

The “First Takedown Period” expires on April 27, 2024. Milestone has begun its initial takedown and expects to take down approximately 50 lots by August of 2023. As of March 31, 2023, Milestone has taken down 12 40’ lots in Phase #1 of Improvement Area #1.

Development Agreement

The City and Developer entered into the Development Agreement, effective May 17, 2022, as amended by the First Amendment to the Porter Country Development Agreement, effective September 6, 2022, establishing certain restrictions and commitments to be imposed and made in connection with the development of the Property. The Development Agreement requires the Developer to: (i) dedicate and convey approximately 70.6 acres to the City to be used as parkland, open space, and public amenities, which will be maintained and operated by a homeowner's association; (ii) construct primary and secondary entry monumentations with other fencing and landscaping improvements; and (iii) manage construction of the Vybe Trail Extension (as defined in the Development Agreement). The Development Agreement further requires the Developer to deposit four hundred thousand dollars (\$400,000.00) on or before three (3) days prior to the closing of bonds issued for Improvement Area #2 with a third-party title company to be held in escrow and used for the payment of a portion of the costs related to the construction of the Vybe Trail Extension. Additionally, the Development Agreement provides that the City and Developer intend that water service to the Property will be provided by Goforth SUD, and sewer service to the Property will be provided by Windy Hill.

The Development Agreement also establishes a maximum overlapping tax rate equivalent, including all taxing entities, of \$3.05 per \$100 of estimated buildout value (the "Maximum Equivalent Tax Rate"), but in no case less than a special assessment tax rate equivalent of \$0.47 per \$100 of estimated buildout value. The estimated buildout value for a lot classification shall be determined by the Administrator using information provided by the Developer and confirmed by the City Council by considering such factors as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, builder contracts, discussions with homebuilders, reports from third party consultants, information provided by the Developer, or any other information that may help determine buildout value.

Financing Agreement

The City and Developer expect to enter into the Financing Agreement, on or about May 2, 2023, which provides, in part, for the issuance of bonds and the deposit of proceeds from the issuance and sale of such bonds, including the Bonds Similarly Secured, for the payment of costs of Authorized Improvements within the District, the reimbursement of costs to the Developer from the proceeds of bonds or assessments for funds advanced by the Developer and used to pay costs of Authorized Improvements, including the Improvement Area #1 Improvements. Additionally, in the Financing Agreement, the Developer agrees to maintain sufficient available funds, in a form acceptable to the City, to finance the costs of Authorized Improvements not funded by the proceeds of bonds or assessment revenues. See "APPENDIX G – Form of Financing Agreement."

Completion Agreement

To ensure the Designated Improvements within Improvement Area #1 are completed, and funding is available to provide for their completion, the Developer and the City expect to enter into the Completion Agreement. Pursuant to the Completion Agreement, the Developer is required to provide the Letter of Credit in the initial amount of \$_____ to the benefit of the City from a lender or financial institution in a form acceptable to the City. The letter of credit will be delivered concurrently with the Completion Agreement and is anticipated to be provided by IBC.

The value of the Letter of Credit may be reduced from time to time upon completion of the Designated Improvements (including segments or sections thereof) to reflect the amount needed to complete the remaining Designated Improvements. The Developer agreed to complete the Designated Improvements on the following schedule, subject to force majeure and the notice and cure provisions provided therein:

(i) The Designated Improvements shall be substantially completed for "Phase #1" of Improvement Area #1 not later than eighteen (18) months from the closing of the Bonds.

(ii) The Designated Improvements shall be substantially completed for "Phase #2" of Improvement Area #1 not later than thirty-six (36) months from the closing of the Bonds.

The Letter of Credit will automatically renew annually and will terminate 15 days after receipt by IBC of written notice from the City that the Designated Improvements have been completed.

The City may submit a “Draw Statement” pursuant to the Letter of Credit to construct the Designated Improvements, if the Designated Improvements are not completed in accordance with the Completion Agreement schedule, subject to force majeure. Prior to submitting a Draw Statement, the City must provide written notice of the Developer’s failure to complete and a reasonable time to cure the alleged failure of not less than 30 days after giving written notice. See “THE DEVELOPMENT – Completion Agreement” and “APPENDIX H – Form of Completion Agreement.”

Status of Lot Construction

Lot construction in Phase 1 of Improvement Area #1 began in August of 2022 and is expected to be completed in March of 2024. Lot construction in Phase 2 of Improvement Area #1 is expected to begin in April of 2024 and is expected to be completed in May of 2025. As of March 1, 2023, the Developer has spent approximately \$1,660,000 towards the costs of the Improvement Area #1 Improvements and approximately, \$120,000 towards the costs of the Improvement Area #1 Privately Financed Public Improvements and \$1,807,000 towards the costs of the Privately Financed Improvements.

⁽¹⁾ Provided by Developer.

⁽²⁾ As of March 31, 2023, MileStone has taken down 12 lots and anticipates taking down additional lots prior to the expected infrastructure completion date.

Zoning/Permitting

The District is currently zoned under the PUD Ordinance adopted by the City Council on June 7, 2022 (the “PUD Ordinance”). The PUD Ordinance allows certain residential and commercial uses and establishes guidelines pertaining to purpose, height, area and setbacks. Because the District lies wholly within the city limits of the City, as partially annexed by the City on May 17, 2022, the City’s zoning and subdivision regulations control the aspects of development not specifically set forth in the PUD Ordinance and the Development Agreement.

Amenities

Pursuant to the PUD Ordinance and Development Agreement, the Developer is to develop a private amenity site with a pool, lawn, lounge, activity areas, shade structures, and restrooms (the “Amenity Center”), as well as landscaping and park improvements in common areas throughout the District, including trails, open lawns, natural areas, seating areas and playscapes. The Amenity Center will be owned and maintained by the HOA, while the other open space and park improvements will be dedicated and conveyed to the City and maintained by the HOA. Construction of the Amenity Center is scheduled to begin in May of 2024 and is expected to be complete in March of 2025, and is anticipated to cost approximately \$1,500,000. Construction of the Amenity Center will be funded by the Developer through its Development Loan.

Schools

The District is located entirely within the Hays Consolidated Independent School District (“Hays CISD”). Hays CISD operates 26 campuses that are located throughout northern Hays County and serves approximately 20,000 students. Such campuses include three comprehensive high schools, six middle schools (6-8 grade), 15 elementary schools, an alternative high school of choice, a disciplinary center and a performing arts center. The Hays CISD schools nearest the District are Ralph Pfluger Elementary School (“Pfluger Elementary”), Dr. T C McCormick Jr. Middle School (“McCormick Middle”), and Jack C Hays High School (“Hays High”). GreatSchools.org rated Pfluger Elementary 8-out-of-10, McCormick Middle as 4-out-of-10, and Hays High 6-out-of-10. According to the Texas Education Agency annual report cards, Pfluger Elementary was rated as “A”, McCormick Middle as “B”, and Hays High as “A”. (The categories for public school districts and public schools are A, B, C, D or F.)

The District is also served by Austin Community College (“ACC”), which is a junior college district located in Central Texas with a total annual enrollment of approximately 70,000 students. It is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees and baccalaureate degrees. ACC’s Hays Campus is located approximately three miles from the District. According to ACC’s website, ACC is currently constructing a First Responder Training Center at the Hays Campus that will offer students emergency training. The Hays Campus also offers law enforcement, corrections, and peace officer tracks, as well as core curriculum designed to be transferred to four-year colleges and universities.

The District is also located approximately ten miles from Texas State University (“Texas State”), a public research university located in the City of San Marcos, Texas. According to its website, Texas State currently has more than 38,000 undergraduate and graduate students and offers over 200 bachelor’s, master’s, and doctoral degree programs.

Environmental

A Phase I Environmental Site Assessment (a “Phase I ESA”) of approximately 320 acres, including the entirety of the District’s boundaries, was completed in May of 2021. The Phase I ESA noted the Property was found to have a low probability for environmental risk related to significant levels of hazardous substances or petroleum products, and further assessment was not warranted at the time of the ESA; however, the following recommendations were made: remove all structures and contents on the Property, properly cap/abandon all water wells, remove all debris, and contact utility companies and pipeline owners prior to commencement of construction. It was later determined that the water wells identified on the Phase I ESA were actually not located on the property, but were located approximately one-half mile outside of the property lines. The Developer has completed all of the other Phase I ESA recommendations.

Development of the property is subject to a variety of environmental rules, including the Edwards Aquifer Rules (Title 30, Chapter 213 of the Texas Administrative Code) of the Texas Commission on Environmental Quality (“TCEQ”), the City’s Water Quality Protection Ordinance, the City’s Conservation Design Ordinance, and the federal Endangered Species Act.

According to the website for the United States Fish and Wildlife Service, the Texas blind salamander, Barton Springs salamander, whooping crane, golden-cheeked warbler, fountain darter, San Marcos gambusia, Texas wild-rice, Comal Springs riffle beetle, and Comal Springs dryopid beetle are endangered species in Hays County, and the San Marcos salamander and the red knot are threatened species in Hays County. No habitats for these endangered or threatened species were identified on the site.

Utilities

Water. To have sufficient water capacity to serve the District and based on the District’s location within the water supply system territory controlled by Goforth SUD, the Developer and Goforth SUD entered into a Non-Standard Water Service Agreement (the “Water Agreement”) wherein Goforth SUD would reserve water supply and water system capacity for the District – beginning with Phase 1, and with the option to amend the Water Agreement to cover each additional phase individually. Goforth SUD contracts with Guadalupe Brazos River Authority (“GBRA”) to meet its water supply needs. Pursuant to the Water Agreement, Goforth SUD is expected to have sufficient capacity to provide water service to the District.

The Water Agreement provides that the Developer will pay Goforth SUD \$654,750 as an impact fee for Phase 1 only to be used to assist in funding capital improvements to Goforth SUD’s system capacity. To secure water service for the lots in the remaining five phases, the Developer has committed to providing Goforth SUD an Irrevocable Letter of Credit (the “Goforth SUD ILOC”), on a phase-by-phase basis, at the time of plat approval for each of the remaining five phases in the amount of \$3,000 per lot for each lot in the platted phase. The Developer will also pay \$3,000 per lot to Goforth SUD at the time, and as a condition of, Goforth SUD’s acceptance for service of the distribution lines constructed for the subject phase, such that the total payment per lot will be \$5,500 per lot, after Goforth SUD also receives a lot owner impact fee of \$2,500 from each individual lot at the time service is initiated to the District. The Goforth SUD ILOC for a particular phase will be retired upon building permit issuance, or Goforth SUD’s acceptance of improvements.

Pursuant to the Water Agreement, the Developer further agrees to contract for, construct, and install all the necessary on-site distribution lines, valves, fire hydrants, and other on-site appurtenances, including but not limited to all water meters necessary to serve Phase 1, prior to receiving water service to all lots in Phase 1. The Developer is further required to contract for, construct and install all necessary off-site water main or lateral extensions needed to connect Goforth SUD's water system to Phase 1, as well as ensure that all water improvements meet all requirements of the TCEQ.

As of March 1, 2023, the Water Agreement has not been amended to cover Phase 2. The Developer anticipates amending the Water Agreement to cover Phase 2, upon commencement of construction of Phase 2 on or about April of 2024.

Wastewater. To provide wastewater services to the District and based on the District's location within the wastewater treatment system territory controlled by Windy Hill, the Developer and Windy Hill entered into the Wastewater Treatment Service Extension Developer Subdivision Nonstandard Service Agreement (the "Wastewater Agreement") wherein Windy Hill agreed to provide wastewater services to the District. The Wastewater Agreement requires the Developer to finance and construct a wastewater collection system within the District that will connect, extend, or both into Windy Hill's wastewater treatment point of service. Upon Developer's completion of each and any phase of the wastewater collection system, and subject to Windy Hill's inspection and final approval the Developer will dedicate and convey the wastewater collection system, together with associated warranties, easements, rights-of-way permits, licenses, or appurtenances to Windy Hill free and clear of all liens, claims, and encumbrances. Following completion and dedication of the wastewater collection system to Windy Hill, Windy Hill agrees to provide continuous and adequate services (as defined in the Wastewater Agreement) to the District.

Other Utilities. The Developer expects additional utilities to be provided by: (1) Phone/Cable/Data – Grande Communications Networks and Charter Communications/Spectrum; (2) Electric – Pedernales Electric Cooperative; and (3) Natural Gas – CenterPoint Energy.

Preliminary Geotechnical Exploration

A Geotechnical Feasibility Evaluation (a "Geotech") covering the District, performed by MLA Geotechnical, Engineer's Job No. 21101107.001, was issued in January of 2022. The Geotech provides recommendations regarding pavement thickness throughout the District, and provides construction considerations regarding ground water and pavement.

Existing Mineral and Groundwater Rights

There are certain mineral rights reservations of one or more prior owners of real property within the District (collectively, the "Mineral Owner"), pursuant to one or more deeds in the chain of title for the property in the District.

The Developers are not aware of any ongoing oil, gas or other mineral rights development or exploration on or adjacent to the property within the District. Certain rules and regulations of the Texas Railroad Commission may restrict the ability of the Mineral Owner to explore or develop the property due to well density, acreage, pooling regulations or location issues.

Although the Developer does not expect the above-described mineral rights, or the exercise of such rights or any other mineral or groundwater rights or related real property rights in or around the District to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay Assessments, the Developer makes no guarantee as to such expectation. See "BONDHOLDERS' RISKS – Exercise of Mineral Rights."

Existing Easement for Pipeline

[Enterprise Texas Pipeline LLC ("Enterprise") holds a certain right of way and easement upon, over, under and through the property within the District (the "Easement"). Enterprise owns and operates a pipeline that is located within the Easement and commonly known as "Line 9034 New Braunfels to Turnersville Road Station" pipeline (the

“Pipeline,” together with any related valves, meters, equipment, and other appurtenances, the “Facilities”) that runs through the property in the District pursuant to the Easement. The Easement is primarily located in areas designated as open space. In order to construct certain roadways within the District, being Marsh Lane and Shadow Creek Boulevard, (the “Encroachment”) over and across the Pipeline, the Developer and Enterprise entered into an encroachment agreement (the “Encroachment Agreement”). The Encroachment Agreement provides construction parameters, including the presence of a representative of Enterprise during construction activities, and requires the Developer to maintain a minimum cover between the top of the Pipeline and the top of respective road surfaces. The Developer is responsible for any costs relating to Enterprise’s operation of the Facilities or the Easement incurred by Enterprise due to the Encroachment. If the Developer breaches any term of the Encroachment Agreement, Enterprise, at its option, may terminate the Encroachment Agreement upon 20 days written notice to the Developer. In the event of termination, the Developer is required to remove all Encroachment situated on the Easement at Developer’s expense. The terms, covenants and conditions of the Encroachment Agreement constitute covenants running with the land and are binding upon an inure to the benefit of Enterprise and the Developer, their successors and assigns.] *[The Encroachment Agreement is still under discussion between the Developer and City regarding assignment and enforceability]*

THE DEVELOPER

General

In general, the activities of a developer in a development such as the District include purchasing the land, designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of the revenue bonds, such as the Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to develop the property which it owns in a development. Furthermore, there is no restriction on the developer's right to sell any or all of the land which the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development. See “BONDHOLDERS’ RISKS – Dependence Upon Developer.”

Description of the Developer

The Developer was created by MileStone for the purpose of acquiring, developing and ultimately conveying lots in the District to MileStone, as the sole homebuilder in the District, as described under the caption “THE DEVELOPMENT.” The Developer is a nominally capitalized Texas corporation, the primary assets of which are (1) unsold property within the District, and (2) proceeds from the sale of lots within the District. The Developer will have no source of funds with which to pay Assessments or taxes levied by the City or any other taxing entity other than funds resulting from the sale of property within the District or funds advanced to the Developer by its members or an affiliated party. The Developer’s ability to make full and timely payments of Assessments or taxes will directly affect the City’s ability to meet its obligation to make payments on the Bonds. For additional information, see “BONDHOLDERS’ RISKS – Dependence Upon Developer” herein.

History and Financing of the District

Summary of At-Risk Entities and Investments in the District Subordinate to the Assessment Lien. To finance the acquisition of land and the development of the District, the Developer and certain third parties, including Pioneer Bank, SSB, a Texas savings bank (“Pioneer Bank”) and Sunflower Bank, N.A., a national banking association, formerly known as Pioneer Bank (“Sunflower Bank”), have expended, or will expend, equity or extended promissory notes that are secured by a lien on some or all of the real property within the District, including Improvement Area #1, that are subordinate to the lien associated with the Assessments securing the Bonds.

⁽³⁾ The initial amount reflects the credit available. As of March 31, 2023, the only amounts drawn on Note 4 was \$7,764,995 to renew, extend, and rearrange, but not extinguish, the unpaid balance of Note 1, Note 2, and Note 3 (each as defined below).

The Property Acquisition. Through a series of purchases, contributions, and assignments, as described below, Developer acquired the Property to be developed into the District.

On August 6, 2018, Rio Oso Holdings, LLC, a Texas limited liability company (“Rio Oso Holdings”) acquired 82.951 acres via general warranty deed (the “82 Acres”). On March 5, 2021, Chase Equities, Inc., a Texas corporation (“Chase”) entered into a Contribution Agreement (and such amendment thereto, are collectively referred to herein as the “Contribution Agreement”) with the Developer, wherein Chase agreed to contribute 163.935 acres to the Developer (the “163 Acres”). Chase and the Developer agreed that that the Contribution Agreement would be treated as a capital contribution of property by Chase to the Developer in exchange for ownership interests of Developer. On or about April 22, 2021, Chase assigned its rights under the Contribution Agreement to Sterling Equities, Inc., a Texas corporation (“Sterling”) (the “Assignment of Contribution Agreement”), and on April 22, 2021, Sterling conveyed the 163 Acres to the Developer via special warranty deed. On August 2, 2021, GJG Development II, LLC, a Texas limited liability corporation (“GJG Development”) entered into an agreement for purchase and sale of real property (and such amendment thereto, are collectively referred to herein as the “GJG Purchase Agreement”) to sell 12.088 acres (the “12 Acres”) of real property to Sterling. On October 18, 2021, Sterling conveyed the 12 Acres to the Developer via special warranty deed. On November 8, 2021, Rio Oso Holdings agreed to sell the 82 Acres to MileStone via the “Rio Oso Agreement of Sale and Purchase.” On December 17, 2021, MileStone assigned its rights under the Rio Oso Agreement of Sale and Purchase to the Developer, its affiliate, and Rio Oso Holdings subsequently conveyed the 82 Acres to the Developer.

Acquisition and Development Financing. To finance a portion of the land costs and the initial costs of developing the District, MileStone entered into a development loan agreement with Pioneer Bank (the “Development Loan Agreement”), effective September 4, 2018, as amended, on four occasions, and most recently on December 20, 2021, for a development loan in an amount not to exceed \$25,000,000 (as amended, the “Development Loan”). On March 29, 2023, the Development Loan Agreement was further amended by letter agreement. Subject to the terms and conditions of the Development Loan Agreement, Pioneer agreed to make a loan to MileStone, or any “Corporate Affiliates” as defined in the Development Loan Agreement, of MileStone, which includes the Developer. The Development Loan is secured by deeds of trust in favor of Sunflower Bank, as successor in interest to Pioneer Bank, which cover the 82 acres, 163 acres, and 12 acres, as described below, within the District.

On October 29, 2021, Pioneer Bank made an advance, as evidenced by a promissory note in the amount of \$3,608,315.21 (“Note 1”), to the Developer, in accordance with the terms of the Development Loan Agreement. Note 1 is secured by a deed of trust executed, effective October 29, 2021, by the Developer and lien on the 163 Acres and the 12 Acres. Then, on December 20, 2021, Pioneer Bank made an advance, as evidenced by a promissory note in the amount of \$3,700,000.00 (“Note 2”), to the Developer, in accordance with the terms of the Development Loan Agreement. Note 2 is secured by (i) a deed of trust executed, effective December 20, 2021, by the Developer and lien on the 82 Acres and (ii) a second deed of trust executed, effective December 20, 2021, by the Developer and lien on the 163 Acres and the 12 Acres. On April 27, 2022, Sunflower Bank, formerly known as Pioneer Bank, made an advance, as evidence by a promissory note in the amount of \$975,191.00 (“Note 3”), to the Developer, in accordance with the terms of the Development Loan Agreement. Note 3 is secured by a deed of trust executed, effective as of April 27, 2021, by the Developer, and lien on the 82 Acres, 163 Acres, and 12 Acres.

On March 29, 2023, Sunflower Bank (the “Lender”) made an advance, as evidenced by a promissory note in the amount of \$17,585,100.00 (“Note 4”), to the Developer, in accordance with the terms of the Development Loan Agreement. A portion of the proceeds of Note 4 were used to renew, extend, and rearrange, but not extinguish, the unpaid balance of Note 1, Note 2, and Note 3, and the remaining portion of Note 4 may be advanced to the Developer to be used in the development of the District. Note 4 is secured by a deed of trust executed, effective March 29, 2023, by the Developer and lien on the 82 Acres, 163 Acres, and 12 Acres. The repayment of Note 4 is also guaranteed by MileStone.

Amounts advanced under the Development Loan, the repayment of which is evidenced by Note 4, accrue interest at a rate equal per annum equal to the lesser of (i) Prime Rate or (ii) the Maximum Lawful Rate; provided, however, the interest rate on the notes will never be less than 3.75%.

As of March 31, 2023, the Developer owed approximately \$7,764,995 on the Development Loan. Note 4 is scheduled to mature on December 31, 2024, with quarterly payments to be made. Developer intends to repay Note 4 from, among other things, the revenue generated from the sale of the single-family lots developed in the District to MileStone. In the event of a default under the Development Loan by Developer, Sunflower Bank will have the right to various remedies, including foreclosure of the deeds of trust.

Completion Agreement for Improvements. The Developer and the City expect to enter into the Completion Agreement and the related Letter of Credit relating to funding the costs of and completing the construction of the Designated Improvements. See “THE DEVELOPMENT – Completion Agreement” and “APPENDIX H – Form of Completion Agreement.”

Vertical Construction. MileStone has a revolving vertical construction line with IBC. When MileStone purchases lots from the Developer, IBC will take a lien on the lots that MileStone owns.

The PID Act provides that the Assessment Lien is a first and prior lien against the assessed property within the District and is superior to all other liens and claims except liens or claims for State, county, school district, or municipality ad valorem taxes. At or prior to delivery of the Bonds, Lender, as successor in interest to Pioneer Bank, has agreed to consent to and acknowledge the creation of the District, the levy of the Assessments and the subordination of the liens securing the Development Loan to the Assessment Lien on property within the District securing payment of the Assessments. As a result, the lien on the property within the District securing the Assessments will have priority over the lien on the property within the District securing the Development Loan.

APPRAISAL

Improvement Area #1 Appraisal

General. Barletta & Associates, Inc. (the "Appraiser"), prepared an appraisal report for the City dated February 28, 2023, based upon a physical inspection of the District conducted on September 7, 2022 (the "Appraisal"). The prospective date of completion utilized for the Appraisal for Phase 1 is November 1, 2023, and for Phase 2 is May 1, 2025. This delay could impact the prospective bulk market value at completion, as noted below. The Appraisal was prepared at the request of the City and is addressed solely to the Underwriter for use in preparing an estimated value of property in connection with the issuance of the Bonds. The estimates of value presented in the Appraisal are no indication of the appraised property's actual market value. Investors should not assume that the disposition of the lots in the District in the event of default would provide sufficient funds to pay the principal of Bonds outstanding at that time. The Appraisal does not constitute a recommendation to any person to purchase or sell the Bonds. The description herein of the Appraisal is intended to be a brief summary only of the Appraisal as it relates to the District. The Appraisal is attached hereto as APPENDIX I and should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions, hypothetical conditions and qualifications, which are set forth therein. See "APPENDIX I – Appraisal" and "BONDHOLDERS' RISKS – Use of Appraisal."

Value Estimates. The Appraiser estimated the market value of the fee simple interest in the land comprising Improvement Area #1 of the District by gathering comparable market data and conducting a study of the market area for the purpose of providing the Appraiser's opinion of the "Upon Completion" market value of the 254 proposed lots in Phase 1 and the 155 proposed lots in Phase 2 of Improvement Area #1 of the District.

The sales comparison approach was used to conclude the market values of the bulk and retail revenue of the existing and proposed residential lots. An income approach retail sell-out technique was then employed to derive the indicated "upon completion" bulk market values of the proposed lots in Improvement Area #1 of the District. The Appraisal contains a number of assumptions, including that the marketing plan for Improvement Area #1 of the

District is for new homes with a price-point range of approximately \$420,000 (40' lots) up to \$508,000 (50' lots), and built by production homebuilder, MileStone, or comparable homebuilders. See "APPENDIX I – Appraisal."

The value estimate for the assessable property within Improvement Area #1 of the District using the methodologies described in the Appraisal and subject to the limiting conditions and assumptions set forth in the Appraisal, is \$13,825,000 for Phase 1, based on a prospective effective date of November 1, 2023, and \$8,180,000 for Phase 2, based on a prospective effective date of May 1, 2025.

None of the City, the Developer or the Underwriter makes any representation as to the accuracy, completeness, assumptions or information contained in the Appraisal. The assumptions or qualifications with respect to the Appraisal are contained therein. There can be no assurance that any such assumptions will be realized, and the City, the Developer and the Underwriter make no representation as to the reasonableness of such assumptions.

BONDHOLDERS' RISKS

Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

General

The ability of the City to pay debt service on the Bonds as due is subject to various factors that are beyond the City's control. These factors include, among others, (a) the ability or willingness of property owners within the District to pay Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within Improvement Area #1 of the District, (c) general and local economic conditions that may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (d) general economic conditions which may impact the general ability to market and sell the lots within the District, it being understood that poor economic conditions within the City, State and region may slow the assumed pace of sales of such lots.

The rate of development of the property in the District is directly related to the vitality of the residential housing industry. In the event that the sale of the lands within the District should proceed more slowly than expected and the Developer is unable to pay the Assessments, only the value of the lands, with improvements, will be available for payment of the debt service on the Bonds, and such value can only be realized through the foreclosure or expeditious liquidation of the lands within Improvement Area #1 of the District. There is no assurance that the value of such lands will be sufficient for that purpose and the expeditious liquidation of real property through foreclosure or

similar means is generally considered to yield sales proceeds in a lesser sum than might otherwise be received through the orderly marketing of such real property.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the City or the City's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

The City has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

Deemed Representations and Acknowledgment by Purchasers

Each purchaser of Bonds (each a "Purchaser") will be deemed to have acknowledged and represented to the City the matters set forth under the heading "LIMITATIONS APPLICABLE TO INITIAL PURCHASERS" which include among others a representation and acknowledgment that the purchase of the Bonds involves investment risks, certain of which are set forth under this heading "BONDHOLDERS' RISKS" and elsewhere herein, and such purchaser, either alone or with its purchaser representative(s) (as defined in Rule 501(h) of Regulation D under the Securities Act), has sophisticated knowledge and experience in financial and business matters and the capacity to evaluate such risks in making an informed investment decision to purchase the Bonds, and the purchaser can afford a complete loss of its investment in the Bonds.

Assessment Limitations

Annual Installments of Assessments are billed to property owners in Improvement Area #1 of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as set forth under "ASSESSMENT PROCEDURES" herein. Additionally, Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of Bonds maturing in each year, Annual Collection Costs, and the Additional Interest. See "ASSESSMENT PROCEDURES" herein. The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of Assessment payments in the future.

In order to pay debt service on the Bonds, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in the District, the City has established a Reserve Account in the Reserve Fund, to be funded from the proceeds of the Bonds, to cover delinquencies. The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Reserve Account and delay in payments of debt service on the Bonds. See "BONDHOLDERS' RISKS – Remedies and Bankruptcy" herein.

Upon an ad valorem tax lien foreclosure event of a property within Improvement Area #1 of the District, any Assessment that is also delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Assessments, the liens securing such delinquent ad valorem taxes and delinquent Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, § 372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code § 372.018(d) supports this position, stating that an Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. It is unclear under State law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under State law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights had been claimed. Furthermore, the Developer and MileStone are not eligible to claim homestead rights and represent that they own all property within Improvement Area #1 of the District as of the date of the Assessment Ordinance. Consequently, there are and can be no homestead rights on the Assessed Property superior to the Assessment Lien and, therefore, the Assessment Liens may be foreclosed upon by the City.

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds.

THE ASSESSMENTS CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE PROPERTY ASSESSED, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT OR MUNICIPALITY AD VALOREM TAXES AND IS A PERSONAL OBLIGATION OF AND CHARGE AGAINST THE OWNERS OF PROPERTY LOCATED WITHIN IMPROVEMENT AREA #1 OF THE DISTRICT.

Adverse Developments Affecting the Financial Services Industry

Actual events involving limited liquidity, defaults, non-performance or other adverse developments that affect financial institutions, transactional counterparties or other companies in the financial services industry or the financial services industry generally, or concerns or rumors about any events of these kinds or other similar risks, have in the past and may in the future lead to market-wide liquidity problems. For example, on March 10, 2023, Silicon Valley Bank, or SVB, was closed by the California Department of Financial Protection and Innovation, which appointed the Federal Deposit Insurance Corporation, or the FDIC, as receiver. Similarly, on March 12, 2023, Signature Bank and Silvergate Capital Corp. were each swept into receivership. Recently, troubled First Republic Bank received a \$30 billion rescue pack from 11 of the biggest U.S. banks in an effort to prevent its collapse and UBS has agreed acquire the troubled Credit Suisse. Although a statement by the Department of the Treasury, the Federal Reserve and the FDIC stated that all depositors of SVB would have access to all of their money after only one business day of closure, including funds held in uninsured deposit accounts, borrowers under credit agreements, letters of credit and certain other financial instruments with SVB, Signature Bank or any other financial institution that is placed into receivership by the FDIC may be unable to access undrawn amounts thereunder.

If the Developer is unable to access funds pursuant the Development Loan Agreement with the Lender, the Developer’s ability to finance the costs of the improvements, or to enter into new commercial lending arrangements to complete the Development, could be adversely affected. If MileStone is unable to access funds under its revolving vertical construction line with IBC or other financial instrument, MileStone’s ability take down lots and complete homes could be adversely affected. Additionally, confidence in the safety and soundness of regional banks specifically or the banking system generally could impact where customers choose to maintain deposits, which could materially adversely impact the Developer and MileStone’s liquidity and access loan funding capacity and results in impact to operations. Similar impacts to the development industry have occurred in the past, such as during the 2008-2010 financial crisis.

Infectious Disease Outbreak

In March 2020, the World Health Organization and the President of the United States separately declared the outbreak of a respiratory disease caused by a novel coronavirus (“COVID-19”) to be a public health emergency (the “Pandemic”). On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States. On March 13, 2020, the President of the United States declared the Pandemic a national emergency and the Governor of Texas (the “Governor”) declared a state of disaster for all counties in the State in response to the Pandemic. Under State law, the proclamation of a state of disaster by the Governor may not continue for more than 30 days unless renewed. The Governor had historically renewed his declaration monthly, most recently on February 14, 2023; however, the Governor has not renewed this declaration as of March 16, 2023 and therefore it has expired by operation of law.

There are currently no COVID-19 related operating limits imposed by executive order of the Governor for any business or other establishment in the State. The Governor retains the right to impose additional restrictions on activities if needed in order to mitigate the effects of COVID-19. The City has not experienced any decrease in property values or unusual tax delinquencies as a result of COVID-19; however, the City, the Financial Advisor, the Underwriter or the Developer cannot predict the long-term economic effect of COVID-19 or a similar virus, the financial and operating condition of the Developer, the projected buildout schedule, home prices and buildout values or an investment in the Bonds, should there be a reversal of economic activity or re-imposition of restrictions.

Risk from Weather Events

All of the State, including the City, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, flooding, heavy rains and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City, including land within the District.

In the event of a severe natural disaster, there may be significant damage to both property and infrastructure in the District. As a result, a substantial portion of the property owners may be unable or unwilling to pay the Assessments when due. In addition, the value of land in the District could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Assessments.

General Risks of Real Estate Investment and Development

The Developer has the right to modify or change its plan for development of the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No defined “true-up” agreement has been entered into between the City and the Developer, nor is there a requirement that future Developer enter into such an agreement. There can be no assurance, in the event the Developer or a subsequent developer modifies or changes its plan for development that the necessary revisions to the Service and Assessment Plan will be made. Nor can there be an assurance that the eventual assessment burden on the property will be marketable.

The ability of the Developer and MileStone to develop lots and sell single-family residential homes within the District may be affected by unforeseen changes in the general economic conditions, fluctuations in the real estate market and other factors beyond the control of the owner of the single-family residential lots. In the event that a large number of single-family projects are constructed outside of the District, and compete with the Development, the demand for residential housing within the District could be reduced, thereby adversely affecting the continued development of the Development, or its attraction to businesses and residents.

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. The Development will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the Development, as well as the operating revenues of

the Developer, including those derived from the Development, are not within the control of the Developer. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer.

The Development cannot be completed without the Developer obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of each phase of the Development and to allow the occupancy of residences and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developer.

A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. The timely payment of the Bonds depends on the willingness and ability of the Developer, MileStone, and any subsequent owners to pay the Assessments when due. Any or all of the foregoing could reduce the willingness and ability of such owners to pay the Assessments and could greatly reduce the value of the property within the District in the event such property has to be foreclosed. If Annual Installments of Assessments are not timely paid and there are insufficient funds in the accounts of the Reserve Fund, a nonpayment could result in a payment default under the Indenture.

Competition; Real Estate Market

The successful development of the land within Improvement Area #1 of the District, the success of the District, and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change their plans for development of the land within Improvement Area #1 of the District from time to time, including, without limitation, land use changes, changes in overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No prediction can be made about the state of the real estate market in the future or the availability of financing for potential home buyers.

Contracts that the Developer may have with individual homebuilders are subject to a myriad of contractual conditions and contingencies, all or some of which if not complied with, could precipitate a termination or winding up of such contractual arrangement for the sale of lots, causing the Developer to possibly need to execute a different strategy for the development and sale of lots and residential units within Improvement Area #1 of the District. As described herein, the Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of the Assessments and the recourse for the failure of the Developer or any other landowner to pay the Assessments is limited to the collection proceedings against the land as described herein.

The housing industry in the central Texas area is very competitive, and none of the Developer, the City, the City's Financial Advisor or the Underwriter can give any assurance that the building programs that are planned throughout the District will ever commence or be completed in accordance with the Developer's expectations. The competitive position of the Developer in the sale of developed lots or of any other homebuilder in the construction and sale of single-family residential units is affected by most of the factors discussed in this subsection, and such competitive position is directly related to maintenance of market values in the District. For competing projects in the area, see "Sales Comparison Approach – Builder Takedown Lot Sales Valuation" and "Builder Lot Takedown Analyses" in Exhibit I – The Appraisal.

There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise become able to compete with the Development.

Risks Related to the Current Residential Real Estate Market

Downturns in the real estate market and other factors beyond the control of the Developer, including general economic conditions, may impact the timing of parcel lot and home sales within the District. No assurances can be given that projected home prices and buildout values presented in this Limited Offering Memorandum will be realized.

Risks Related to Recent Increase in Costs and Low Supply of Building Materials

As a result of the Pandemic, low supply and high demand, and the ongoing trade war, there have been substantial increases in the cost of lumber and other materials, causing many homebuilders and general contractors to experience budget overruns. The Developer is responsible for the construction of the Improvement Area #1 Improvements. The Developer expects to finance a portion of the costs of the Improvement Area #1 Improvements from proceeds of the Bonds. If the Actual Costs of the Improvement Area #1 Improvements are substantially greater than the estimated costs or if the Developer is unable to access building materials in a timely manner, it may affect the ability of the Developer to complete the Improvement Area #1 Improvements or pay the Assessments when due. If the costs of material continue to increase, it may affect the ability of the homebuilders to construct homes within the District. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the District.

Failure or Inability to Complete Proposed Development

Proposed development within the District (including the foregoing) may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, unexpected increases in development costs and other similar factors as well as availability of utilities and the development or existence of environmental concerns with such land. See “Availability of Utilities” and “Hazardous Substances” below. Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. (Any approvals needed in the future for the Development must come from the City.) There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development. A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. THE TIMELY PAYMENT OF THE BONDS DEPENDS UPON THE WILLINGNESS AND ABILITY OF THE DEVELOPER AND ANY SUBSEQUENT OWNERS TO PAY THE ASSESSMENTS WHEN DUE. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF SUCH OWNERS TO PAY THE ASSESSMENTS AND COULD GREATLY REDUCE THE VALUE OF PROPERTY WITHIN IMPROVEMENT AREA #1 OF THE DISTRICT IN THE EVENT SUCH PROPERTY HAS TO BE FORECLOSED. In that event, there could be a default in the payment of the Bonds.

Completion of Homes

The cost and time for completion of homes by the Developer is uncertain and may be affected by changes in national, regional, and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes yet to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer.

Absorption Rate and Estimated Pricing

There can be no assurance that the Developer will be able to achieve their anticipated absorption rates and estimated pricing. Failure to achieve the absorption rate or pricing estimates will adversely affect the estimated value of the Development, could impair the economic viability of the Development and could reduce the ability or desire of property owners to pay the Assessments.

Completion of Improvements

The construction of the Designated Improvements that are necessary for the successful development of the Development are not yet complete. The cost and time for completion of all of such improvements is uncertain and may be affected by changes in national, regional, and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer. If cost overruns result in delay of construction, or if other delays are experienced, the Developer may be unable to complete timely all of such necessary improvements.

Additionally, to ensure the completion of the Designated Improvements, the City and the Developer expects to enter into the Completion Agreement, pursuant to which the Developer commits to complete such improvements. However, if the Designated Improvements are not completed in accordance with the Completion Agreement schedule, subject to force majeure, the City may draw on the Letter of Credit to complete the Designated Improvements. See “THE DEVELOPMENT – Completion Agreement” and “APPENDIX H – Form of Completion Agreement.”

Loss of Tax Exemption

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption “TAX MATTERS” herein, interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date the Bonds were issued, as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

Bankruptcy

The payment of Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Assessments to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds, and the possibility that delinquent Assessments might not be paid in full.

Direct and Overlapping Indebtedness, Assessments and Taxes

The ability of an owner of property within the District to pay the Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the District. The imposition of additional liens, or for private financing, may reduce the ability or willingness of the Developer to pay the Assessments. See “OVERLAPPING TAXES AND DEBT.”

Depletion of Reserve Fund

Failure of the owners of property within the District to pay the Assessments when due could result in the rapid, total depletion of the accounts in the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds if sufficient amounts are not available in the Reserve Fund. The Indenture provides that if, after a withdrawal from the Reserve Fund, the amount in the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer an amount from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund sufficient to cure such deficiency, as described under “SECURITY FOR THE BONDS – Reserve Account of the Reserve Fund” herein.

Hazardous Substances

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in the District be affected by a hazardous substance, the marketability and value of parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within the District does not take into account the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. The City has not independently verified, and is not aware, that the owner (or operator) of any of the parcels within the District has such a current liability with respect to such parcel; however, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel that is realizable upon a delinquency. See “THE DEVELOPMENT – Environmental” for discussion of previous Phase I ESA performed on property within the District.

Regulation

Development within the District may be subject to future federal, State and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development in the District and property values.

Recent Changes in State Law Regarding Public Improvement Districts

The 87th Legislature passed House Bill 1543, which became effective September 1, 2021, and requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract of purchase and sale. If the Developer or MileStone do not provide the required notice and prospective purchasers of property within the District terminate a purchase and sale contract, the anticipated absorption schedule may be affected. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney's fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney's fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Assessments on such property should be paid. On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. Further, if the Developer or MileStone do not provide the required notice and become liable for monetary damages, the anticipated buildout and absorption schedule may be affected. No assurances can be given that the projected buildout and absorption schedules presented in this Limited Offering Memorandum will be realized. The forms of notice to be provided to homebuyers are attached to the Service and Assessment Plan. See "Appendix C – Form of Service and Assessment Plan.

Potential Future Changes in State Law Regarding Public Improvement Districts

The 87th Legislative Session of the State ended on May 31, 2021, without any legislation being passed by either chamber of the 87th Legislature recommending oversight of bonds secured by assessments. The Governor called three special legislative sessions, which all concluded without any legislation being introduced or passed related to the oversight of bonds secured by assessments. The 88th Legislative Session of the State began on January 10, 2023, and is scheduled through May 29, 2023, pending any special legislative sessions. It is impossible to predict what bills may be introduced during upcoming legislative sessions and, if passed, the impact that any future legislation will or may have on the security for the Bonds.

Flood Plain

Certain portions of the Property are currently located within an official FEMA 100-year flood plain. Per the Developer, all land located within an official FEMA 100-year flood plain will be used as parkland, with the exception of three lots in Phase 3, one Lot in Phase 5, and one lot in Phase 6, which are intended to be removed from such flood plain by a Conditional Letter of Map Revision or Letter of Map Revision as the Development progresses. The City cannot predict whether or when another such flooding event will occur, and if so, whether the Development would be negatively impacted by such an event.

Exercise of Mineral and Groundwater Rights

The Developer does not expect the existence or exercise of any mineral or and groundwater rights or related real property rights in or around the District to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay Assessments. However, none of the City, the Financial Advisor or the Underwriter provide any assurances as to such Developer's expectations.

Bondholders' Remedies and Bankruptcy

Upon the happening and continuance of any of the Events of Default described in the Indenture, the Trustee may, and at the written direction of the Owners of a Quarter in Interest of the Bonds and its receipt of indemnity satisfactory to it shall, proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction;

provided, however, that any action for money damages against the City shall be limited in recovery to the assets of the Trust Estate, including the Pledged Revenues.

The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City's obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Owners of the Bonds cannot themselves foreclose on property within the District or sell property within the District in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See "BONDHOLDERS' RISKS – Bankruptcy Limitation to Bondholders' Rights" herein.

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) ("*Tooke*") that a waiver of sovereign immunity must be provided for by statute in "clear and unambiguous" language. In so ruling, the Court declared that statutory language such as "sue and be sued", in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the "Local Government Immunity Waiver Act"), which, according to the Court, waives "immunity from suit for contract claims against most local governmental entities in certain circumstances." The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

In *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) ("*Wasson*"), the Texas Supreme Court (the "Court") addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that "a city's proprietary functions are not done pursuant to the 'will of the people'" and protecting such municipalities "via the [S]tate's immunity is not an efficient way to ensure efficient allocation of [S]tate resources." While the Court recognized that the distinction between governmental and proprietary functions is not clear, the *Wasson* opinion held that the Proprietary-Governmental Dichotomy applies in a contract-claims context. The Court reviewed *Wasson* for a second time and issued an opinion on October 5, 2018 clarifying that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function was proprietary or governmental based upon the statutory and common law guidance at the time of inception of the contractual relationship. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under authority or for the benefit of the State; these are usually activities that can be, and often are, provided by private persons, and therefore are not done as a branch of the State, and do not implicate the State's immunity since they are not performed under the authority, or for the benefit, of the State as sovereign. Notwithstanding the foregoing new case law issued by the Court, such sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgement, is justiciable against a municipality.

The City is not aware of any State court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign

immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in Tooke, and it is unclear whether Tooke will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by State courts. In general, State courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. State courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally-imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

Judicial Foreclosures

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property; the proceeds of any sale of property within the District available to pay debt service on the Bonds may be limited by the existence of other tax liens on the property. (See “OVERLAPPING TAXES AND DEBT” herein.) Collection of delinquent taxes, assessments and the Assessments may be adversely affected by the effects of market conditions on the foreclosure sale price, and by other factors, including taxpayers’ right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

No Acceleration

The Indenture does not contain a provision allowing for the acceleration of the Bonds in any event, including in the event of a payment default or other default under the terms of the Bonds or the Indenture.

Limited Secondary Market for the Bonds

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event an Owner thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Owners of the Bonds, depending on the progress of development of the District subject to the Assessments, existing real estate and financial market conditions and other factors.

No Credit Rating

The City has not applied for or received a rating on the Bonds. Even if a credit rating had been sought for the Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

Bankruptcy Limitation to Bondholders' Rights

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under State law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946. The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Federal Bankruptcy Code, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Federal Bankruptcy Code, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under State law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the City's debt.

Tax-Exempt Status of the Bonds

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption "TAX MATTERS," interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Bonds were issued as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

As further described in "TAX MATTERS" below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the "Code") and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. In the past, the IRS has announced audit efforts focused in part on "developer-driven bond transactions," including certain tax increment financings and certain assessment bond transactions. It cannot be predicted if this IRS focus could lead to an audit of the Bonds or what the result would be of any such audit. If an audit of the Bonds is commenced, under current procedures parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Bonds. Finally, if the IRS ultimately determines that the interest on the Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not have the resources to settle with the IRS, the Bonds are not required to be redeemed, and the interest rate on the Bonds will not increase.

Management and Ownership

The management and ownership of the Developer and related property owners could change in the future. Purchasers of the Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new developer or new officers in management positions may not have comparable experience in projects comparable to the Development.

Availability of Utilities

General. Pursuant to the Water Agreement, Goforth SUD has agreed to reserve water supply and water system capacity for the District. Goforth SUD receives water from GBRA. The progress of development within the District is dependent upon Goforth SUD receiving an adequate supply of water. If Goforth SUD cannot timely or fails to supply water to the property in the District, the development of the land in the District could be adversely affected. Similarly, pursuant to the Wastewater Agreement, Windy Hill has agreed to provide wastewater services to the District. The progress of development within the District is dependent upon Windy Hill providing adequate wastewater services to the District. If Windy Hill cannot timely or fails to supply wastewater services to the property in the District, the development of the land in the District could be adversely affected. The City has no control over Goforth SUD or Windy Hill or their ability to provide adequate water and wastewater services, respectively, to the District.

Portions of the State, including the City and its surrounding area, are experiencing significant growth, which has produced and is expected to continue to produce a growing demand for water and wastewater service. The ability of Goforth SUD to provide an adequate supply of water and the ability of Windy Hill to provide sufficient capacity for the treatment of wastewater is dependent on many factors, including, but not limited to, supply and demand of materials to complete necessary water and wastewater improvements, compliance with the TCEQ regulations, the effects of extreme weather events on such entities' water and wastewater systems, and the construction of developments competing with the District. See "THE DEVELOPMENT – Utilities," "BONDHOLDERS' RISKS – General Risks of Real Estate Investment and Development" "– Risks Related to Recent Increase in Costs of Building Materials," "– Competition," "– Regulation," and "– Risk from Weather Events."

None of the City, the Financial Advisor, the Underwriter, or the Developer can predict the impact that such growing demand may have on the City, the District, the projected buildout schedule, availability of water and wastewater service to the District or an investment in the Bonds.

Availability of Water. The State is currently experiencing a drought due to significantly low rainfall. The continuation of the drought may affect the ability of Goforth SUD to deliver water under the Water Agreement, which in turn may have an impact on water service to the District.

None of the City, the Financial Advisor, the Underwriter, or the Developer can predict the impact that the drought or any future similar condition may have on the City, the District, Goforth SUD, the projected buildout schedule, availability of water service to the District or an investment in the Bonds. See "THE DEVELOPMENT – Utilities."

Use of Appraisal

None of the City, the Developer nor the Underwriter makes any representation as to the accuracy, completeness, assumptions or information contained in the Appraisal. The assumptions or qualifications with respect to the Appraisal are contained therein. There can be no assurance that any such assumptions will be realized, and the City, the Developer and the Underwriter make no representation as to the reasonableness of such assumptions.

In connection with the preparation of the Appraisal, the Appraiser may have reviewed the information supplied or otherwise made available to it by the City for reasonableness, has assumed and relied upon the accuracy and completeness of all such information and of all information supplied or otherwise made available to it by any other party, and did not undertake any duty or responsibility to verify independently any of such information. The

Appraiser has not made or obtained, nor will it make or obtain, an independent valuation or appraisal of any other assets or liabilities (contingent or otherwise) other than the property in the District. With respect to operating or financial forecasts and other information and data provided to or otherwise reviewed by or discussed with the Appraiser, the Appraiser has assumed that such forecasts and other information and data were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the City's employees, representatives and advisors, as well as any corrections or updates to such forecasts and other information and data.

In performing its analyses, the Appraiser has made numerous other assumptions with respect to general business, economic and regulatory conditions and other matters, many of which are beyond the Appraiser's control and the City's control, as well as certain factual matters. For example, the Appraiser assumed that the owners of property in the District have clear and marketable title to the properties in the District, that no title defects exist unless the Appraiser was specifically informed to the contrary, that improvements were made in accordance with law, that no hazardous materials are present or were present previously, that no deed restrictions exist, and that no changes to zoning ordinances or regulations governing use, density or shape are pending or being considered. Furthermore, the Appraiser's analysis, opinions and conclusions are necessarily based upon market, economic, financial and other circumstances and conditions existing prior to the valuation. The foregoing is a summary of the standard assumptions, qualifications and limitations that generally apply to the Appraiser's appraisal reports.

The Appraiser confirms that the valuations included in the Appraisal were prepared in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the requirements of the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute.

Caution should be exercised in the evaluation and use of appraisal results. An appraisal is an estimate of market value as of a specified date based upon assumptions and limiting conditions and any extraordinary assumptions specific to the relevant valuation. It is not a precise measure of value but is based on a subjective comparison of related activity taking place in the real estate market. The valuation set forth in the Appraisal is based on various assumptions of future expectations and while the Appraiser's internal forecasts of net operating income for the properties in the District is considered by the Appraiser to be reasonable at the current time, some of the assumptions may not materialize or may differ materially from actual experience in the future.

The Bonds will not necessarily trade at values determined solely by reference to the underlying value of the properties in the District.

The intended use and user of the Appraisal are specifically identified in the Appraisal as agreed upon in the contract for services and/or reliance language found in the Appraisal. The Appraiser has consented to the use of the Appraisal in this Limited Offering Memorandum in connection with the issuance of the Bonds. No other use or user of the Appraisal is permitted by any other party for any other purpose

Dependence Upon Developer

Developer's Initial Liability for Assessments. As of March 31, 2023, the Developer owns approximately 97.16% of the assessed property within the District, and thus currently has the obligation for the payment of 97.16% of the total Assessments in the approximate amount of \$15,401,669.24*. MileStone currently owns approximately 2.84% of the assessed property within the District, and thus currently has the obligation for the payment of 2.84% of the total Assessments in the approximate amount of \$450,330.76*. The ability of Developer and MileStone to make its respective and timely payments of the Assessments will directly affect the ability of the City to meet its debt service obligations with respect to the Bonds. The sole asset of the Developer is land within the District, the proceeds from the sale of parcels and lots within Improvement Area #1 of the District, and related permits and development rights.

The City will pay the Developer, or its designee, from proceeds of the Bonds for project costs actually incurred in developing and constructing the Improvement Area #1 Improvements within the District. There can be no assurances given as to the financial ability of the Developer to complete such improvements.

* Preliminary, subject to change.

The source of funding for future land development activities and infrastructure construction to develop the lots proposed for the District also consists of proceeds from Future Improvement Area Bonds and proceeds of lot sales, as well as possible bank financing and equity contributions by the Developer and its members. There can be no assurances given as to the financial ability of the Developer to advance any funds to the City to supplement revenues from the Assessments if necessary, or as to whether the Developer will advance such funds.

TAX MATTERS

Opinion

The delivery of the Bonds is subject to the opinion of Bond Counsel to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in Section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the “Code”), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. A form of Bond Counsel’s opinion is reproduced as Appendix D. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the Closing Date pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the City with the provisions of the Indenture subsequent to the issuance of the Bonds. The Indenture contains covenants by the City with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage “profits” from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Bonds.

Bond Counsel’s opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the “IRS”) with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel’s opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the “taxpayer,” and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust (“FASIT”), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

For taxable years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial

statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer's applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the Bonds.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

Tax Accounting Treatment of Discount and Premium on Certain Bonds

The initial public offering price of certain Bonds (the "Discount Bonds") may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain Bonds (the "Premium Bonds") paid by an owner may be greater than the amount payable on such Bonds at maturity. An amount equal to the excess of a purchaser's tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser's yield to maturity (or, in some cases with respect to a callable Bond, the yield based on a call date that results in the lowest yield on the Bond).

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

State, Local and Foreign Taxes

Investors should consult their own tax advisors concerning the tax implications of the purchase, ownership or disposition of the Bonds under applicable state or local laws. Foreign investors should also consult their own tax advisors regarding the tax consequences unique to investors who are not United States persons.

LEGAL MATTERS

Legal Proceedings

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

Norton Rose Fulbright US LLP, serves as Bond Counsel to the City. Orrick, Herrington & Sutcliffe LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Bonds.

Legal Opinions

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Bonds are valid and binding special, limited obligations of the City. The City will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special, limited obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal of and interest thereon, are payable from and secured by a pledge of and lien on the Trust Estate. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the opinion of Bond Counsel is attached hereto as "APPENDIX D –Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE – The Bonds" (except for the last paragraph thereof), "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS SIMILARLY SECURED," "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts"), "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS – Legal Proceedings" (except for the last paragraph thereof), "LEGAL MATTERS – Legal Opinions (except for the last paragraph thereof)," "CONTINUING DISCLOSURE – The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS," APPENDIX B and APPENDIX D, and such firm is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional

judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Litigation – The City

At the time of delivery and payment for the Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to its knowledge, overtly threatened against the City affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of the Assessments securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Trust Estate, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any documents relating to the Bonds.

Litigation – The Developer

At the time of delivery and payment for the Bonds, the Developer will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of the Developer, threatened against or affecting the Developer wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of the Developer or its officers or would adversely affect (1) the transactions contemplated by, or the validity or enforceability of, the Bonds, the Indenture, the Bond Ordinance, the Service and Assessment Plan, the Development Agreement, the Financing Agreement, or the Representations Letter of the Developer, or otherwise described in this Limited Offering Memorandum, or (2) the tax-exempt status of interest on the Bonds.

SUITABILITY FOR INVESTMENT

Investment in the Bonds poses certain economic risks. See “BONDHOLDERS’ RISKS”. The Bonds are not, at this time, rated by any nationally recognized municipal securities rating service. No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing. Additional information will be made available to each prospective investor, including the benefit of a site visit to the City and the opportunity to ask questions of the Developer, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Bonds.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS – Bondholders’ Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

NO RATING

No application for a rating on the Bonds has been made to any rating agency, nor is there any reason to believe that the City would have been successful in obtaining an investment grade rating for the Bonds had application been made.

CONTINUING DISCLOSURE

The City

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), the City and BOKF, NA, Houston, Texas (in such capacity, the “Dissemination Agent”) have entered into a Continuing Disclosure Agreement (the “Disclosure Agreement of the Issuer”) for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Issuer, certain financial information and operating data relating to the City (collectively, the “City Reports”). The specific nature of the information to be contained in the City Reports is set forth in “APPENDIX E-1 – Form of Disclosure Agreement of the Issuer.” Under certain circumstances, the failure of the City to comply with its obligations under the Disclosure Agreement of the Issuer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Issuer would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the Disclosure Agreement of the Issuer. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Issuer. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Issuer or from any statement made pursuant to the Disclosure Agreement of the Issuer.

The City’s Compliance with Prior Undertakings

During the last five years, the City has complied in all material respects with all continuing disclosure agreements made by the City in accordance with the Rule.

The Developer

The Developer, the Administrator, and the Dissemination Agent will, in connection with the issuance of the Bonds, enter into a Continuing Disclosure Agreement (the “Disclosure Agreement of the Developer”) for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Developer, certain information regarding Improvement Area #1 and the Improvement Area #1 Projects (collectively, the “Developer Reports”). The specific nature of the information to be contained in the Developer Reports is set forth in “APPENDIX E-2 – Form of Disclosure Agreement of the Developer.” Under certain circumstances, the failure of the Developer or the Administrator to comply with its obligations under the Disclosure Agreement of the Developer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Developer would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The Developer has agreed to provide (i) certain updated information to the Administrator, which consultant will prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the Disclosure Agreement of the Developer. The Developer has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Developer. The Developer makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The Developer disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Developer or from any statement made pursuant to the Disclosure Agreement of the Developer.

The Developer's Compliance with Prior Undertakings

The Developer has not previously entered into any disclosure agreements.

THE FINANCIAL ADVISOR

The following information has been provided by SAMCO Capital Markets, Inc., as the Financial Advisor.

SAMCO Capital Markets, Inc. (the "Financial Advisor") is employed as the Financial Advisor to the City in connection with the issuance of the Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. SAMCO Capital Markets, Inc., in its capacity as Financial Advisor, has relied on the opinions of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants, and representations contained in any of the bond documentation with respect to the federal income tax status of the Bonds. In the normal course of business, the Financial Advisor may also from time to time sell investment securities to the City for the investment of bond proceeds or other funds of the City upon the request of the City.

The Financial Advisor has provided the following sentence for inclusion in this Preliminary Limited Offering Memorandum. The Financial Advisor has reviewed the information in this Preliminary Limited Offering Memorandum in accordance with its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

UNDERWRITING

FMSbonds, Inc., (the "Underwriter") has agreed to purchase the Bonds from the City at a purchase price of \$_____ (the par amount of the Bonds, less an underwriting discount of \$_____, which includes Underwriter's Counsel's fee) and no accrued interest. The Underwriter's obligations are subject to certain conditions precedent and if obligated to purchase any of the Bonds the Underwriter will be obligated to purchase all of the Bonds. Subject to certain restrictions contained in the Bond Purchase Agreement, the Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the Texas Public Funds Investment Act (the "PFIA") requires that the Bonds be assigned a rating of at least "A" or its equivalent as to investment quality by a national rating agency. See "NO RATING" above. In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one

million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

INVESTMENTS

The City invests its funds in investments authorized by State law in accordance with investment policies approved by the City Council. Both State law and the City's investment policies are subject to change.

Under State law, the City is authorized to make investments meeting the requirements of the PFIA, which currently include (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, including the Federal Home Loan Banks; (2) direct obligations of the State or its agencies and instrumentalities; (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; (4) other obligations, the principal and interest of which is guaranteed or insured by or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation (the "FDIC") or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than "A" or its equivalent; (6) bonds issued, assumed or guaranteed by the State of Israel; (7) interest-bearing banking deposits that are guaranteed or insured by the FDIC or its successor, or the National Credit Union Share Insurance Fund or its successor; (8) interest-bearing banking deposits other than those described by clause (7) if (A) the funds invested in the banking deposits are invested through: (i) a broker with a main office or branch office in this state that the City selects from a list the governing body or designated investment committee of the City adopts as required by Section 2256.025, Texas Government Code; or (ii) a depository institution with a main office or branch office in this state that the City selects; (B) the broker or depository institution selected as described by (A) above arranges for the deposit of the funds in the banking deposits in one or more federally insured depository institutions, regardless of where located, for the City's account; (C) the full amount of the principal and accrued interest of the banking deposits is insured by the United States or an instrumentality of the United States; and (D) the City appoints as the City's custodian of the banking deposits issued for the City's account: (i) the depository institution selected as described by (A) above; (ii) an entity described by Section 2257.041(d), Texas Government Code; or (iii) a clearing broker dealer registered with the SEC and operating under SEC Rule 15c3-3; (9) (i) certificates of deposit or share certificates meeting the requirements of the PFIA that are issued by an institution that has its main office or a branch office in the State and are guaranteed or insured by the FDIC or the National Credit Union Share Insurance Fund, or their respective successors, or are secured as to principal by obligations described in clauses (1) through (8) or in any other manner and provided for by law for City deposits, or (ii) certificates of deposits where (a) the funds are invested by the City through (A) a broker that has its main office or a branch office in the State and is selected from a list adopted by the City as required by law, or (B) a depository institution that has its main office or branch office in the State that is selected by the City, (b) the broker or the depository institution selected by the City arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the City, (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the City appoints the depository institution selected under (a) above, a custodian as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the SEC and operating pursuant to SEC Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the City with respect to the certificates of deposit; (10) fully collateralized repurchase agreements that have a defined termination date, are secured by a combination of cash and obligations described in clause (1) above, clause (12) below, require the securities being purchased by the City or cash held by the City to be pledged to the City, held in the City's name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City, and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (11) certain bankers' acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least "A-1" or "P-

1” or the equivalent by at least one nationally recognized credit rating agency; (12) commercial paper with a stated maturity of 365 days or less that is rated at least “A-1” or “P-1” or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank; (13) no-load money market mutual funds registered with and regulated by the United States SEC that provide the City with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940 and that comply with SEC Rule 2a-7 (17 C.F.R. Section 270.2a-7), promulgated under the Investment Company Act of 1940 (15 U.S.C. Section 80a-1 et seq.); and (14) no-load mutual funds registered with the SEC that have an average weighted maturity of less than two years, and either (a) a duration of one year or more and invest exclusively in obligations described in under this heading, or (b) a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities, other than the prohibited obligations described below, in an amount at least equal to the amount of bond proceeds invested under such contract and are pledged to the City and deposited with the City or a third party selected and approved by the City.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than “AAA” or “AAAm” or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Political subdivisions such as the City are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (8) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than “A” or its equivalent or (c) cash invested in obligations described in clauses (1) through (8) above, clauses (12) through (14) above, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City’s name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

Under State law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that include a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment and the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted “Investment Strategy Statement” that specifically addresses each fund’s investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under State law, the City’s investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment considering the probable safety of capital and the probable income to be derived.” At least quarterly the City’s investment officers must submit an investment report to the City

Council detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, and any additions and changes to market value and the ending value of each pooled fund group, (4) the book value and market value of each separately listed asset at the beginning and end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategies and (b) State law. No person may invest City funds without express written authority from the City Council.

Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt by written instrument a rule, order, ordinance, or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or family relationships with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City; (4) require the registered principal of firms seeking to sell securities to the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude imprudent investment activities conducted between the entity and the organization that are not authorized by the entity's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the entity's entire portfolio, requires an interpretation of subjective investment standards or relates to investment transactions of the entity that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority), and (c) deliver a written statement attesting to these requirements; (5) in conjunction with its annual financial audit, perform a compliance audit of the management controls on investments and adherence to the City's investment policy; (6) restrict reverse repurchase agreements to not more than ninety (90) days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (7) restrict the investment in no-load money market mutual funds in the aggregate to no more than fifteen percent (15%) of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (8) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; (9) provide specific investment training for the Treasurer, the chief financial officer (if not the Treasurer) and the investment officer; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

Similarly Secured or Bonds Similarly Secured in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.11 Replacement Bonds Similarly Secured.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond Similarly Secured, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond Similarly Secured of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond Similarly Secured to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond Similarly Secured is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond Similarly Secured has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond Similarly Secured of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond Similarly Secured;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond Similarly Secured, if a bona fide purchaser of the original Bond Similarly Secured in lieu of which such replacement Bond Similarly Secured was issued presents for payment such original Bond Similarly Secured, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond Similarly Secured from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond Similarly Secured has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond Similarly Secured,

may pay such Bond Similarly Secured if it has become due and payable or may pay such Bond Similarly Secured when it becomes due and payable.

(e) Each replacement Bond Similarly Secured delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such replacement Bond Similarly Secured is delivered.

Section 3.12 Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date for the applicable series of Bonds, the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond Similarly Secured is registered in the Register as the absolute owner of such Bond Similarly Secured for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond Similarly Secured, for the purpose of registering transfer with respect to such Bond Similarly Secured, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.13 Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.14 Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

ARTICLE IV

The Bonds shall be subject to redemption before their scheduled maturity only as provided in this Article IV. Each Series of Bonds Similarly Secured, other than the Bonds, shall be subject to mandatory sinking fund redemption and optional redemption as provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds Similarly Secured.

(a) The Bonds are subject to mandatory sinking fund redemption prior to their maturity and will be redeemed by the City in part at the Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

(b) At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select a principal amount of Bonds, in accordance with Section 4.5, of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least (45) days prior to the mandatory sinking fund redemption date, shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3 Optional Redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20[] before their scheduled maturity dates, in whole or in part, on any date, in minimum principal amounts of \$1,000, on or after September 1, 20[], such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4 Extraordinary Optional Redemption.

(a) The City reserves the right and option to redeem Bonds Similarly Secured before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at the Redemption Price from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(d) or (e), transfers to the Redemption Fund made pursuant to Section 6.3(d), 6.3(e), 6.7(a), 6.7(d), 6.7(e) 6.7(f) or 6.7(j) hereof, or as a result of unexpended amounts transferred from the IA#1 Improvements Account of the Project Fund as provided in Section 6.5(d). The City shall notify the Trustee in writing at least forty-five (45) days before the scheduled extraordinary optional redemption date fixed by the City, or such other time period as the Trustee and the City shall mutually agree.

Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption pursuant to this Section 4.4 unless it has at least \$1,000 available in the Redemption Fund with which to redeem the Bonds.

(b) In lieu of redeeming the Bonds with the funds described in this Section, the City may purchase the Bonds in the open market of the maturity to be redeemed at the price not in excess of that provided in Section 4.7.

Section 4.5 Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, the Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of bonds that is obtained by dividing the principal amount of the Bonds by \$1,000. No redemption shall result in a Bond in

a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may conclusively rely on the directions provided in a City Certificate.

(d) If less than all of a series of Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, of such series to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds of such series.

(e) Upon surrender of any Bond for redemption in part, the Trustee, in accordance with Section 3.8 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds of the same series and in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6 Notice of Redemption to Owners.

(a) Upon receipt of written notice from the City of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book entry only form and held by the DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7 Purchase Price for Bonds.

Upon receipt of written notice from the City specifying the Bonds to be purchased, the Trustee shall apply moneys available for redemption to the purchase of Bonds which were otherwise to be redeemed in such order or priority and subject to such restrictions as may be prescribed in this Indenture in the manner provided in this Section. The purchase price paid by the Trustee on behalf of the City (excluding accrued and unpaid interest but including any brokerage and other charges) for any Bond purchased by the City shall not exceed the principal amount of such Bond.

Section 4.8 Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee (initially, Houston, Texas) on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.9 Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds or the principal of and interest on such Bonds, as applicable, to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V FORM OF THE BONDS

Section 5.1 Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

(b) Any portion of the text of any Bonds may be set forth on the reverse side thereof, with an appropriate reference thereto on the face of the Bonds.

(c) The definitive Bonds shall be typewritten, printed, lithographed, or engraved, and may be produced by any combination of these methods or produced in any other similar manner, all as determined by the officers executing such Bonds, as evidenced by their execution thereof.

(d) The Initial Bond submitted to the Attorney General of the State of Texas may be typewritten and photocopied or otherwise reproduced.

(e) The form of each Series of Refunding Bonds shall be set forth in the applicable Supplemental Indenture authorizing the issuance of such Refunding Bonds.

Section 5.2 CUSIP Registration.

The City may secure identification numbers through FactSet Research Systems Inc. on behalf of the American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly *provided, however*, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the City, the Trustee, or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3 Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

Section 5.4 Statement of Insurance.

A statement relating to municipal bond insurance policy, if any, to be issued for the Bonds may be printed on or attached to each Bond.

Section 6.3 Pledged Revenue Fund.

(a) On or before [February 20, 202_] and on or before each February 20 and August 20 of each year thereafter while the Bonds are Outstanding, the City shall deposit or cause to be deposited with the Trustee all Pledged Revenues, if any, other than the Pledged Revenues on deposit in the Project Collection Fund which revenues shall be transferred in accordance with Section 6.10 hereof, into the Pledged Revenue Fund. Specifically, the City shall deposit or cause to be deposited Assessment Revenues and other Pledged Revenues to be applied by the Trustee in the following order of priority:

- (i) first, to the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year;

(iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest;

(iv) fourth, to pay other Actual Costs of Improvement Area #1 Projects;
and

(v) fifth, to pay other costs permitted by the PID Act.

Along with each deposit of Pledged Revenues from the Project Collection Fund to the Pledged Revenue Fund, the City shall provide a City Certificate to the Trustee as to (i) the Funds and Accounts into which the amounts are to be deposited or retained, as applicable, and (ii) the amounts of any payments to be made from such Funds and Accounts.

(b) From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account of the Bond Fund to the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account of the Bond Fund first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and within two business days after such deposit shall transfer such Prepayments to the Redemption Fund.

(e) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and within two business days after such deposit shall transfer Foreclosure Proceeds, as directed by the City pursuant to a City Certificate, first to the Reserve Fund to restore any transfers from the accounts within the Reserve Fund made with respect to the Assessed Property or Assessed Properties to which the Foreclosure Proceeds relate (*first*, to the Reserve Account of the Reserve Fund to replenish the Reserve Account Requirement, and *second*, to replenish the Additional Interest Reserve Account of the Reserve Fund to replenish the Additional Interest Reserve Requirement), and second, to the Redemption Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in any Account of the Reserve Fund and transfer of funds pursuant to Section 6.3(a)(i) - (iii) above, the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid. The Trustee may rely on such

written direction of the City and shall have no obligation to determine the lawful purposes permitted under the PID Act.

(g) Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture.

Section 6.4 Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account of the Bond Fund as provided below.

(b) If amounts in the Principal and Interest Account of the Bond Fund are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(g) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

(c) Moneys in the Capitalized Interest Account of the Bond Fund shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

<u>Date</u>	<u>Amount</u>
_____ 1, 202__	\$ _____
_____ 1, 202__	\$ _____

Any amounts on deposit to the Capitalized Interest Account of the Bond Fund after the payment of interest on the dates and in the amounts listed above shall be transferred to the IA#1 Improvements Account of the Project Fund, or if the IA#1 Improvements Account of the Project Fund has been closed as provided in Section 6.5(d) herein, such amounts shall be transferred to the Redemption Fund to be used to redeem the Bonds, and the Capitalized Interest Account of the Bond Fund shall be closed.

Section 6.5 Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Any amounts drawn on the Letter of Credit by the City pursuant to the terms of the Letter of Credit shall be paid to the Trustee and be deposited to the appropriate subaccount of the IA#1 Improvements Account of the Project Fund as set forth in a City Certificate; provided, however, that prior to the initial draw of funds pursuant to the terms of the Letter of Credit, the City shall cause the Trustee to create (i) a "Public Improvements Subaccount," (ii) a "Privately

Financed Improvements Subaccount” and (iii) a “Improvement Area #1 Privately Financed Public Improvements Subaccount” of the IA#1 Improvements Account of the Project Fund.

(c) Disbursements from the IA#1 Improvements Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of one or more City Certificates containing a properly executed and completed Certification for Payment. See attached form of Certification for Payment as Exhibit A to the Financing Agreement. Such provisions and procedures related to such disbursement contained in the Financing Agreement are herein incorporated by reference and deemed set forth herein in full.

(d) Disbursements from the IA#1 Costs of Issuance Account of the Project Fund shall be made by the Trustee pursuant to and in accordance with a City Certificate providing for the application of such funds to be disbursed (with the exception of fees and expenses initially incurred by the Trustee, which may be withdrawn by the Trustee).

(e) If the City Representative reasonably determines that amounts then on deposit in the IA#1 Improvements Account of the Project Fund are not expected to be expended for purposes of the IA#1 Improvements Account of the Project Fund due to the completion, abandonment, or constructive abandonment, of the Improvement Area #1 Improvements, as the case may be, such that, in the opinion of the City Representative, it is unlikely that the amounts in the IA#1 Improvements Account of the Project Fund will ever be expended for the purposes of the IA#1 Improvements Account of the Project Fund, the City Representative shall file a City Certificate with the Trustee and provide a copy of such City Certificate to the Developer prior to filing with the Trustee, which identifies the amounts then on deposit in the IA#1 Improvements Account of the Project Fund that are not expected to be used for purposes of the IA#1 Improvements Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#1 Improvements Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practical date after notice of redemption has been provided in accordance with this Indenture, and the IA#1 Improvements Account of the Project Fund shall be closed.

(f) Upon the Trustee’s receipt of a written determination by the City Representative that all costs of issuance of the Bonds Similarly Secured have been paid and the appropriate portion of the costs incidental to the organization of the District have been paid, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the IA#1 Costs of Issuance Account of the Project Fund that are not expected to be used for purposes of the IA#1 Costs of Issuance Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#1 Costs of Issuance Account of the Project Fund shall be transferred first to the IA#1 Improvements Account of the Project Fund used to pay Actual Costs and second to the Principal and Interest Account of the Bond Fund used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the IA#1 Costs of Issuance Account of the Project Fund shall be closed.

(g) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a report issued by the City Engineer or a certificate of an Independent Financial Consultant.

(h) In providing any disbursement from the IA#1 Improvements Account of the Project Fund, the Trustee may conclusively rely as to the completeness and accuracy of all statements in such Certification for Payment if such certificate is signed by a City Representative, and the Trustee shall not be required to make any independent investigation in connection therewith. The execution of any Certification for Payment by a City Representative shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent to the payments requested have been completed.

(i) The aggregate amount of funds that the Trustee may disburse from the IA#1 Improvements Account of the Project Fund shall not exceed the Unrestricted Amount except and until the Release Restriction (as defined below) has been satisfied. The Trustee may make disbursements from the IA#1 Improvements Account of the Project Fund that exceed the Unrestricted Amount only when the Developer provides written certification to the Trustee and the City in a Certificate for Payment in the form attached to the Financing Agreement that the Release Restriction has been satisfied. The first Certificate for Payment that requests funds in excess of the Unrestricted Amount from the IA#1 Improvements Account of the Project Fund and which evidences satisfaction of the Release Restriction shall be submitted to the City, the Trustee, and the Administrator for review and confirmation. Moneys may be disbursed from the IA#1 Improvements Account of the Project Fund in excess of the Unrestricted Amount only if the City has issued a certificate of occupancy for at least [15] homes within Improvement Area #1 (the “*Release Restriction*”). The City may not approve a Certificate for Payment from the IA#1 Improvements Account of the Project Fund for any amounts that exceed the Unrestricted Amount until the Release Restriction has been satisfied.

Section 6.6 Redemption Fund.

Subject to adequate amounts on deposit in the Pledged Revenue Fund, the Trustee, as directed by City Certificate, shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7 Reserve Fund.

(a) The Reserve Account of the Reserve Fund will be initially funded with a deposit of \$[] from the proceeds of the Bonds in the amount of the Reserve Account Requirement and the City agrees with the Owners of the Bonds Similarly Secured to accumulate from the deposits outlined in Section 6.3(a) hereof, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account of the Reserve Fund on March 1 and September 1 of each year, commencing [March 1, 202_], to the extent that funds are available after application of the

deposit priority in Section 6.3(a) hereof, an amount equal to the Additional Interest in the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account of the Reserve Fund; *provided, however*, that at any time the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account of the Reserve Fund.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to an amount representing the difference between (i) the lesser of (A) the Reserve Account Requirement prior to redemption and (B) the amount actually on deposit in the Reserve Account of the Reserve Fund prior to redemption, and (ii) the Reserve Account Requirement after such redemption; *provided, however*, no such transfer from the Reserve Account of the Reserve Fund shall cause the amount on deposit therein to be less than the Reserve Account Requirement to be in effect after such redemption. If after such transfer, and after applying investment earnings on the Redemption Fund toward payment of accrued and unpaid interest to the date of redemption on the Bonds to be redeemed, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account of the Reserve Fund to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account of the Reserve Fund exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 45 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to the IA#1 Improvements Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

(f) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund exceeds the Additional Interest Reserve Requirement, the Trustee

shall provide written notice to the City of the amount of the excess (the “*Excess Additional Interest Reserve Amount*”). The Excess Additional Interest Reserve Amount on deposit in the Additional Interest Reserve Account of the Reserve Fund shall be transferred by the Trustee to the Redemption Fund, and shall notify the City of such transfer in writing. In transferring the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(g) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund and second from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency.

(h) At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account of the Reserve Fund and the Additional Interest Reserve Account of the Reserve Fund shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured.

(i) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(j) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds Similarly Secured on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds Similarly Secured as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds Similarly Secured as of such Interest Payment Date.

Section 6.8 Rebate Fund; Rebate Amount.

(a) There is hereby established a special fund of the City to be designated “City of Kyle, Texas Special Assessment Revenue Bonds, Series 2023 (Porter Country Public Improvement District Improvement Area #1 Project) Rebate Fund” (the “*Rebate Fund*”) to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code. The Trustee shall transfer from the Pledged Revenue Fund to the credit of the Rebate Fund each amount instructed by City Certificate to be transferred thereto.

(b) In order to assure that the Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in

accordance with the Code and the Tax Certificate. The Trustee shall withdraw from the Rebate Fund and pay to the United States the amounts instructed by City Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) hereof and shall not be liable or responsible if it follows the written instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) hereof in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Principal and Interest Account of the Bond Fund.

Section 6.9 Administrative Fund.

(a) Notwithstanding Section 6.3(a) hereof, the City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs, other than the Annual Collection Costs and Delinquent Collection Costs deposited into the Project Collection Fund, which amounts shall be deposited in accordance with Section 6.10 hereof. Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

(b) The Administrative Fund is not a Pledged Fund.

Section 6.10 Project Collection Fund.

While any Bonds Similarly Secured are Outstanding, another taxing unit or an appraisal district, by agreement with the City, may collect Assessment Revenue on the City's behalf. If such taxing unit or appraisal district presents or otherwise tenders to the Trustee such collected Assessment Revenue for deposit on the City's behalf, the Trustee shall accept such Assessment Revenue and deposit the same into the Project Collection Fund. The Trustee shall, as directed by the City pursuant to a City Certificate, deposit or cause to be deposited (i) all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of the Annual Collection Costs and Delinquent Collection Costs to the Administrative Fund and (ii) all of that portion of the Assessment Revenue deposited into the Project Collection Fund that consists of Pledged Revenues into the Pledged Revenue Fund for future allocations as set forth in Section 6.3(a) hereof. The City shall provide such City Certificate on or before [February 20, 202_] and every August 20 and February 20 thereafter while the Bonds are Outstanding. The Project Collection Fund is not a Pledged Fund.

Section 6.11 Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee only as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment (or as directed below) in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are

unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; the City Certificate shall direct investment in such deposits and investments (which may include repurchase agreements for such investment with any primary dealer of such agreements) so that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account of the Reserve Fund may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds Similarly Secured, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold in order to make the disbursements required or permitted by this Indenture or to prevent any default. To ensure that cash on hand is invested, if the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee shall invest and re-invest cash balances in the [_____], or other money market mutual funds that are rated in either of the two highest categories by a rating agency, including funds for which the Trustee and/or its affiliates provide investment advisory or other management services, until directed otherwise by the City Certificate.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer shall be accomplished by transferring a like amount of Investment Securities unless the City instructs the Trustee otherwise by written direction.

(c) The Trustee and its affiliates may act as sponsor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of this Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments or whether investments comply with Section 6.11(a) above. The parties hereto acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds and Accounts (and subaccounts, if any) may be commingled in a separate fund or funds for purposes of making, holding and disposing of

investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts (and subaccounts, if any) of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts (and subaccounts, if any) to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) The Trustee may conclusively rely on any City Certificate and shall not be required to make any investigation in connection therewith.

Section 6.12 Advances from Available Funds.

In the event of a delinquency in the payment of any installment of the Assessment levied upon any property for the payment of the principal portion of an Annual Installment, the City may, but is not obligated to, be the purchaser of the delinquent property upon which any of said Assessments are levied in like manner in which it may become the purchaser of property sold for the nonpayment of general ad valorem property taxes, and in the event the City does so become the purchaser of such property, shall pay and transfer and deposit into the Pledged Revenue Fund the amount of any remaining amount of unpaid Assessment, delinquent Assessment installments and interest thereon. The City may also pay and transfer from available funds and deposit into the Pledged Revenue Fund, but shall not be so obligated, the amount of any such Assessment pending redemption or sale. Any amounts so advanced by the City shall be recoverable upon sale or redemption of the property. The City shall not be obligated to advance available funds to cure any deficiency in the Pledged Revenue Fund, or any other Fund created hereunder, and has determined that it would not obligate itself to advance available funds from other funds of the City to cure any such deficiency.

Section 6.13 Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII COVENANTS

Section 7.1 Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Properties from which the Pledged Revenues will be collected and received.

Section 7.2 Collection and Enforcement of Assessments.

(a) For so long as any Bonds Similarly Secured are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of the applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3 Against Encumbrances.

(a) Other than the Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except any pledge created for the equal and ratable security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

(b) So long as Bonds Similarly Secured are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness secured by any pledge of or other lien or charge on any portion of the Pledged Revenues, the Trust Estate or other property pledged under this Indenture, except that the City may issue Refunding Bonds in accordance with the terms of this Indenture, as provided in Section 13.2 hereof.

Section 7.4 Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds Similarly Secured or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owners of any Bonds Similarly Secured or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds Similarly Secured during the City's regular

business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5 Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

(b) “*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the respective initial purchasers against payment therefor.

(c) “*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

(d) “*Computation Date*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(e) “*Gross Proceeds*” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

(f) “*Investment*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(g) “*Nonpurpose Investment*” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

(h) “*Regulations*” means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

(i) “*Yield*” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) of the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(j) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(k) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of the Bonds:

(l) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds of such series, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(m) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds of such series or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(n) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of any Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the “tax assessment loan exception” within the meaning of Section 1.141-5(d) of the Regulations on the date that the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as Bonds are outstanding.

(o) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(p) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(q) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe with respect to the Bonds.

(r) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(s) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(t) Not less frequently than each Computation Date for the Bonds, the City shall calculate the Rebate Amount for the Bonds in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(u) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or accounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(v) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(w) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(x) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, City Secretary or Assistant City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII LIABILITY OF CITY

Neither the full faith and credit nor the general taxing power of the City is pledged to the payment of the Bonds Similarly Secured, and except for the Trust Estate, no City taxes, fee or revenues from any source are pledged to the payment of, or available to pay any portion of, the Bonds Similarly Secured or any other obligations relating to the District. The City shall never be liable for any obligations relating to the Bonds Similarly Secured or other obligations relating to the District, other than as specifically provided for in this Indenture.

The City shall not incur any responsibility in respect of the Bonds Similarly Secured or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds Similarly Secured assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds Similarly Secured, or as to the existence of an Event of Default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds Similarly Secured, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds Similarly Secured (collectively, the "*Bond Documents*"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Annual Collection Costs) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Annual Collection Costs on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds Similarly Secured by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or the City Manager or the Assistant City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX THE TRUSTEE

Section 9.1 Trustee as Registrar and Paying Agent.

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds Similarly Secured. The Trustee hereby accepts and agrees to execute the respective trusts imposed upon it by this Indenture, but only upon the express terms and conditions, and subject to the provisions of this Indenture to all of which the parties hereto and the Owners of

the Bonds Similarly Secured agree. No implied covenants or obligations shall be read into this Indenture against the Trustee.

Section 9.2 Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; *provided, however*, that absent an Event of Default, the Trustee shall not request or require indemnification as a condition to making any deposits, payments or transfers when required hereunder, or to delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its sole and exclusive judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the Administrative Fund to pay all costs, fees, and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Similarly Secured Outstanding hereunder.

Section 9.3 Responsibilities of the Trustee.

(a) The recitals contained in this Indenture and in the Bonds Similarly Secured shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds Similarly Secured or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds Similarly Secured for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; (iv) any calculation of arbitrage or rebate under the Code; (v) any loss suffered in connection with any investment of funds in accordance with this Indenture; or (vi) to undertake any other action unless specifically authorized pursuant to a written direction by the City or pursuant to this Indenture.

(b) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. The Trustee will, prior to any Event of Default and after curing of any Event of Default, perform such duties and only such duties as are specifically set forth herein. The Trustee will, during the existence of an Event of Default, exercise such rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Improvement Area #1 Projects.

(c) The Trustee, before the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default occurred and continues, the Trustee shall exercise such rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising any rights or remedies or performing any of its duties hereunder.

(d) The Trustee shall not be responsible for any recital herein (except with respect to the authentication certificate of the Trustee endorsed on the Bonds Similarly Secured) or for the recording, filing, or refiling of this Indenture in connection therewith, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency or security of the Bonds Similarly Secured.

(e) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Indenture or of the Bonds Similarly Secured. The Trustee shall not be accountable for the use or application of any Bonds Similarly Secured or the proceeds thereof or of any money paid to or upon the order of the City under any provision of this Indenture.

(f) The Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it is established that the Trustee was negligent in ascertaining the pertinent facts.

(g) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of at least a Quarter in Interest of the aggregate outstanding principal of the Bonds Similarly Secured relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(h) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default unless the Trustee is notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by an Owner of the Bonds Similarly Secured. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above, unless Trustee has actual knowledge of an Event of Default.

(i) Before taking any action under this Indenture (other than making any deposits, payments or transfers prior to an Event of Default when required hereunder), the Trustee may require that a satisfactory indemnity be furnished to it for the payment or reimbursement of all costs and expenses (including, without limitation, attorney's fees and expenses) to which it may

be put and to protect it against all liability which it may incur in or by reason of such action, except liability which it adjudicated to have resulted from its negligence or willful misconduct.

(j) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds Similarly Secured.

(k) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys, or receivers, and the Trustee shall be entitled to rely and act upon the opinion or advice of its own counsel, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys, and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of its own counsel.

Section 9.4 Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5 Trustee Protected in Relying on Certain Documents.

The Trustee may conclusively rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, the Financing Agreement, and the Development Agreement, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into and shall not be deemed to have knowledge of any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request, or giving such authority or consent to the Owner of any Bond Similarly Secured, shall be conclusive and binding upon all future owners of the same Bond Similarly Secured and upon Bonds Similarly Secured issued in exchange therefor and upon transfer or in place thereof.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed

to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6 Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, upon written direction of the City, compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, upon delivery of an invoice therefor to the City, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder (except the Rebate Fund) prior to any Bonds Similarly Secured Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City fails to make any payment required by this Section, the Trustee may make such payment from any moneys in the Administrative Fund and shall have a first lien with right of payment before payment on account of principal of or interest on any Bond Similarly Secured, upon all moneys in the Administrative Fund, and to the extent moneys in the Administrative Fund are insufficient, then from any moneys in its possession (except the Rebate Fund) under any provisions hereof for the foregoing reasonable advances, fees, costs, and expenses incurred. The right of the Trustee to fees, expenses, and indemnification shall survive the release, discharge, and satisfaction of the Indenture.

Section 9.7 Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds Similarly Secured and may join in any action that any Owner of Bonds Similarly Secured may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds Similarly Secured or to effect or aid in any reorganization growing out of the enforcement of the Bonds Similarly Secured or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds Similarly Secured. The permissive right of the Trustee

to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

Section 9.8 Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond Similarly Secured. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor. Notwithstanding the foregoing, if, after sixty (60) days following receipt of the notice, the City has not appointed a successor Trustee, the Trustee may apply to a court of competent jurisdiction to appoint a successor Trustee, at no expense to the City, and such resignation shall take effect upon the court's appointment of a successor Trustee.

Section 9.9 Removal of Trustee.

The Trustee may be removed at any time by the Owners of a Quarter in Interest of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Owners of a Quarter in Interest of the aggregate outstanding principal of the Bonds Similarly Secured.

Section 9.10 Successor Trustee.

If the Trustee resigns, is removed, is dissolved, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property is appointed, or if any public officer takes charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee becomes vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed after any such vacancy occurs by the Owners of a Quarter in Interest of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Until such successor Trustee shall have been appointed by the Owners of a Quarter in Interest of the Bonds Similarly Secured, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds Similarly Secured within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be

superseded and revoked by an appointment subsequently made by the Owners of Bonds Similarly Secured.

If in a proper case no appointment of a successor Trustee is made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds Similarly Secured may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process. Any duties and obligations of such predecessor Trustee shall thereafter cease and terminate, and the payment of the fees and expenses owed to the predecessor Trustee shall be paid in full.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds Similarly Secured, notice of its appointment to any Rating Agency which, at the time of such appointment, is providing a rating on the Bonds Similarly Secured and each of the Owners of the Bonds Similarly Secured.

Section 9.11 Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12 Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, *provided* that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13 Security Interest in Trust Estate.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds Similarly Secured and the pledge of the Trust Estate provided for herein, and such pledge is, under current law, valid, effective and perfected. The City shall cause to be filed all appropriate initial financing statements, if any, to ensure that the Trustee (for the benefit of the Owners of the Bonds Similarly Secured) is granted a valid and perfected first priority lien on the entire Trust Estate. Nothing herein shall obligate the Trustee to file any initial financing statements. Upon the City's timely delivery of a copy of such filed initial financing statement, if any, to the Trustee, the Trustee shall file continuation statements of such initial financing statement(s) in the same jurisdictions as the initial financing statement(s) previously provided to the Trustee. Unless the Trustee is otherwise notified in writing by the City, the Trustee may rely upon the initial financing statements in filing any continuation statements hereunder.

Section 9.14 Offering Documentation.

The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum, or any other disclosure material prepared or distributed with respect to the Bonds Similarly Secured and shall have no responsibility for compliance with any State or federal securities laws in connection with the Bonds Similarly Secured.

Section 9.15 Expenditure of Funds and Risk.

None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of its rights or powers if the Trustee shall have reasonable grounds for believing that the repayment of such funds or indemnity against such risk or liability is not assured.

Section 9.16 Environmental Hazards.

The Trustee may inform any Holder of environmental hazards that the Trustee has reason to believe exist, and the Trustee has the right to take no further action and in such event, no fiduciary duty exists which imposes any obligation for further action with respect to the Trust Estate or any portion thereof if the Trustee, in its individual capacity, determines that any such

action would materially and adversely subject the Trustee to environmental or other liability for which the Trustee has not been adequately indemnified.

The Trustee shall not be responsible or liable for the environmental condition related to the improvements to any real property or for diminution in value of the same, or for any claims by or on behalf of the owners thereof as the result of any contamination by a hazardous substance, hazardous material, pollutant, or contaminant. The Trustee assumes no duty or obligation to assess the environmental condition of any improvements or with respect to compliance thereof under State or federal laws pertaining to the transport, storage, treatment, or disposal of hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits, or licenses issued under such laws.

Section 9.17 Accounts, Periodic Reports and Certificates.

The Trustee shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Funds and Accounts established by this Indenture and which shall at all times be subject to inspection by the City, and the Owner or Owners of not less than 10% in principal amount of any Bonds Similarly Secured then Outstanding or their representatives duly authorized in writing.

Section 9.18 Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds Similarly Secured.

ARTICLE X MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1 Amendments Permitted.

This Indenture and the rights and obligations of the City and of the Owners of the Bonds Similarly Secured may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds Similarly Secured, or with the written consent without a meeting, of the Owners of more than fifty percent (50%) of the aggregate principal amount of the Bonds Similarly Secured then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond Similarly Secured or reduce the principal of or interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond Similarly Secured, without the express consent of the Owner of such Bond Similarly Secured, (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to the pledge and lien created for the benefit of the Bonds Similarly Secured, (iii) except as otherwise permitted by this Indenture, permit the creation by the City of any pledge or lien upon the Trust Estate on a parity with the pledge and lien created for the benefit of the Bonds Similarly Secured, or (iv) reduce the percentage of Owners of Bonds Similarly Secured required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;
- (ii) to make modifications not adversely affecting any Outstanding Bonds Similarly Secured in any material respect;
- (iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds Similarly Secured in any material respect;
- (iv) to authorize a Series of Refunding Bonds in accordance with the provisions of this Indenture, as set forth in Section 13.2 herein; and
- (v) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds Similarly Secured.

Any modification or amendment made pursuant to this Section 10.1 shall not be subject to the notice procedure specified in Section 10.3 below. Notwithstanding the above, no Supplemental Indenture under subsection (i), (ii), (iii) or (v) above shall be effective unless the City first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment will not adversely affect the: (i) interests of the Owners in any material respect, and (ii) exclusion of interest on any Bond Similarly Secured from gross income for purposes of federal income taxation.

Section 10.2 Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds Similarly Secured. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3 Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds Similarly Secured or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds Similarly Secured from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds Similarly Secured for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds Similarly Secured giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds Similarly Secured have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds Similarly Secured and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds Similarly Secured at the expiration of forty-five (45) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such forty-five (45) day period; *provided, however*, that the Trustee during such forty-five (45) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its sole discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient and the Trustee shall have no liability with respect to any action taken, or any instance of inaction, except as a consequence of its own negligence or willful misconduct.

Section 10.4 Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee and all Owners of Bonds Similarly Secured Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5 Endorsement or Replacement of Bonds Similarly Secured Issued After Amendments.

The City may determine that Bonds Similarly Secured issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by

endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Similarly Secured Outstanding at such effective date and presentation of his Bond Similarly Secured for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond Similarly Secured. The City may determine that new Bonds Similarly Secured, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds Similarly Secured then Outstanding, such new Bonds Similarly Secured shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds Similarly Secured then Outstanding, upon surrender of such Bonds Similarly Secured.

Section 10.6 Amendatory Endorsement of Bonds Similarly Secured.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds Similarly Secured held by such Owner, provided that due notation thereof is made on such Bonds Similarly Secured.

Section 10.7 Waiver of Default.

Subject to the second and third sentences of Section 10.1, with the written consent of more than fifty percent (50%) in aggregate principal amount of the Bonds Similarly Secured then Outstanding, the Owners may waive compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners. For the avoidance of doubt, any waiver given pursuant to this Section shall be subject to Section 11.5 below.

Section 10.8 Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of Bond Counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

No such amendment shall modify any of the rights or obligations of the Trustee without its written consent. In executing or accepting any Supplemental Indenture, the Trustee shall be fully protected in relying upon an opinion of nationally recognized bond counsel engaged by the Trustee and addressed and delivered to the Trustee stating that (a) the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture, (b) the execution and delivery of will not adversely affect the exclusion from federal gross income of the interest on the Bonds Similarly Secured, and (c) such Supplemental Indenture will, upon the execution and delivery thereof, to be a valid and binding obligation of the City.

ARTICLE XI
DEFAULT AND REMEDIES

Section 11.1 Events of Default.

Each of the following occurrences or events shall be and is hereby declared to be an “Event of Default,” to wit:

- (i) The failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
- (ii) The failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings;
- (iii) The failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledge Funds and available to the City to make the payments; and
- (iv) Default in the performance or observance of any other covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of a Quarter in Interest of the Bonds Similarly Secured with a copy to the Trustee, specifying such default by the Owners of a Quarter in Interest of the Bonds Similarly Secured requesting that the failure be remedied.

Section 11.2 Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any one or more of the Events of Default described in Section 11.1, the Trustee may, and at the written direction of the Owners of a Quarter in Interest of the Bonds Similarly Secured and its receipt of indemnity satisfactory to it shall, proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by this Indenture or by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; *provided, however*, that any action for money damages against the City shall be limited in recovery to the assets of the Trust Estate, including the Pledged Revenues. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies for default.

(b) THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in the payment of Bonds Similarly Secured due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate

assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale. The Trustee shall have no liability for its selection of Trust Estate assets to liquidate or sell.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Section 15.10 No Boycott of Israel.

To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Indenture. terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

Section 15.11 Iran, Sudan, and Foreign Terrorist Organizations.

The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to enable the City to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies,” a term defined in Section 2274.001(1), Texas Government Code (as enacted by such Senate Bill) by reference to Section 809.001, Texas Government Code (also as enacted by such Senate Bill), shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

Section 15.13 No Discrimination Against Firearm Entities and Firearm Trade Associations.

(a) To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Indenture. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification and the following definitions:

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Houston, Texas (the “*Designated Payment/Transfer Office*”), of BOKF, NA, as trustee and paying agent/registrar (the “*Trustee*”, which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the “*Special Payment Date*,” which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the “*Bonds*”), dated May 1, 2023 and issued in the aggregate principal amount of \$_____ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of May 1, 2023 (the “*Indenture*”), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Improvement Area #1 Improvements, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #1 Improvements, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the Actual Costs incidental to the organization and administration of the District, and (v) paying the costs of issuance of the Bonds.

The Bonds Similarly Secured are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among

others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond Similarly Secured, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in Authorized Denominations.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to 100% of the principal amount thereof, or portions thereof, to be redeemed plus accrued interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least 45 days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or such random method as Trustee shall deem fair and appropriate, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and

unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20[] before their scheduled maturity dates, in whole or in part, in amounts equal to Authorized Denominations, on or after September 1, 20[], such redemption date or dates to be fixed by the City, at 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a Redemption Price equal to at 100% of the principal amount of such Bonds called for redemption, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

Upon surrender of any Bond for redemption in part, the Trustee in accordance with the Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, which shall be an Authorized Denomination. A new Bond representing the unredeemed balance of such Bond shall be issued to the Owner thereof, such exchange being without charge. If any Bonds are to be redeemed and such redemption results in the unredeemed portion of a single Bond in an amount less than the Authorized Denomination, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

The Trustee shall give notice of any redemption of the Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also

contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of Bond Counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; *provided, however*, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF KYLE, TEXAS, HAYS COUNTY, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

The Assessment Plan is contained in **Section V**.

The PID Act requires an Assessment Roll that states the Assessment against each Parcel determined by the method chosen by the City. The Assessment against each Assessed Property must be sufficient to pay the share of the Actual Costs apportioned to the Assessed Property and cannot exceed the special benefit conferred on the Assessed Property by the Authorized Improvements. The Improvement Area #1 Assessment Roll is contained in **Exhibit E-1**.

SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan shall be updated in each Annual Service Plan Update. **Exhibit C** summarizes the Service Plan for the District.

Exhibit D summarizes the sources and uses of funds required to finance the Authorized Improvements. The sources and uses of funds shown on **Exhibit D** shall be updated in each Annual Service Plan Update.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this Service and Assessment Plan describes the special benefit received by each Assessed Property within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Owners and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by the Developer and their engineer and on review by the City staff and by third-party consultants retained by the City, has determined that Improvement Area #1 Projects shall be allocated to the Improvement Area #1 Assessed Property pro rata based on Estimated Buildout Value. Currently, the

Improvement Area #1 Initial Parcel is the only Parcel within Improvement Area #1, and as such, the Improvement Area #1 Initial Parcel is allocated 100% of the Improvement Area #1 Projects.

B. Improvement Area #1 Assessments

Improvement Area #1 Assessments are levied on the Improvement Area #1 Assessed Property according to the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit E-1**. The projected Improvement Area #1 Annual Installments are shown on **Exhibit E-2**, subject to revisions made during any Annual Service Plan Update.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Developer and their engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

1. The costs of the Improvement Area #1 Projects equal \$16,248,064 as shown on **Exhibit B**; and
2. The Improvement Area #1 Assessed Property receives special benefit from the Improvement Area #1 Projects equal to or greater than the Actual Costs of the Improvement Area #1 Projects allocated to the Improvement Area #1 Assessed Property; and
3. The Assessed Property is allocated 100% of the Improvement Area #1 Assessments levied for the Improvement Area #1 Projects, which equal \$15,852,000 as shown on the Improvement Area #1 Assessment Roll, attached as **Exhibit E-1**; and
4. The special benefit (\geq \$16,248,064) received by the Improvement Area #1 Assessed Property from the Improvement Area #1 Projects allocated to the Improvement Area #1 Assessed Property is greater than or equal to the amount of Improvement Area #1 Assessments (\$15,852,000) levied on the Improvement Area #1 Assessed Property; and
5. At the time the City Council approved the Assessment Ordinance levying the Improvement Area #1 Assessments, the Owners owned 100% of the Improvement Area #1 Assessed Property. In separate Landowner Certificates, the Owners acknowledged that the Improvement Area #1 Projects confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for the Actual Costs associated therewith. The Owners ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, and (2) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by the owners of each Assessed Property based on the amount of outstanding Assessment remaining on the Assessed Property. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised in Annual Service Plan Updates based on Actual Costs incurred.

E. Interest

The interest rate on Assessments securing the PID Bonds may exceed the interest rate on the PID Bonds by the Additional Interest Rate. Interest at the rate of the PID Bonds and the Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the Indenture.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The calculation of the Estimated Buildout Value of an Assessed Property shall be performed by the Administrator based on information from the Developer, Homebuilder, additional homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment

for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Owners shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, Homebuilder, additional homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment for such Lot Type. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments under applicable law or any portion of Assessed Property becomes Non-Benefited Property, the owner transferring the Assessed Property or causing the portion to become Non-Benefited Property shall pay to the City or the Administrator on behalf of the City the full amount of the outstanding Assessment, plus Prepayment Costs and Delinquent Collection Costs, if any, for such Assessed Property, prior to the transfer; provided that, however, such mandatory Prepayment of the Assessment shall not be required for portions of a Parcel that are dedicated or conveyed to the City, any other governmental entity or utility provider, or an Owners Association for use as internal roads, utilities, parks, drainage and detention facilities, and other similar improvements, in which case the Assessment that was allocated to the Parcel will be reallocated to the remainder of the Parcel. If a reallocation to the remainder of the Parcel as provided in the foregoing sentence causes the Assessment for such remainder to exceed the Maximum Assessment, the owner of the remainder of the Parcel must partially prepay the Assessment to the extent it exceeds the Maximum Assessment for such Parcel in an amount sufficient to reduce the Assessment to the Maximum Assessment.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for the payment thereof, the Trustee shall apply amounts on deposit in the applicable account of the Project Fund (as defined in the applicable Indenture) relating to the PID Bonds that are not expected to be used for purposes of the Project Fund, to redeem outstanding PID Bonds, in

accordance with the applicable Indenture. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the PID Act. Interest costs from the date of prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable Notice of Assessment Termination, a form of which is attached as **Exhibit H**.

If an Assessment is paid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the Prepayment made.

F. Prepayment as a Result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "Taking"), the portion of the Assessed Property that was taken or transferred (the "Taken Property") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the "Remaining Property") following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth

below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment and Annual Installments applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to be \$90 and the Annual Installments adjusted accordingly.

Notwithstanding the previous paragraphs in this subsection (F), if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection (F), the Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

G. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit E-2** shows the projected Improvement Area #1 Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The first Annual Installment will be delinquent if not paid by February 1, 2024.

SECTION VII: ASSESSMENT ROLLS

The Improvement Area #1 Assessment Roll is attached as **Exhibit E-1**. The Administrator shall prepare and submit to the City Council, for review and approval, proposed revisions to the Assessment Rolls and Annual Installments for each Parcel within the District as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council approval of the calculation; otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. Upon receipt of a written notice of error from an owner the Administrator shall provide a written response to the City Council and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response at a public hearing, and within 30 days after closing such hearing, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council may take such corrective action as is authorized by the PID Act, this Service and Assessment Plan, the Assessment Ordinance, or the Indenture, or is otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto in **Exhibit L-1** and **Exhibit L-2**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in the real property records of the County in its entirety.

E. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

DRAFT

IN REGARD to the authorization and issuance of the “City of Kyle, Texas Special Assessment Revenue Bonds, Series 2023 (Porter Country Public Improvement District Improvement Area #1 Project)” (the “Bonds”), dated May 1, 2023, in the principal amount of \$_____, we have examined the legality and validity of the issuance thereof by the City of Kyle, Texas (the “City”) solely to express legal opinions as to the validity of the Bonds and the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and for no other purpose. We have not been requested to investigate or verify, and we neither expressly nor by implication render herein any opinion concerning, the financial condition or capabilities of the City, or the history or prospects of the collection of the Pledged Revenues, the disclosure of any financial or statistical information or data pertaining to the City and used in the sale of the Bonds, or the sufficiency of the security for or the value or marketability of the Bonds, and have not assumed any responsibility with respect thereto. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Indenture.

THE BONDS are issued in fully registered form only and mature, unless redeemed prior to maturity in accordance with the terms stated on the Bonds, on September 1 in each of the years specified in the Bonds, all in accordance with the Indenture of Trust (the “Indenture”), dated as of May 1, 2023, between the City and BOKF, NA, as trustee (the “Trustee”), approved by the City Council of the City pursuant to an ordinance (the “Ordinance”) adopted by the City Council of the City on May 2, 2023 authorizing the issuance of the Bonds. The Bonds accrue interest from the date, at the rates, and in the manner and interest is payable on the dates, all as provided in the Indenture.

IN RENDERING THE OPINIONS herein we have examined and rely upon (i) original or certified copies of the proceedings had in connection with the issuance of the Bonds, including the Indenture, the Ordinance and an examination of the initial Bond executed and delivered by the City (which we found to be in due form and properly executed); (ii) certifications of officers of the City relating to the expected use and investment of proceeds of the sale of the Bonds and certain other funds of the City and (iii) other documentation and such matters of law as we deem relevant. In the examination of the proceedings relating to the issuance of the Bonds, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies, and the accuracy of the statements contained in such documents and certifications.

BASED ON OUR EXAMINATION, we are of the opinion that, under applicable law of the United States of America and the State of Texas in force and effect on the date hereof:

1. The Bonds have been authorized, issued and delivered in accordance with law; that the Bonds are valid, legally binding and enforceable limited obligations of the City in accordance with their terms payable solely from a first and prior lien on the Trust Estate, except to the extent the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws now or hereafter enacted relating to creditors' rights generally.

2. Assuming continuing compliance after the date hereof by the City with the provisions of the Indenture and in reliance upon representations and certifications of the City made in a certificate of even date herewith pertaining to the use, expenditure, and investment of the proceeds of the Bonds, interest on the Bonds for federal income tax purposes (i) will be excludable from gross income, as defined in Section 61 of the Internal Revenue Code of 1986, as amended to the date hereof, of the owners thereof pursuant to Section 103 of such Code, existing regulations, published rulings, and court decisions thereunder, and (ii) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals.

We express no opinion with respect to any other federal, state, or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. In each case, the Annual Issuer Report may be submitted as a single document or as separate documents comprising a package and may include by reference other information as provided in Section 4 of this Disclosure Agreement. The Issuer is providing the audited financial statement in connection with the requirements of this Disclosure Agreement and the Rule; notwithstanding such requirements, the Bonds are special obligations of the Issuer and do not give rise to a charge against the general credit or taxing power of the Issuer and are payable solely from the sources identified in the Indenture. If the audited financial statements of the Issuer are not available by the Annual Issuer Report Filing Date, the Issuer shall provide unaudited financial statements of the Issuer no later than the Annual Issuer Report Filing Date and audited financial statements as described in the preceding sentence when and if available.

(c) A form for submitting the information set forth in Section 4(a) above is attached as Exhibit B hereto. Any or all of the items listed above may be included by specific reference to other

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of the Annual Financial Information under this Section 4.

SECTION 5. Annual Collections Report.

All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

Not later than ten (10) days prior to the Annual Collections Report Filing Date, the Issuer shall provide the Annual Collections Report to the Dissemination Agent together with written direction to file such Annual Collections Report with the MSRB. The Dissemination Agent shall provide such Annual Collections Report to the MSRB not later than ten (10) days from receipt of such Annual Collections Report from the Issuer, but in no event later than the Annual Collections Report Filing Date.

If by the fifth (5th) day before the Annual Collections Report Filing Date, the Dissemination Agent has not received a copy of the Annual Collections Report, the Dissemination Agent shall contact the Disclosure Representative in writing (which may be by e-mail) to remind the Issuer of its undertaking to provide the applicable Annual Collections Report pursuant to this subsection 5(a). Upon such reminder, the Disclosure Representative shall either (i) provide the Dissemination Agent with an electronic copy of the Annual Collections Report no later than two (2) Business Days prior to the Annual Collections Report Filing Date; or (ii) instruct the Dissemination Agent in writing that the Issuer will not be able to provide the Annual Collections Report by the Annual Collections Report Filing Date, state the date by which the Annual Collections Report for such year will be provided and instruct the Dissemination Agent to immediately send a notice to the MSRB in substantially the form attached as Exhibit A; provided, however, that in the event the Disclosure Representative is required to act under either (i) or (ii) described above, the Dissemination Agent still must file the Annual Collections Report or the notice of failure to file, as applicable, to the MSRB, no later than the Annual Collections Report Filing Date; provided further, however, that in the event the Disclosure Representative fails to act under either (i) or (ii) described above, the Dissemination Agent shall file a notice of failure to file no later than on the last Business Day prior to the Annual Collections Report Filing Date; or the Issuer will notify the Dissemination Agent in writing that the Issuer will provide or cause to be provided the Annual Collections Report to the MSRB through alternate means. Such information shall cover the period beginning the first (1st) day of the Fiscal Year succeeding the reporting Fiscal Year through the Collections Reporting Date. If the State Legislature amends the definition of Delinquency Date or Tax Year, the City shall file notice of such change or changes with the MSRB prior to the next Annual Collections Report Filing Date. The Administrator, and if no Administrator is designated, Issuer's staff, shall prepare the Annual Collections Report. In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of the Annual Collections Report under this Section 5.

SECTION 6. Reporting of Significant Events and Special Events.

(a) Pursuant to the provisions of this Section 6(a), each of the following is a Listed Event with respect to the Bonds:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults, if material.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.
4. Unscheduled draws on credit enhancements reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.
6. Adverse tax opinions, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.
7. Modifications to rights of Owners, if material.
8. Bond calls, if material, and tender offers.
9. Defeasances.
10. Release, substitution, or sale of property securing repayment of the bonds, if material.
11. Rating changes.

12. Bankruptcy, insolvency, receivership or similar event of the Issuer.

13. The consummation of a merger, consolidation, or acquisition of the Issuer, or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.

14. Appointment of a successor or additional trustee under the Indenture or the change of name of a trustee, if material.

15. Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material.

16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

The sale by the Developer of real property within Improvement Area #1 will not constitute a Listed Event for the purposes of paragraph (10) above.

For these purposes, any event described in paragraph (12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

The Issuer intends the words used in paragraphs (15) and (16) above and the definition of Financial Obligation to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018. For the avoidance of doubt, the incurrence of Additional Obligations without the filing of a corresponding official statement with the MSRB will constitute the incurrence of a material Financial Obligation for which a notice of a Listed Event in accordance with this Section 6 must be filed with the MSRB.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event; provided, however, the failure of the Issuer to provide timely written notice to the Dissemination Agent in accordance with this paragraph shall not constitute a failure of the Dissemination Agent to comply with the MSRB's ten (10) Business Day filing requirement.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information. In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made under this Section 6. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 6 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, promptly, and not more than five (5) Business Days after obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative in writing of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed in writing by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than two (2) Business Days following the day on which it receives such written instructions. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8 (as to bond calls only), 10, 13, 14 or 15 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after the occurrence of the event, notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

(d) Pursuant to the provisions of this Section 6(d), each of the following is a Special Event with respect to the Bonds:

1. Draw on the Letter of Credit by the City for financing the costs of the Designated Improvements; and
2. Occurrence of an “Event of Default” under the Completion Agreement.

Upon the occurrence of a Special Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a Special Event Filing with the MSRB. A Special Event Filing to be made in connection with a draw on the Letter of Credit must contain (i) the date of the draw request, (ii) the amount of the draw on the Letter of Credit and (iii) the Designated Improvement or Designated Improvements to be financed by such draw. A Special Event Filing to be made in connection with an Event of Default under the Completion Agreement must contain (i) the

nature of the default, (ii) the date of the Event of Default and (iii) the remedies sought by the Issuer. The Dissemination Agent shall file such Special Event Filing no later than the Business Day immediately following the day on which it receives such Special Event Filing from the Issuer. Any such filing is required to be filed within ten (10) Business Days of the occurrence of such Special Event; provided, however, the failure of the Issuer to provide timely written notice to the Dissemination Agent in accordance with this paragraph shall not constitute a failure of the Dissemination Agent to comply with the ten (10) Business Day filing requirement. In addition, the Issuer shall have the sole responsibility to ensure that any Special Event Filing required to be filed under this Section 6(d) is filed within ten (10) Business Days of the occurrence of a draw on the Letter of Credit, pursuant to the Completion Agreement.

SECTION 7. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent and the Administrator of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Administrator and Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until they receive written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Administrator and Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to the Bonds under Section 6(a).

SECTION 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If the Issuer discharges the Dissemination Agent without appointing a successor Dissemination Agent, the Issuer shall use best efforts to appoint a successor Dissemination Agent within thirty (30) days of such discharge. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be BOKF, NA, Houston, Texas. The Issuer will give prompt written notice to the Developer, or any other party responsible for providing quarterly information pursuant to the Disclosure Agreement of Developer, of any change in the identity of the Dissemination Agent under the Disclosure Agreement of Developer. The Dissemination Agent may resign at any time with thirty (30) days' written notice to the Issuer.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer, the Administrator and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested in writing by the Issuer or the Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, 5 or 6(a), it may only be made in connection with a change in circumstances that arises from a change in legal

requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Financial Information, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(a), and (ii) the Annual Financial Information for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report, Annual Collections Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report, Annual Collections Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report, Annual Collections Report or notice of occurrence of a Listed Event.

SECTION 11. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent or any Owner or beneficial owner of the Bonds may, and the Trustee (at the written request of any Participating Underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction) shall, take such actions as may be necessary and appropriate to cause the Issuer to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement shall not be deemed a default under the Disclosure Agreement of Developer

and a default under the Disclosure Agreement of Developer shall not be deemed a default under this Disclosure Agreement.

SECTION 12. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to indemnify and hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only from Annual Collection Costs collected from the property owners in Improvement Area #1, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. If the Issuer does not provide the Dissemination Agent with the Annual Issuer Report in accordance with Section 3(a) or the Annual Collections Report in accordance with Section 5(a), the Dissemination Agent shall not be responsible for the failure to submit an Annual Issuer Report or Annual Collections Report, as applicable, to the MSRB. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 6 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only from Annual Collection Costs collected from the property owners in Improvement Area #1, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify

the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties, or the failure of any third party to provide information to the Administrator as and when required under this Disclosure Agreement, or the failure of the Developer to provide information to the Administrator as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an “obligated person” under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(c) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY PARTY TO THIS DISCLOSURE AGREEMENT WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 13. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit D which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments. Failure to adhere to such expected timeline shall not constitute a default by the Issuer under this Disclosure Agreement, the Indenture, the Bonds or any other document related to the Bonds.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, the Administrator or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer, the Administrator or Dissemination Agent in other than that person’s official capacity.

SECTION 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or

any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Sovereign Immunity. The Dissemination Agent and the Administrator agree that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 17. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 18. Dissemination Agent and Administrator Compensation. The fees and expenses incurred by the Dissemination Agent and the Administrator for their respective services rendered in accordance with this Disclosure Agreement constitute Annual Collection Costs and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent and the Administrator, but only with funds to be provided from the Annual Collection Costs component of the Annual Installments collected from the property owners in Improvement Area #1, for the fees and expenses for their respective services rendered in accordance with this Disclosure Agreement.

SECTION 19. Anti-Boycott Verification. The Dissemination Agent and Administrator, each respectively, hereby verify that the Dissemination Agent, the Administrator and any parent company, wholly- or majority-owned subsidiaries, and other affiliates of the Dissemination Agent and Administrator, if any, do not boycott Israel and, to the extent this Disclosure Agreement is a contract for goods or services, will not boycott Israel during the term of this Disclosure Agreement. The foregoing verification is made solely to enable the Issuer to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal or State law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

SECTION 20. Iran, Sudan and Foreign Terrorist Organizations. The Dissemination Agent and the Administrator, each respectively, represent that neither the Dissemination Agent, the Administrator nor any parent company, wholly- or majority-owned subsidiaries, and other affiliates of the Dissemination Agent or the Administrator is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,

<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to enable the Issuer to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal or State law and excludes the Dissemination Agent, the Administrator and each parent company, wholly- or majority-owned subsidiaries, and other affiliates of the Dissemination Agent or the Administrator, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

SECTION 21. No Discrimination Against Fossil-Fuel Companies. To the extent this Disclosure Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Dissemination Agent and the Administrator, each respectively, hereby verify that the Dissemination Agent, the Administrator and any parent company, wholly- or majority-owned subsidiaries, and other affiliates of the Dissemination Agent and Administrator, if any, do not boycott energy companies and will not boycott energy companies during the term of this Disclosure Agreement. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above.

SECTION 22. No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Disclosure Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Dissemination Agent and the Administrator, each respectively, hereby verify that the Dissemination Agent, the Administrator and any parent company, wholly- or majority-owned subsidiaries, and other affiliates of the Dissemination and Administrator, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this Disclosure Agreement against a firearm entity or firearm trade association. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification,

(a) “discriminate against a firearm entity or firearm trade association” (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the

established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association,

(b) "firearm entity" means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code), and

(c) "firearm trade association" means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

SECTION 23. Affiliate. As used in Sections 19 through 22, the Dissemination Agent and Administrator, each respectively, understand "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Dissemination Agent or the Administrator within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

SECTION 24. Disclosure of Interested Parties. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement. Submitted herewith is a completed Form 1295 in connection with the Administrator's participation in the execution of this Disclosure Agreement generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The Issuer hereby confirms receipt of the Form 1295 from the Administrator, and the Issuer agrees to acknowledge such form with the TEC through its electronic filing application not later than the thirtieth (30th) day after the receipt of such form. The Administrator and the Issuer understand and agree that, with the exception of information identifying the Issuer and the contract identification number, neither the Issuer nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Administrator; and, neither the Issuer nor its consultants have verified such information.

SECTION 25. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

In no event shall the Dissemination Agent be liable in damages or in tort to the Participating Underwriter, the Administrator, the Issuer, any Reporting Party or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(e) If the Dissemination Agent has been notified in writing by a Reporting Party to report the occurrence of a Listed Event in accordance with subsection (c) or (d) of this Section 4, the Dissemination Agent shall file a notice of such occurrence with the MSRB promptly after its receipt of such written instructions from such Reporting Party; provided that all such notices must be filed no later than the date specified in subsection (c) of this Section 4 for such Listed Event.

SECTION 5. Assumption of Reporting Obligations by Developers.

The Developer shall cause each Person, who, through assignment, assumes the obligations, requirements or covenants to construct one or more of the Improvement Area #1 Improvements, Improvement Area #1 Privately Financed Public Improvements, the Privately Financed Improvements or HOA Amenities, to assume and comply with the disclosure obligations of the Developer under this Disclosure Agreement. The Developer shall deliver to the Dissemination Agent, Administrator and the

Issuer, a written acknowledgement and assumption from each Person, who assumes the obligations, requirements or covenants to construct one or more of the Improvement Area #1 Improvements, Improvement Area #1 Privately Financed Public Improvements, Privately Financed Improvements or HOA Amenities in substantially the form attached as Exhibit E (the “Developer Acknowledgment”), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Section 4(a)(ix) above, the Developer shall direct the Dissemination Agent to file a copy of each Developer Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Person, and such Person’s delivery of written acknowledgement of assumption of Developer’s obligations under this Disclosure Agreement as to the property transferred, the Developer shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. Notwithstanding anything to the contrary elsewhere herein, after such assignment, the Developer shall not be liable for the acts or omissions of such Person arising from or in connection with such disclosure obligations under this Disclosure Agreement. Additionally, for the avoidance of doubt, the Developer shall require that any Person comply with obligations of this Section 5 with respect to any subsequent transfers by such Person to any individual or entity meeting the definition of a “Developer” in the future.

SECTION 6. Assumption of Reporting Obligations by Significant Homebuilders.

If a Homebuilder acquires ownership of real property in Improvement Area #1 resulting in such Homebuilder becoming a Significant Homebuilder, the Developer may (i) cause such Significant Homebuilder to comply with the Developer’s disclosure obligations under Section 3(d)(iv) and Section 4(b) hereof, with respect to such acquired real property until such party’s disclosure obligations terminate pursuant to Section 7 of this Disclosure Agreement or (ii) elect to provide any or all Quarterly Information on behalf of such Significant Homebuilder; provided, however, a Significant Homebuilder who is also a Developer shall be required to provide the disclosure information required by Sections 3 and 4(a), as applicable, pursuant to Section 5 above; provided further, however, that if the Developer initially elects to provide any or all Quarterly Information on behalf of such Significant Homebuilder, the Developer may elect in the future to cause such Significant Homebuilder to comply with the Developer’s disclosure obligations, as described in (i) above.

If the Developer elects to cause a Significant Homebuilder to comply with the Developer’s disclosure obligations, as described above, the Developer shall deliver to the Dissemination Agent, Administrator and the Issuer, a written acknowledgement from each Significant Homebuilder, in substantially the form attached as Exhibit F (the “Significant Homebuilder Acknowledgment”), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Sections 4(a)(ix) and 4(b)(vi) above, the Developer or Significant Homebuilder, as applicable, shall direct the Dissemination Agent to file a copy of the Significant Homebuilder Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Significant Homebuilder, and such Significant Homebuilder’s delivery of written acknowledgement of assumption of Developer’s obligations under this Disclosure Agreement as to the property transferred, the Developer shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. The Developer shall remain obligated with respect to any real property acquired by a Significant Homebuilder until an acknowledgment of assignment with respect to such real property is delivered to the Dissemination Agent, Administrator, the Issuer and the MSRB, in accordance with this Section 5(c).

Notwithstanding anything to the contrary elsewhere herein, after such transfer of ownership, the Developer shall not be liable for the acts or omissions of such Significant Homebuilder arising from or in connection with such disclosure obligations under this Disclosure Agreement. Additionally, for the avoidance of doubt, the Developer shall use commercially reasonable efforts to require that any Significant Homebuilder comply with obligations of this Section 6 with respect to any subsequent transfers by such Significant Homebuilder to any individual or entity meeting the definition of a “Significant Homebuilder” in the future, including the requirement, pursuant to Section 4(b)(vi) above, to direct the Dissemination Agent to file a copy of the Significant Homebuilder Acknowledgment with the MSRB, in accordance with Section 4(c) and 4(e) above.

SECTION 7. Termination of Reporting Obligations.

(a) The reporting obligations of the Developer under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) the date when (x) all of the Improvement Area #1 Improvements are complete, (y) the Developer no longer owns at least twenty (20) of the single family residential lots within Improvement Area #1, and (z) the Developer is not reporting on behalf of any Significant Homebuilder. Notwithstanding the foregoing, if the Developer is reporting on behalf of a Significant Homebuilder, the Developer’s reporting obligations, with respect to the property owned by the Significant Homebuilder, terminates in accordance with subsection (b) below.

(b) The reporting obligations of a Significant Homebuilder, if any, under this Disclosure Agreement shall terminate upon the earlier of the date when (i) none of the Bonds remain Outstanding, or (ii) the Significant Homebuilder no longer owns at least twenty (20) of the single family residential lots within Improvement Area #1.

(c) At such time that the reporting obligations of the Developer or Significant Homebuilder, if any, terminate in accordance with subsection (a) or (b) of this Section 7, the Administrator shall provide written notice to the Developer or Significant Homebuilder, as applicable, the Participating Underwriter, the Issuer and the Dissemination Agent in substantially the form attached as Exhibit C, thereby, terminating the applicable party’s reporting obligations under this Disclosure Agreement (the “Termination Notice”). If such Termination Notice with respect to the Developer or Significant Homebuilder occurs while any of the Bonds remain Outstanding, the Administrator shall immediately provide, or cause to be provided, the Termination Notice to the Dissemination Agent, and the Dissemination Agent shall provide such Termination Notice to the MSRB, the Issuer, the Trustee, the Developer or Significant Homebuilder, as applicable, and the Participating Underwriter on or before the next succeeding Quarterly Filing Date.

(d) The obligations of the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) termination of the Developer’s and all Significant Homebuilder’s, if any, reporting obligations in accordance with subsection (a) or (b) of this Section 7 and any Termination Notice required by subsection (c) of this Section 7 has been provided to the MSRB, the Issuer, the Trustee, the Developer or Significant Homebuilder, as applicable, and the Participating Underwriter.

SECTION 8. Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be BOKF, NA, Houston, Texas. The Issuer may, from time to time, appoint or engage a successor

Dissemination Agent to assist the Reporting Parties in carrying out their obligations under this Disclosure Agreement and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. Pursuant to the Disclosure Agreement of the Issuer, the Issuer has agreed to provide written notice to each then-existing Reporting Party of any change in the identity of the Dissemination Agent.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Developer, the Administrator and the Dissemination Agent may jointly amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Developer or Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3 or 4, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of any Reporting Party, or the type of business conducted; and

(b) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

(c) In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Administrator shall describe such amendment in the next related Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type of financial information or operating data being presented by the Reporting Parties. The Developer shall provide, or cause to be provided, at its cost and expense, an executed copy of any amendment or waiver entered into under this Section 9 to the Issuer, the Administrator, the Dissemination Agent, and the Participating Underwriter.

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent any Reporting Party from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in addition to that which is required by this Disclosure Agreement. If any Reporting Party chooses to include any information in any Quarterly Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, no Reporting Party shall have an obligation under this Disclosure Agreement to update such information or include it in any future Quarterly Report or notice of occurrence of a Listed Event.

SECTION 11. Content of Disclosures. In all cases, the applicable Reporting Party shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures, whether provided under Section 3, 4 or 10 of this Disclosure Agreement.

SECTION 12. Default. In the event of a failure of a Reporting Party, Dissemination Agent or Administrator to comply with any provision of this Disclosure Agreement, any Owner or beneficial owner of the Bonds may, and the Trustee (at the written request of any Participating Underwriter or the

Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction) shall, take such actions as may be necessary and appropriate to cause the Reporting Party, Dissemination Agent and/or the Administrator to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Reporting Party, Dissemination Agent or the Administrator to comply with this Disclosure Agreement shall be an action to mandamus or specific performance. A default under this Disclosure Agreement shall not be deemed a default under the Disclosure Agreement of the Issuer, and a default under the Disclosure Agreement of the Issuer shall not be deemed a default under this Disclosure Agreement. Furthermore, a default under this Disclosure Agreement by any Reporting Party shall not be deemed a default under this Disclosure Agreement by any other Reporting Party, and no Reporting Party shall have any obligation to take any action to mitigate or cure the default of any other Reporting Party.

SECTION 13. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Quarterly Report) prepared by a Reporting Party and/or the Administrator pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. The Developer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Dissemination Agent shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Dissemination Agent hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Dissemination Agent and believed to be genuine and to have been signed or presented by the proper party or parties.

(b) Except as otherwise provided herein, the Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. The Developer agrees to hold harmless the Administrator, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's breach, negligence or willful misconduct. The obligations of the Developer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under

the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

(c) The Dissemination Agent or the Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(d) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, THE DEVELOPER, OR ANY OTHER REPORTING PARTY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY PARTY TO THIS DISCLOSURE AGREEMENT OR A REPORTING PARTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation or agreement of a Reporting Party, the Administrator or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future officer, agent or employee of the Reporting Party, the Administrator or Dissemination Agent in other than that person's official capacity.

SECTION 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Reporting Parties, the Administrator, the Dissemination Agent, the Issuer, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create

no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Annual Collection Costs and will be included in the Annual Installments as provided in the Annual Service Plan Update. The Issuer shall pay or reimburse the Dissemination Agent, but only with funds to be provided from the Annual Collection Costs component of the Annual Installments collected from the property owners in Improvement Area #1, for the fees and expenses for its services rendered in accordance with this Disclosure Agreement.

SECTION 18. Administrator Compensation. The fees and expenses incurred by the Administrator for its services rendered in accordance with this Disclosure Agreement constitute Annual Collection Costs and will be included in the Annual Installments as provided in the Annual Service Plan Update. The Administrator has entered into a separate agreement with the Issuer, which agreement governs the administration of Improvement Area #1, including the payment of the fees and expenses of the Administrator for its services rendered in accordance with this Disclosure Agreement.

SECTION 19. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 20. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

(1) An Appraisal of the Property has been prepared by a third party selected by the City prior to issuance of PID Bonds;

(f) Agree that this Agreement does not waive the requirements of any Applicable Rules and City Regulations, except as specifically provided herein.

3.3 Conditions. Notwithstanding any other codes, resolutions, or ordinances of the City or any agreements related to the PID to the contrary, in the event any of the following events should occur: (i) the City identifies material flaws in the assumptions set forth in the PID Finance Exhibits, including but not limited to whether the proposed Special Assessments will impact the marketability of the Project; (ii) the Owner fails to give the City notice of its request to issue PID Bonds; (iii) the Appraisal does not demonstrate that Property meets the value to lien ratio set forth in this Agreement; or (iv) the City fails for any reason to authorize the issuance of the PID Bonds to finance the Authorized Improvements on or before the Bond Authorization Date in accordance with the PID Finance Exhibits, which date may be extended by mutual agreement of the Parties, the Parties shall confer to determine whether the issuance of PID Bonds is feasible based on the conditions set forth in Section 9.1. If the Parties elect not to proceed with the issuance of PID Bonds, then the Owner shall develop the Project in accordance with this Agreement and may be reimbursed for the costs of the Authorized Improvements pursuant to a Reimbursement Agreement.

(c) For the purpose of establishing development standards for the Property, the following definitions, shall apply:

4.3 Zoning. The Property is currently zoned pursuant to the Porter Country PUD. The Owner agrees to develop the Property consistent with the Porter Country PUD, as may be amended pursuant to the process, notice, hearings, and procedures applicable to all other properties within the City.

4.4 Vested Rights. The City acknowledges that the Owner shall be deemed vested from the Effective Date of this Agreement to develop the Project in accordance with this Agreement, the Porter Country PUD, the City Regulations, and the Code of Ordinances to the extent and for such matters as vesting is applicable pursuant to Chapter 245 of the Texas Local Government Code. The Owner's vesting shall expire (1) on the fifth anniversary from the date a concept plan is filed with the City if no progress has been made towards completion of the Project; or (2) if this Agreement is terminated by reason of Owner's default beyond any applicable notice and cure periods (the "Vested Rights"). Progress toward completion of the Project shall be defined as set forth in Section 245.005(c), Texas Local Government Code. The Owner does not, by entering into this Agreement, waive any rights or obligations arising under Chapter 245 of the Texas Local Government Code. The Parties acknowledge and agree that this paragraph shall not apply to fees imposed in conjunction with development permits.

In consideration of Owner's agreements, the City agrees that it will not, during the term of this Agreement, impose or attempt to impose: (a) any moratorium on building or development within the Project or (b) any land use or development regulation that limits the rate or timing of land use approvals, whether affecting subdivision plats, site development permits or other necessary approvals, within the Project except for moratoria imposed pursuant to Texas Local Government Code Subchapter E, Section 212.131 et. seq. This Agreement on the part of the City will not apply to temporary moratoriums uniformly imposed throughout the City due to an emergency constituting an imminent threat to the public health or safety, provided that the temporary moratorium continues only during the duration of the emergency.

4.6 Parkland. Approximately 70.6 acres shall be dedicated as parkland and open space as more particularly depicted in Exhibit "D" ("Parkland and Open Space"). Provided the Owner utilizes or dedicates such Parkland and Open Space acreage substantially in accordance with Exhibit "D", Developer shall be deemed to have satisfied all applicable parkland dedication or improvement requirements or payment of fees required in lieu thereof, of any kind whatsoever. Owner shall design, construct and install the public amenities listed and referenced in Exhibit "D", as more particularly referenced and described hereinafter ("Public Amenities"). Owner shall convey the approximately 70.6 acres by deed to the City upon City's approval of the final plat for the portion of the Property in which the applicable Parkland and Open Space is contained. All Parkland and Open Space conveyed to the City and all Public Amenities described in Exhibit "D" will be maintained and operated by the Association, as the term is defined in Section 10.1, commencing upon the conveyance of the applicable Parkland and Open Space or acceptance of the first Public Amenities by the City (as applicable) and continuing for as long as the Parkland and Open Space is used as parkland. Parkland and Open Space shall be dedicated at the time of final plat approval for the portion of the Property in which the Parkland and Open Space is contained. The Public Amenities listed and described in Exhibit "D" will be constructed within the Project in phases concurrently with development of each phase (and as further set forth in Exhibit "D" attached hereto) in which the applicable Public Amenities are located; provided, Owner shall provide to or for the benefit of City, as security for the performance of such obligation, a payment and performance bond for the benefit of the City (or any

combination thereof) in an amount not less than 110% of the then-projected cost of any such unconstructed Public Amenities for a phase prior to any final plat filing for a particular phase. Owner shall have the right to draw down on the security posted as construction of the Public Amenities progresses. All Public Amenities described in Exhibit “D” and all Parkland and Open Space conveyed to the City will be Authorized Improvements maintained and operated by the Association, and the Owner and/or the Association and the City will enter into a maintenance and operation agreement substantially in the form attached hereto as Exhibit “E” concurrently with the conveyance of the Parkland and Open Space or Public Amenities, as applicable.

4.7 Project Entrances. Owner shall construct a primary entry at FM 2001 with improvements that include, but not limited to, an entry monument constructed from durable materials, such as concrete, metal, and masonry with lighting, landscaping, an entry park, a landscaped median, and street trees. The frontage along Hillside Terrace and FM 2001 shall include a fence constructed from masonry or concrete (including fencecrete) along the rear of residential lots abutting the rights-of-way, trees, and other landscaping. The entryway improvements, lighting, and landscape improvements set forth in this Section 4.8 may be included as Authorized Improvements.

4.8 Vybe Trail Extension. On or before three (3) days prior to the closing of PID Bonds issued for Improvement Area #2 of the Project, Owner shall deposit or cause to be deposited the sum of four hundred thousand dollars (\$400,000.00) with a third party title company selected by the Parties (the “Escrow Agent”) to be held in escrow (the “Vybe Trail Extension Escrow”) and used for the payment of a portion of the costs related to the construction of a portion of the Violet Crown Trail extending from the southern boundary of the Property to Windy Hill Road and substantially consistent with the highlighted segment of the Violet Crown Trail as depicted on the Citywide Trails Master Plan attached hereto as Exhibit “F” (the “Vybe Trail Extension”). The City shall be responsible for obtaining all funding approvals necessary for the additional costs of the Vybe Trail Extension as well as obtaining all easements and rights of way necessary for the construction of the Vybe Trail Extension. If the City has obtained all funding approvals, easements, and rights of way necessary for the construction of the Vybe Trail Extension on or before the Owner’s commencement of construction of the portion of the Vybe Trail on the Property which connects to the Vybe Trail Extension, the Vybe Trail Extension Escrow funds will be released to the City for use of the construction of the Vybe Trail Extension pursuant to a separate escrow agreement between the City, the Owner, and the Escrow Agent. The Owner agrees to manage construction of the Vybe Trail Extension during construction of the portion of the Vybe Trail which connects to the Property. The Owner shall not be required to provide payment, performance, or maintenance bonds related to the Vybe Trail Extension. Upon completion of the Vybe Trail Extension, the Owner shall not be required to maintain or cause to be maintained the Vybe Trail Extension and shall have no ongoing responsibilities with respect to the Vybe Trail Extension. In the event the City has not obtained all funding approvals, easements, and rights of way necessary for the construction of the Vybe Trail Extension on or before the Owner’s commencement of construction of the portion of the Vybe Trail on the Property which connects to the Vybe Trail Extension, the Vybe Trail Extension Escrow shall be returned to the Owner, and such four hundred thousand dollar (\$400,000.00) funding contribution shall be deemed forfeited by the City.

PID TRUE UP

5.1 PID True Up.

- (a) The following definitions shall be used in this Article V:

(1) “Maximum Special Assessment” means, for each lot classification identified in the Service and Assessment Plan (“SAP”), an Special Assessment equal to an amount that produces an average annual installment (inclusive of principal, interest, and administrative expenses) resulting in the Maximum Equivalent Tax Rate. The Maximum Special Assessment shall only be calculated upon (i) for a parcel being created by a subdivision plat, at the time of the filing of a subdivision plat, and (ii) for parcels whose Special Assessments are securing a series of PID Bonds, at the time such PID Bonds are issued.

(2) “Maximum Equivalent Tax Rate” means, for each lot classification identified in the SAP, a maximum overlapping tax rate equivalent, including all taxing entities, of \$3.05 per \$100 of estimated buildout value, but in no case less than a PID Special Assessment tax rate equivalent of \$0.47 per \$100 of estimated buildout value. The estimated buildout value for a lot classification shall be determined by the PID administrator using information provided by the Owner and confirmed by the City Council by considering such factors as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, builder contracts, discussions with homebuilders, reports from third party consultants, information provided by the Owner, or any other information that may help determine buildout value.

(b) Mandatory Reduction in Special Assessments if Maximum Special Assessment Exceeded.

(1) Maximum Special Assessment Exceeded at Plat. If the subdivision of any assessed property by a recorded subdivision plat causes the Special Assessment per lot to exceed the Maximum Special Assessment, then prior to the City approving the plat, the Owner must partially prepay the Special Assessment for each property that exceeds the Maximum Special Assessment in an amount sufficient to reduce the Special Assessment to the Maximum Special Assessment.

(2) Maximum Special Assessment Exceeded at PID Bond Issuance. At the time PID Bonds are issued, if the Special Assessment per Lot for any lot classification identified in the SAP exceeds the Maximum Special Assessment, then prior to the issuance of PID Bonds, the Special Assessment on the parcel shall be reduced until the Special Assessment equals the Maximum Special Assessment.

ARTICLE VI

The Project Engineer will prepare the design, construction plans and specifications, and supporting documentation for the development of the Property. The Project Engineer will work and coordinate with the City Engineer to obtain the review and approval by Owner, the City Engineer and the Director of Development Services of such design, plans and specifications and supporting documentation. The Owner may, from time to time and at any time, replace the Project Engineer in the Owner’s sole and absolute discretion. In the event Owner elects to replace the Project Engineer, the Owner will provide written notice to the City of the replacement engineer.

6.2 Project Facilities. The Project Facilities collectively consist of the Authorized Improvements and the Wastewater Improvements.

ARTICLE VII

PLAN REVIEW/APPROVAL AND BIDDING OF PROJECT FACILITIES

7.1 Plan Review and Approval. The City and the Owner shall cooperate in good faith and in a diligent manner to provide the Project Engineer with all information required to prepare a complete set of plans and specifications for each of the Project Facilities (the “Plans”). The Owner elects and agrees that the Concept Plan, preliminary plans, construction plans, and final plat for the Project shall be reviewed under City’s alternative review process to allow for concurrent review. The City and the Owner shall work together in good faith to prepare and finalize the final plats and Plans, to maximize value, and to ensure the construction costs for all of the Project Facilities are commercially reasonable. Upon receipt of draft final plats and Plans from the Owner or Project Engineer, the Owner shall submit such final plats and Plans to the City. The Owner shall also provide to the City a cost estimate of the cost to construct the Project Facilities based on the Plans provided (“Cost Estimate”) and an estimated construction schedule based on such Plans. The City and Owner agree to work diligently with one another to finalize the Plans and keep the costs commercially reasonable. The City shall have fourteen (14) days from its receipt of first submittal of the final plats and Plans to approve or deny the final plats and Plans or to provide comments back to the submitter of the final plats and Plans. If any approved construction and/or engineering final plats and Plans are amended or supplemented, the City shall have seven (7) days from its receipt of such amended or supplemented final plats and Plans to approve or deny the final plats and Plans or to provide comments back to the submitter of the final plats and Plans. Any written City approval or denial must be based on compliance with applicable City Regulations. If the City does not specifically approve or deny the submitted Plans within the above-described time periods, the City shall be promptly notified; if, after five (5) business days from the date of receipt of such notification the City has not specifically approved or denied the submitted Plans or provided comments back to the submitter, or if the Parties have not agreed to additional time for the City to respond, the Plans shall be deemed approved. After Owner receives any comments to the Plans, the Owner shall revise the Plans accordingly to address such comments and value engineering. The foregoing process shall repeat until the Plans are approved by the Owner and the City. The City agrees not to unreasonably withhold its approval of the final plats or Plans. Upon approval of the Plans, the City and the Owner shall sign, date and exchange an index of drawings identifying such approved Plans. Once the Plans are approved by the City and the Owner, the Plans shall not be modified or amended without the prior written consent of both the City and the Owner, which both Parties agree to give reasonably; provided that such changes do not result in a material increase in cost. Following approval of the Plans, the Owner shall, at the Owner’s cost and expense and in compliance with all applicable codes, laws, regulations and ordinances, cause the construction of the Project Facilities in accordance with the Plans. The City shall cooperate with the Owner in connection with obtaining the necessary permits for the Project Facilities. If any provision in this paragraph conflicts with any other provision in this Agreement, this paragraph controls.

7.2 Project Facilities Costs Expenses and Reimbursement. All costs and expenses for designing, bidding, constructing and installing the Project Facilities shall initially be paid by the Owner. The Owner shall be eligible for reimbursement of the Project Facilities as set forth in this Agreement.

7.3 Competitive Bidding. This Agreement and construction of the Authorized Improvements are anticipated to be exempt from competitive bidding pursuant to Sections 252.022(a)(9) and 252.022(a)(11) of the Texas Local Government Code based upon current cost estimates. However, in the event that the actual costs for the Authorized Improvements do not meet the parameters for exemption from the competitive bid requirement, then alternative delivery methods may be used by the City as allowed by law.

7.4 Project Facilities Constructed on City Land or the Property. If the Project Facilities are on land owned by the City, the City shall grant to the Owner a temporary easement to enter upon such land for purposes related to construction (and maintenance pending acquisition and acceptance) of the Project Facilities in a form acceptable to both Parties. If the Project Facilities are on land owned by the Owner, the

Owner shall execute and deliver to the City such access, maintenance and operation easements as the City may reasonably require in recordable form, and the Owner shall grant to the City a permanent access, maintenance and operation easement to enter upon such land for purposes related to inspection, maintenance and operation of the Project Facilities in a form acceptable to the City. The grant of the permanent easement shall not relieve the Owner of any obligation to grant the City, Goforth SUD, Windy Hill, or other entity, as applicable, title to property and/or easements related to the Project Facilities as required by this Agreement or as should in the City's reasonable judgment be granted to provide for convenient access to and routine and emergency maintenance of such Project Facilities. The provisions for inspection and acceptance of such Project Facilities otherwise provided herein shall apply.

ARTICLE VIII

CONSTRUCTION OF PROJECT FACILITIES; PAYMENT

8.1 Construction of the Project Facilities. Owner shall design, construct, install and obtain City acceptance and Goforth SUD acceptance, as applicable, of the Authorized Improvements in accordance with the terms and conditions of this Agreement. Owner shall design, construct, install and obtain Windy Hill acceptance of the Wastewater Improvements in accordance with the terms and conditions of this Agreement.

8.2 Payment, Performance and Maintenance Bonds. The City shall require the Owner to provide performance and payment bonds (in a form reasonably acceptable to the City) at the time of final plat approval to assure that the Authorized Improvements are constructed as proposed. The Owner shall provide, or cause to be provided, a two (2) year maintenance bond upon acceptance of applicable Authorized Improvements by the City.

8.3 City Acceptance.

(a) Within thirty (30) days after the City's final inspection and correction of punch list items of the Authorized Improvements (or applicable segment thereof), the Owner shall convey to the City (if requested by the City and by an instrument acceptable to the City), and the City will accept the applicable Authorized Improvements as follows:

(1) The Owner shall provide the City Engineer with a set of as-built drawings, for permanent record.

(2) The Owner or Owner's Contractor shall provide the City Manager or designee with a two-year maintenance bond for the Authorized Improvements conveyed to the City (as applicable).

(b) Upon the completion of construction of the applicable Authorized Improvements by the Owner, and final acceptance thereof by the City, the applicable Authorized Improvements will be owned, operated, and maintained by the City, and no other conveyance documents will be required to effectuate this transfer (other than easements that are not conveyed by plat).

8.4 Project Costs.

(a) The cost of the Project Facilities (the "Project Costs") will include all costs and expenses paid or incurred by the Owner in connection with the design and construction of the Project Facilities including, but not limited to, costs and expenses for:

(1) feasibility, design, engineering, environmental, consulting, survey, and

legal;

- (2) soils and materials testing;
- (3) obtaining governmental and regulatory approvals;
- (4) construction management (4%), construction, and inspections; and
- (5) amounts reimbursed by the Owner to the City for third party costs paid or incurred by the City in connection with the design and construction of the Project Facilities (including, but not limited to, inspection, engineering, and legal fees).

(b) Project Costs shall be reviewed by the City Engineer for reasonableness and necessity, and written comments, if any, shall be provided to the Owner within thirty (30) days after the Project Costs, including documentation, are delivered to the City Engineer. If any Project Costs are rejected by the City Engineer as unreasonable or unnecessary, a detailed written justification for the rejection shall be provided to the Owner. The portion of the approved Project Costs shall be paid or reimbursed to the Owner while payment with respect to the disputed portion(s) of the Project Costs shall not be made until the Owner and the City have jointly settled such dispute or additional information has been provided to the City's reasonable satisfaction.

8.5 City's Option to Complete Project Facilities.

(a) In the event the Owner fails to complete and obtain City acceptance of the Project Facilities to be dedicated to the City after any applicable notice and cure periods, the City will have the right, but not the obligation, to complete the Project Facilities and to draw on any fiscal security guaranteeing the completion of the Project Facilities.

(b) In the event the City elects to complete the Project Facilities, the Owner agrees that all of the Owner's right, title, and interest in the plans and specifications, designs, easements, real and personal property, and improvements acquired, produced or installed in aid of or necessary for completing such Project Facilities by the Owner or its engineers or contractors before such default shall become the property of the City and, in such event, the Owner will provide all necessary documentation to the City within five (5) business days of the City's request. To ensure that the City has all necessary rights to the plans and specifications for the Project Facilities and any other engineering services of the Project Engineer, Owner hereby assigns all its rights, title, and interest in the professional services agreements between the Owner and the Project Engineer necessary for completion of the Project Facilities. The Owner agrees that the City will have the right to use such plans and specifications to complete the Project Facilities.

ARTICLE IX

PID BOND ISSUANCE REQUIREMENTS

9.1 PID Bond Issuance Requirements. The Parties acknowledge the City's "Public Improvement District Policy" as of the Effective Date and agree that as consideration for the Owner's development of the Project, the City's issuance of PID Bonds and the PID Financing Documents shall be subject to the following requirements, which may differ from the policy:

(a) PID Bond Operations. The aggregate principal amount of PID Bonds to be issued shall not exceed \$60,000,000, which shall be used to fund: (i) the actual costs of the Authorized

Improvements, (ii) to the extent permitted by law, required reserves, additional interest, and capitalized interest during the period of construction and not more than twelve (12) months after the completion of construction of all Authorized Improvements covered by the PID Bond issue in question and in no event for a period greater than thirty-six (36) months from the date of the initial delivery of the PID Bonds, (iii) a PID reserve fund and administrative fund, and (iv) any costs of issuance for the PID Bonds; provided, however, that to the extent the law(s) which limit the period of capitalized interest to twelve (12) months after completion of construction change, the foregoing limitation may, with the agreement of the Parties, be adjusted to reflect the law(s) in effect at the time of future PID Bond issuances.

(b) Maturity. The final maturity for each series of PID Bonds shall occur no later than thirty (30) years from the issuance date of said PID Bonds.

(c) Financing Amount. The Owner intends to request the issuance of the PID Bonds subject to the condition that the maximum cost of Authorized Improvements to be funded plus issuance and other financing costs shall not exceed \$41,000,000. The amount may increase up to \$60,000,000 with City Council approval due to cost increases in the Authorized Improvements.

(d) Value to Lien Ratio. The minimum value to lien ratio based on the anticipated final lot values as provided in an Appraisal at the issuance date of each series of PID Bonds shall be at least 2.0 to 1 overall, as set forth in the Indenture of Trust.

(e) Maximum PID Administrative Expenses. The administrative expenses related to the PID, as set forth in the SAP, shall not increase by more than two percent (2%) on an annual basis.

(f) Maximum Annual Installment Increase. Annual installments of the Special Assessments, as set forth in the SAP, shall be permitted to increase by up to two percent (2%) on an annual basis.

(g) City PID Fee. A fee in an amount equal to ten percent (10%) of the net proceeds of the PID bonds (the “City PID Fee”) shall be paid, or caused to be paid, by Owner three (3) days prior to closing of each series of PID Bonds. The City PID Fee received by the City shall be deposited into the City’s general fund and used by the City solely at its discretion for any lawful purposes.

ARTICLE X

PROPERTY OWNERS ASSOCIATION

10.1 Property Owners Association. Owner will create a Property Owners Association (“Association”), and shall establish bylaws, rules, regulations, and restrictive covenants (collectively, the “Association Regulations”) to assure the Association performs and accomplishes the duties and purposes required to be performed and accomplished by the Association pursuant to this Agreement. The owner of each lot in the subdivision shall be required to be a member of the Association, and unpaid dues or assessments shall be and constitute a lien on the lot for which they are assessed. The Association Regulations will establish periodic Association dues and assessments, to be charged and paid by the lot owners in the Project, that are and will be sufficient to maintain (a) the drainage easements and improvements within the Property that are dedicated to the City but not maintained and operated by the City (the “Drainage”); (b) any part or portion of the Property that is dedicated to the Association (the “Dedicated Property”); and (c) maintenance and operation of the Parkland and Open Space and Public Amenities identified in Exhibit “D” in accordance with Section 4.6 above. The Association Regulations will require the periodic dues and assessments to be increased from time to time as necessary to provide the funds required for the maintenance of the Drainage, Dedicated Property, Parkland and Open Space, and Public Amenities, and to provide funds required for the management and operation of the Association.

ARTICLE XI
AUTHORITY; COVENANTS; PROPERTY RIGHTS

11.1 Powers.

(a) The City hereby represents and warrants to the Owner that the City has full constitutional and lawful right, power and authority, under currently applicable law, to execute and deliver and perform the terms and obligations of this Agreement, subject to the terms and conditions of this Agreement and subject to applicable processes, procedures, and findings that are required by state law, City ordinances, or the City Charter related to actions taken by the City Council, and all of the foregoing have been authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, is enforceable in accordance with its terms and provisions, and does not require the consent of any other governmental authority.

(b) The Owner hereby represents and warrants to the City that the Owner has full lawful right, power and authority to execute and deliver and perform the terms and obligations of this Agreement and all of the foregoing have been or will be duly and validly authorized and approved by all necessary actions of the Owner. Concurrently with the Owner's execution of this Agreement, the Owner has delivered to the City copies of the resolutions or other corporate actions authorizing the execution of this Agreement and evidencing the authority of the persons signing this Agreement on behalf of the Owner to do so. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the Owner, and is enforceable in accordance with its terms and provisions.

11.2 Authorized Parties. Whenever under the provisions of this Agreement and other related documents and instruments or any supplemental agreements, any request, demand, approval, notice or consent of the City or the Owner is required, or the City or the Owner is required to agree or to take some action at the request of the other, such request, demand, approval, notice or consent, or agreement shall be given for the City, unless otherwise provided herein or inconsistent with applicable law, the City Charter, or City Regulations, by the City Manager and for the Owner by any officer of the Owner so authorized (and, in any event, the officers executing this Agreement are so authorized); and any party shall be authorized to act on any such request, demand, approval, notice or consent, or agreement.

ARTICLE XII
GENERAL PROVISIONS

12.1 Time of the Essence. Time is of the essence in all things pertaining to the performance of this Agreement. The Parties will make every reasonable effort to expedite the subject matters hereof and acknowledge that the successful performance of this Agreement requires their continued cooperation.

12.2 Default; Remedies.

(a) A Party shall be deemed in default under this Agreement if such Party fails to materially perform, observe or comply with any of its covenants, agreements or obligations hereunder or breaches or violates any of its representations contained in this Agreement, subject to the notice and cure provisions in this Section 12.2.

(b) Before any failure of any Party to perform its obligations under this Agreement shall be deemed to be a default of this Agreement, the Party claiming such failure shall notify, in writing, the Party alleged to have failed to perform of the alleged failure and shall demand performance. No default of this Agreement may be found to have occurred if performance has commenced to the reasonable

satisfaction of the complaining party within thirty (30) days of the receipt of such notice, and the Party shall be given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event less than thirty (30) days after written notice of the alleged failure has been given). Upon a default of this Agreement for which cure has not commenced as provided above, the non-defaulting Party, in any court of competent jurisdiction, by an action or proceeding at law or in equity, may seek relief, including but not limited to the specific performance of the covenants and agreements herein contained, mandamus, and injunctive relief. Except as otherwise set forth herein, no action taken by a Party pursuant to the provisions of this Section or pursuant to the provisions of any other Section of this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any Party at law or in equity. Each of the Parties shall have the affirmative obligation to mitigate its damages in the event of a default by the other Party.

12.3 Force Majeure.

(a) The term "Force Majeure" as employed herein shall mean and refer to acts of God; strikes, lockouts, or other industrial disturbances; acts of public enemies, orders of any kind of the government of the United States, the State of Texas or any civil or military authority; insurrections; riots; wars; revolts; terrorism; sabotage and threats of sabotage or terrorism; epidemic; pandemic; landslides; lightning, earthquakes; fires, hurricanes; storms, floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, pipelines, or canals; transportation disasters, whether by ocean, rail, land or air; or other causes that (i) are not reasonably within the control of the party claiming such inability, or (ii) could not be avoided, by the party who suffers it, by the exercise of commercially reasonable efforts.

(b) If, by reason of Force Majeure, any party hereto shall be rendered wholly or partially unable to carry out its obligations under this Agreement, then such party shall give written notice of the full particulars of such Force Majeure to the other party within thirty (30) days after the occurrence thereof. The obligations of the party giving such notice, to the extent effected by the Force Majeure, shall be suspended during the continuance of the inability claimed, except as hereinafter provided, but for no longer period, and the party shall endeavor to remove or overcome such inability with all reasonable dispatch.

(c) It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require that the settlement be unfavorable in the judgment of the party having the difficulty.

12.4 Liability of the Owner, its successors and assignees. Any obligation or liability of the Owner whatsoever that may arise at any time under this Agreement or any obligation or liability which may be incurred by the Owner pursuant to any other instrument, transaction or undertaking contemplated hereby shall be satisfied, if at all, out of the assets of the Owner and any fiscal surety posted with the City related to the Porter Country Subdivision only, except as required by the PFA or any other agreements the Owner enters related to the PID or the Porter Country Subdivision. No obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the property of any of partners, officers, employees, shareholders or agents of the Owner, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise, except as required by the PFA or any other agreements the Owner enters related to the PID or the Porter Country Subdivision.

12.5 Personal Liability of Public Officials. To the extent permitted by State law, no public official or employee shall be personally responsible for any liability arising under or growing out of this

Agreement.

12.7 Amendments and Waivers. Any provision of this Agreement may be amended or waived if such amendment or waiver is in writing and is approved by the City Council and the Owner. No course of dealing on the part of the City or the Owner nor any failure or delay by the City or the Owner with respect to exercising any right, power or privilege pursuant to this Agreement shall operate as a waiver thereof, except as otherwise provided in this Section.

12.8 Invalidity. In the event that any of the provisions contained in this Agreement shall be held unenforceable in any respect, such unenforceability shall not affect any other provisions of this Agreement, and, to that end, all provisions, covenants, agreements or portions of this Agreement are declared to be severable.

12.9 Beneficiaries. This Agreement shall bind and inure to the benefit of the Parties and their successors and permitted assigns.

12.10 Successors and Assigns.

(a) Except as expressly provided in this Section, neither party to this Agreement shall have the right to convey, transfer, assign, mortgage, pledge or otherwise encumber all or any part of its right, title and interest under this Agreement to any party without the prior written consent of the other party to this Agreement, which consent shall not be unreasonably withheld, conditioned, delayed or denied.

(b) Owner may, from time to time, effectuate a transfer of the obligations, rights, requirements, or covenants to develop the Property under this Agreement, in whole or in part, without the consent of City to: (i) any affiliate or related entity of the Owner; or (ii) any lienholder on the Property. The obligations, rights, requirements, or covenants to develop the Property under this Agreement shall not be assigned by the Owner to a non-affiliate or non-related entity of the Owner without the prior written consent of the City Council, which consent shall not be unreasonably withheld, conditioned, delayed, or denied; provided such party agrees in writing to assume all of Owner's duties, obligations, and liabilities so assigned hereunder, and provided further that any such assignment shall not become effective until the City receives notice of the assignment and a copy of the assignment instrument. Any receivables due under this Agreement, the PFA, or any Reimbursement Agreement may be assigned by the Owner without the consent of, but upon written notice to, the City within ten (10) days of such assignment pursuant to this Agreement.

(c) Owner may pledge, assign, collaterally assign, or grant a lien or security interest in, or otherwise encumber any of its right, title and interest under this Agreement, in whole or in part, (i) without the consent of the City, to any third party lender of the Project (each, a "Lender"), or (ii) to any person or entity with the City Council's prior written consent (which consent shall not be unreasonably withheld, conditioned, or delayed) as security for the performance of Owner's obligations; and in relation thereto, the City will execute reasonable acknowledgements of this Agreement as may be requested by such Lender or third party, including confirmation whether this Agreement is valid and in full force and effect, whether either party is in default of any duty or obligation under this Agreement, and agreeing to provide notice and opportunity to cure to such Lender and the City agrees to accept a cure, not to be unreasonably withheld, offered by the Lender as if offered by the defaulting Party. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any Lender to perform any obligations or incur any liability under this Agreement unless the Lender agrees in writing to perform such obligations or incur such liability. A Lender is not a party to this Agreement unless this Agreement is amended, with the consent of the Lender, to add the Lender as a Party.

(d) Any attempted transfer of a portion of the Property or of any right or beneficial interest under this Agreement shall not be effective with respect to such interest unless the instrument purporting to carry out such transfer expressly states that the right or beneficial interest subject to the transfer is deemed a transfer to the proposed party.

(e) Notwithstanding anything to the contrary, this Agreement shall not be binding upon any purchaser of a platted lot or reserve in the Project.

12.11 Exhibits, Titles of Articles, Sections and Subsections. The exhibits attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail. All titles or headings are only for the convenience of the Parties and shall not be construed to have any effect or meaning as to the agreement between the Parties hereto. Any reference herein to a section or subsection shall be considered

a reference to such section or subsection of this Agreement unless otherwise stated. Any reference herein to an exhibit shall be considered a reference to the applicable exhibit attached hereto unless otherwise stated.

12.12 Applicable Law. This Agreement is a contract made under, and shall be construed in accordance with and governed by, the laws of the United States of America and the State of Texas, and any actions concerning this Agreement shall be brought in either the Texas State District Courts of Hays County, Texas or the United States District Court for the Western District of Texas.

12.13 Entire Agreement. This Agreement represents the final agreement between the Parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the Parties. There are no unwritten oral agreements between the Parties.

12.14 No Waiver of City Standards. Except as may be specifically provided in this Agreement, the City does not waive or grant any exemption to the Property or the Owner with respect to City Regulations.

12.15 Approval by the Parties. Whenever this Agreement requires or permits approval or consent to be hereafter given by any of the Parties, the Parties agree that such approval or consent shall not be unreasonably withheld, conditioned or delayed. Approvals and consents shall be effective without regard to whether given before or after the time required for giving such approvals or consents.

12.16 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

12.17 Interpretation. This Agreement has been jointly negotiated by the Parties and shall not be construed against a Party because that Party may have primarily assumed responsibility for the drafting of this Agreement.

12.18 Severability. The provisions of this Agreement are severable, and if any word, phrase, clause, sentence, paragraph, section, or other part of this Agreement, or the application thereof to any person or circumstance, shall ever be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, the remainder of this Agreement and the application of such word, phrase, clause, sentence, paragraph, section, or other part of this Agreement to other persons or circumstances shall not be affected thereby.

12.19 Binding Obligations. This Agreement shall be binding upon the Parties and their successors and assigns permitted by this Agreement and upon the Property; provided, however, this Agreement, if recorded, shall not be binding upon, and shall not constitute any encumbrance to title as to, any end-buyer of a fully developed and improved lot within the Property except for land use and development regulations that apply to specific lots. For purposes of this Agreement, the Parties agree (i) that the term “end-buyer” means any owner, developer, tenant, user, or occupant, and (ii) that the term “fully developed and improved lot” means any lot, regardless of proposed use, for which a final plat has been approved by the governmental authority having jurisdiction and for which all planned and approved improvements have been constructed and accepted to the extent that a building permit may be obtained for such lot.

12.20 Anti-Boycott Verification. To the extent this Agreement constitutes a contract for goods or services within the meaning of Section 2270.002 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2270 of the Texas Government Code, and subject to applicable Federal law, Owner represents that neither Owner nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of Owner (i) boycotts Israel or (ii) will boycott Israel through the

term of this Agreement. The terms “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

12.21 Verification under Chapter 2252, Texas Government Code. To the extent this Agreement constitute a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, Owner represents that Owner nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of Owner is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201, or 2252.153 of the Texas Government Code.

12.22 No Discrimination Against Fossil-Fuel Companies. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code, as amended, the Owner hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (a) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (b) does business with a company described by (a) above.

12.23 No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code, as amended, the Owner hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this Agreement against a firearm entity or firearm trade association. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, (a) ‘discriminate against a firearm entity or firearm trade association’ means, with respect to the firearm entity or firearm trade association, to: (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association; and (b) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (A) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (B) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association. As used in the foregoing verification, (a) ‘firearm entity’ means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in

conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code); and (b) ‘firearm trade association’ means a person, corporation, unincorporated association, federation, business league, or business organization that: (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

Once PID Bonds are issued, the City shall bill, collect, and deposit all Assessment Revenue in the manner set forth in the applicable Indenture. Upon the issuance of PID Bonds, the City shall also deposit Bond Proceeds and any other funds authorized or required by the Indenture and the Developer shall deposit any funds or provide other fiscal security required by this Agreement and the Indenture in the manner set forth in the applicable Indenture. Annual Installments shall be billed and collected by the City (or by any person, entity, or governmental agency permitted by law) in the same manner and at the same time as City ad valorem taxes are billed and collected. Funds in the PID Project Fund shall only be used in accordance with the applicable Indenture. Funds in the City Project Fund shall only be used to pay Actual Costs of the Authorized Improvements or all or any portion of the Reimbursement Obligation in accordance with the Reimbursement Agreement. Notwithstanding any other provision in this Agreement, the Actual Costs of Authorized Improvements allocable to each phase or “Improvement Area” shall be paid from the Bond Proceeds or Assessment Revenue collected solely from Assessments levied on the property within such phase or “Improvement Area” benefitting from such Authorized Improvements. The City will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens related to such Assessments to be enforced continuously, in the manner and to the maximum extent permitted by the Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments for so long as any PID Bonds are outstanding or a Reimbursement Obligation remains outstanding. The City shall determine or cause to be determined, no later than February 15 of each year whether any Annual Installment is delinquent and if such delinquencies exist, the City will order and cause to be commenced as soon as practicable, and subject to any necessary action required by the City Council, any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including without limitation diligently prosecuting an action to foreclose the currently delinquent Annual Installment; provided, however, the City shall not be required under any circumstances to pay any delinquent Assessment or purchase or make payment for the purchase of the corresponding Assessed Property.

3.2 Payment of Actual Costs. If PID Bonds are not issued (or prior to such issuance) to pay Actual Costs of Authorized Improvements, the Developer may elect to make Developer Advances to pay Actual Costs. If PID Bonds are issued, the Bond Proceeds shall be used in the manner provided in the applicable Indenture; and the Developer shall have no obligation to make Developer Advances so long as fiscal security acceptable to the City is provided for completion of the Authorized Improvements. If the Developer elects to make Developer Advances in connection with the issuance of a series of PID Bonds, then such Developer Advances may be reduced by the amount of payments of Actual Costs of the Authorized Improvements (or portions thereof) to be financed by such PID Bonds that

the Developer has previously paid if (i) the Developer submits to the City all information related to such costs that would be required by a Closing Disbursement Request, and (ii) the City approves such Actual Costs in writing at least five (5) days prior to the pricing of the PID Bonds. The Developer shall also make Developer Advances to pay for any cost overrun ("Cost Overrun") after applying cost savings, including Cost Underruns. The Developer agrees to pay the Actual Costs of the Authorized Improvements set forth in the SAP that are not funded by Bond Proceeds or by funds in the City Project Fund (as provided in the Reimbursement Agreement), if any, and agrees to maintain sufficient funds for such purpose in the form of: (i) loan funds, (ii) funds available pursuant to a letter of credit, (iii) available cash, or (iv) any combination of (i) – (iii) as required by and acceptable to the City.

3.3 PID Bonds. The City, in its sole, legislative discretion, may issue PID Bonds, in one or more series, when and if the City Council determines it is financially feasible for the purposes of: (1) paying a Reimbursement Obligation (as provided in the applicable Reimbursement Agreement); or (2) paying directly Actual Costs of Authorized Improvements described in the applicable Indenture. PID Bonds issued for such purpose will be secured by and paid solely as authorized by the applicable Indenture. The failure of the City to issue PID Bonds shall not constitute a "Failure" by the City or otherwise result in a "Default" by the City. Upon the issuance of the PID Bonds, the Developer has a duty to construct those Authorized Improvements described in the applicable Indenture. The Developer shall not be relieved of its duty to construct or cause to be constructed such improvements even if there are insufficient funds in the PID Project Fund to pay the Actual Costs. This Agreement shall apply to all of the PID Bonds issued by the City whether in one or more series, and no additional financing agreement shall be required for future series of PID Bonds.

3.4 Disbursements and Transfers at and after Bond Closing.

3.4.1 The City and the Developer agree that from the proceeds of the PID Bonds, and upon the presentation of evidence satisfactory to the City Representative, the City will cause the trustee under the applicable Indenture to pay at closing of the PID Bonds approved amounts from the appropriate account to the City or the Developer, as applicable, which costs may include payment for costs of issuance of PID Bonds and payment of costs incurred in the establishment, administration, and operation of the PID and any other eligible items expended by the Developer and the City as of the time of the delivery of the PID Bonds as described in the SAP. In order to receive disbursement, the Developer shall execute a Closing Disbursement Request to be delivered to the City no less than five (5) days prior to the scheduled pricing date for the PID Bonds for payment in accordance with the provisions of the applicable Indenture.

3.4.2 In order to receive disbursements for Actual Costs of Authorized Improvements from the applicable fund under this Agreement, a Reimbursement Agreement, and applicable Indenture, the Developer shall execute a Certificate for Payment or Certificate for Payment – Developer Improvement Account, as applicable, no more frequently than monthly, to be delivered to the City for payment in accordance with the provisions of the applicable Indenture and this Agreement. Upon receipt of a Certificate for Payment or Certificate for Payment – Developer Improvement Account (along with all accompanying documentation required by the City) from the Developer, the City shall conduct a review in order to confirm that such request is complete, to confirm that the work for which

payment is requested was performed in accordance with all Applicable Laws and applicable plans therefore and with the terms of this Agreement, the Reimbursement Agreement, and any other agreement between the parties related to property in the PID, and to verify and approve the Actual Costs of such work specified in such certificate. The City shall also conduct such review as is required in its discretion to confirm the matters certified in the Certificate for Payment or Certificate for Payment – Developer Improvement Account.

3.4.3 The Developer agrees to cooperate with the City in conducting each such review required to be made for the approval of a Certificate for Payment or Certificate for Payment – Developer Improvement Account, as applicable; and, the Developer agrees to provide the City with such additional information and documentation as is reasonably necessary for the City to conclude each such review.

3.4.4 Within ten (10) business days following receipt of any Certificate for Payment or Certificate for Payment – Developer Improvement Account, the City shall either: (1) approve such certificate and forward it to the trustee under the applicable Indenture for payment, or (2) provide the Developer with written notification of disapproval of all or part of such certificate, specifying the basis for any such disapproval. Any disputes shall be resolved as required by Section 3.4.5 herein. The City shall (i) make payment under the approved or partially approved Certificate for Payment from the City Project Fund, or (ii) deliver the approved or partially approved Certificate for Payment or Certificate for Payment – Developer Improvement Account, to the trustee under the applicable Indenture for payment from the Bond Improvement Account or the Developer Improvement Account, as applicable, and such trustee shall make the disbursements as quickly as practicable thereafter.

3.4.5 If there is a dispute over the amount of any payment, the City shall nevertheless pay the undisputed amount, and the Parties shall use all reasonable efforts to resolve the disputed amount before the next payment is made; however, if the Parties are unable to resolve the disputed amount, then the City's determination of the disputed amount (as approved by the City Council) shall control.

3.5 Obligations Limited. The obligations of the City under this Agreement shall not, under any circumstances, give rise to or create a charge against the general credit or taxing power of the City or constitute a debt or other obligation of the City payable from any source other than the City Project Fund or the PID Project Fund. Unless approved by the City, no other City funds, revenues, taxes, or income of any kind shall be used to pay: (1) the Actual Costs of the Authorized Improvements; (2) the Reimbursement Obligation even if the Reimbursement Obligation is not paid in full on or before the Maturity Date; or (3) debt service on any PID Bonds. None of the City or any of its elected or appointed officials or any of its officers, employees, consultants or representatives shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of this Agreement or their acts or omissions under this Agreement.

3.6 Obligation to Pay. Subject to the provisions of Section 3.4.7 and 3.5 of this Agreement and any Reimbursement Agreement, if applicable, if the Developer is (1) current on payment of all taxes,

assessments and fees owed to the City, and (2) in then current compliance with its obligations under (a) this Agreement, and (b) all Developer Continuing Disclosure Agreements (if PID Bonds are issued and remain outstanding); then, following the inspection and approval by the City of any portion of Authorized Improvements for which Developer seeks reimbursement of the Actual Costs by submission of a Certificate for Payment, Certificate for Payment – Developer Improvement Account, or Closing Disbursement Request, the obligations of the City under this Agreement to pay disbursements (whether to the Developer or to any assignee of the Developer) identified in any approved Certificate for Payment, Certificate for Payment – Developer Improvement Account, or Closing Disbursement Request and to pay debt service on PID Bonds are unconditional AND NOT subject to any defenses or rights of offset except as may be provided in any Indenture.

3.7 City Delegation of Authority. All Authorized Improvements shall be constructed by or at the direction of the Developer in accordance with the plans and in accordance with this Agreement, the Development Agreement, the PUD, and any other agreement between the parties related to property in the PID. The Developer shall perform, or cause to be performed, all of its obligations and shall conduct, or cause to be conducted, all operations with respect to the construction of Authorized Improvements in a good, workmanlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their commercially reasonable efforts in the performance of comparable work in accordance with City ordinances, City regulations, the PUD, and generally accepted practices appropriate to the activities undertaken. The Developer has sole responsibility of ensuring that all Authorized Improvements are constructed in a good, workmanlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their commercially reasonable efforts in the performance of comparable work in accordance with City ordinances, City regulations, the PUD, and generally accepted practices appropriate to the activities undertaken. The Developer shall employ at all times adequate staff or consultants with the requisite experience necessary to administer and coordinate all work related to the design, engineering, acquisition, construction and installation of all Authorized Improvements to be acquired and accepted by the City from the Developer. If any Authorized Improvements are or will be on land owned by the City, the City shall grant to the Developer a license agreement in a form acceptable to the City to enter upon such land for purposes related to construction (and maintenance pending acquisition and acceptance) of the Authorized Improvements. Inspection and acceptance of Authorized Improvements will be in accordance with applicable City ordinances and regulations.

3.8 Security for Authorized Improvements. Prior to completion and conveyance to the City of any Authorized Improvements, the Developer shall cause to be provided to the City a maintenance bond in the amount required by the City's subdivision regulations for applicable Authorized Improvements, which maintenance bond shall be for a term of two years from the date of final acceptance of the applicable Authorized Improvements. Any surety company through which a bond is written shall be a surety company duly authorized to do business in the State of Texas, provided that legal counsel for the City has the right to reject any surety company regardless of such company's authorization to do business in Texas. Nothing in this Agreement shall be deemed to prohibit the Developer or the City from contesting in good faith the validity or amount of any mechanics or materialman's lien and/or judgment nor limit the remedies available to the Developer or the City with respect thereto so long as such delay in performance shall not subject the Authorized Improvements to foreclosure, forfeiture, or sale. In the event that any such lien and/or judgment with respect to the Authorized Improvements

is contested, the Developer shall be required to post or cause the delivery of a surety bond or letter of credit, whichever is preferred by the City, in an amount reasonably determined by the City, not to exceed one hundred twenty percent (120%) of the disputed amount.

3.9 Ownership and Transfer of Authorized Improvements. The Developer shall furnish to the City a preliminary title report for land related to the Authorized Improvements to be acquired and accepted by the City from the Developer and not previously dedicated or otherwise conveyed to the City. The report shall be made available for City review and approval at least fifteen (15) business days prior to the scheduled transfer of title. The City shall approve the preliminary title report unless it reveals a matter which, in the reasonable judgment of the City, would materially affect the City's use and enjoyment of the Authorized Improvements. If the City objects to any preliminary title report, the City shall not be obligated to accept title to the applicable Authorized Improvements until the Developer has cured the objections to the reasonable satisfaction of the City.

3.10 Remaining Funds After Completion of an Authorized Improvement. Upon the entering into final construction contracts for an Authorized Improvement, if the Actual Cost of such Authorized Improvement is less than the budgeted cost as shown in Exhibit B to the SAP, as the same may be updated by the City, (a "Cost Underrun"), any remaining budgeted cost will be available to pay Cost Overruns on any other Authorized Improvement. Additionally, upon the final completion of an Authorized Improvement and payment of all outstanding invoices for such Authorized Improvement, any Cost Underrun will be available to pay Cost Overruns on any other Authorized Improvement. A City Representative shall promptly confirm to the Administrator (as defined in the SAP) that such remaining amounts are available to pay such Cost Overruns, and the Developer, the Administrator and the City Representative will agree how to use such moneys to secure the payment and performance of the work for other Authorized Improvements. Any Cost Underrun for any Authorized Improvement is available to pay Cost Overruns on any other Authorized Improvement and may be added to the amount approved for payment in any Certificate for Payment, as agreed to by the Developer, the Administrator and the City Representative.

3.11 Contracts and Change Orders. The Developer shall be responsible for entering into all contracts and any supplemental agreements (herein referred to as "Change Orders") required for the construction of an Authorized Improvement. The Developer or its contractors may approve and implement any Change Orders even if such Change Order would increase the Actual Cost of an Authorized Improvement, but the Developer shall be solely responsible for payment of any Cost Overruns resulting from such Change Orders except to the extent amounts are available as Cost Underruns pursuant to Section 3.10 hereof.

3.12 Landowner Consent and Recordation of Assessments.

3.12.1 Concurrently with the levy of the Assessments, the Developer shall execute (and shall cause any other owner of any of the Assessed Property to execute) a landowner consent certificate (the "Landowner Certificate") in which the Owner shall approve and accept the apportionment of Assessments in the Service and Assessment Plan and the levy of the Assessments by the City. including applicable interest thereon, as and when due and payable thereunder and (ii) provide that subsequent purchasers of such land take their title subject to and expressly assume the terms and provisions of the Assessments; and (b) provide that the liens created by the levy of the Assessments are a first and prior lien on the Assessed Property, subject only to liens for ad valorem taxes of the State, County, City, or school district. The Service and Assessment Plan, including any annual update thereto, will include the notice form required by Section 5.014 of the Texas Property Code (the “Section 5.014 Notice”). Any fees or other costs associated with the filing of the original Service and Assessment Plan and any amendment or updated thereto in connection with the issuance of PID Bonds with the County Clerk shall be paid by Developer. Any fees or other costs associated with the filing of all other amendments or updates to the Service and Assessment Plan with the County Clerk will be paid as an Annual Collection Cost.

The City shall provide the Developer an opportunity to inspect such books and records relating to the Assessments during the City's regular business hours and on a mutually agreeable date no later than ten (10) business days after the City receives such written request. The City shall keep and maintain a proper and complete system of records and accounts pertaining to the Assessments for so long as PID Bonds remain outstanding or Reimbursement Obligation remains unpaid.

4.5 Developer's Right to Protest Ad Valorem Taxes. Nothing in this Agreement shall be construed to limit or restrict Developer's right to protest ad valorem taxes. The Developer's decision to protest ad valorem taxes on Assessed Property does not constitute a Default under this Agreement.

4.6 PID Administration and Collection of Assessments. If the City designates an Administrator who shall have the responsibilities provided in the SAP related to the duties and responsibilities of the administration of the PID, the City shall provide the Developer upon request with a copy of the agreement between the City and the Administrator. If the City contracts with a third-party for the collection of Annual Installments of the Assessments, the City shall provide the Developer with a copy of such agreement. During the term of this Agreement, the City shall notify the Developer of any change of Administrator or third-party collection of the Assessments.

4.7 Representations and Warranties.

4.7.1 The Developer represents and warrants to the City that: (1) the Developer has the authority to enter into and perform its obligations under this Agreement; (2) the Developer has the financial resources, or the ability to obtain sufficient financial resources, to meet its obligations under this Agreement; (3) any information provided by the Developer for inclusion in an offering document or official statement for an issue of PID Bonds will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; (4) the person executing this Agreement on behalf of the Developer has been duly authorized to do so; (5) this Agreement is binding upon the Developer in accordance with its terms; and (6) the execution of this Agreement and the performance by the Developer of its obligations under this Agreement does not constitute a breach or event of default by the Developer under any other agreement, instrument, or order to which the Developer is a party or by which the Developer is bound.

4.7.2 If in connection with the issuance of PID Bonds the City is required to deliver a certificate as to tax exemption (a "Tax Certificate") to satisfy requirements of the Internal Revenue Code, the Developer agrees to provide, or cause to be provided, such facts and

estimates as the City reasonably considers necessary to enable it to execute and deliver its Tax Certificate. The Developer represents that such facts and estimates will be based on its reasonable expectations on the date of issuance of the PID Bonds and will be, to the knowledge of the officers of the Developer providing such facts and estimates, true, correct and complete as of such date. To the extent that it exercises control or direction over the use or investment of any proceeds from the sale of PID Bonds (including, but not limited to, the use of the Authorized Improvements), the Developer further agrees that it will not knowingly make, or permit to be made, any use or investment of such funds that would cause any of the covenants or agreements of the City contained in a Tax Certificate to be violated or that would otherwise have an adverse effect on the tax-exempt status of the interest payable on the PID Bonds for federal income tax purposes.

4.7.3 The City represents and warrants to the Developer that: (1) the City has the authority to enter into and perform its obligations under this Agreement; (2) the person executing this Agreement on behalf of the City has been duly authorized to do so; (3) this Agreement is binding upon the City in accordance with its terms; and (4) the execution of this Agreement and the performance by the City of its obligations under this Agreement do not constitute a breach or event of default by the City under any other agreement, instrument, or order to which the City is a party or by which the City is bound.

4.8 Default/Remedies.

4.8.1 If either Party fails to perform an obligation imposed on such Party by this Agreement (a “Failure”) and such Failure is not cured after notice and the expiration of the cure periods provided in this section, then such Failure shall constitute a “Default.” If a Failure is monetary, the non-performing Party shall have ten (10) business days within which to cure. If the Failure is non-monetary, the non-performing Party shall have thirty (30) days within which to cure. However, if the non-monetary Failure is of such a nature that it cannot reasonably be expected to be cured within thirty (30) days, then the Party who failed to perform shall have such time as is necessary to cure the default, so long as the failing Party commences the cure within thirty (30) days and diligently pursues such cure to completion, but in no event more than ninety (90) days.

4.8.2 If the Developer is in Default, the City shall have available all remedies at law or in equity; provided that, except as otherwise provided in this Agreement, no default by the Developer shall entitle the City to terminate this Agreement or to withhold payments to the Developer in accordance with this Agreement, any Reimbursement Agreement, and any Indenture, as applicable. Notwithstanding the foregoing, in the event the Developer attempts to transfer its interests in this Agreement in violation of Section 4.10 of this Agreement, the City, in its sole discretion shall have the right to terminate this Agreement.

4.8.3 If the City is in Default, the Developer shall have available all remedies at law or in equity; provided, however, no Default by the City shall entitle the Developer to terminate this Agreement.

4.8.4 The City shall give notice of any alleged Failure by the Developer to each Transferee identified in any notice from the Developer, and such Transferees shall have the right, but not the obligation, to cure the alleged Failure within the same cure periods that are provided to the Developer. The election by a Transferee to cure a Failure by the Developer shall constitute a cure by the Developer but shall not obligate the Transferee to be bound by this Agreement unless the Transferee agrees in writing to be bound.

4.9 Remedies Outside the Agreement. Nothing in this Agreement constitutes a waiver by the City of any remedy the City may have outside this Agreement against the Developer, any Transferee, or any other person or entity involved in the design, construction, or installation of the Authorized Improvements. The City shall not be deemed to waive any defenses or immunities, whether sovereign, governmental, legislative, qualified or otherwise, all such defenses and immunities being expressly retained. The obligations of the Developer hereunder shall be those of a party hereto and not as an owner of property in the PID. Nothing herein shall be construed as affecting the City's or the Developer's rights or duties to perform their respective obligations under other agreements, use regulations, or subdivision requirements relating to the development property in the PID.

4.10 Indemnification. THE DEVELOPER COVENANTS AND AGREES TO FULLY INDEMNIFY AND HOLD HARMLESS CITY (AND THEIR ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS, AND REPRESENTATIVES), INDIVIDUALLY AND COLLECTIVELY, FROM AND AGAINST ANY AND ALL COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, PROCEEDINGS, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND SUITS OF ANY KIND AND NATURE BROUGHT BY ANY THIRD PARTY AND RELATING TO DEVELOPER'S CONSTRUCTION OF THE PUBLIC IMPROVEMENTS INCLUDING BUT NOT LIMITED TO, PERSONAL INJURY OR DEATH AND PROPERTY DAMAGE, MADE UPON CITY OR DIRECTLY OR INDIRECTLY ARISING OUT OF, RESULTING FROM OR RELATED TO DEVELOPER OR DEVELOPER'S CONTRACTORS' NEGLIGENCE, WILLFUL MISCONDUCT OR CRIMINAL CONDUCT IN ITS ACTIVITIES, INCLUDING ANY SUCH ACTS OR OMISSIONS OF DEVELOPER OR DEVELOPER'S CONTRACTORS, ANY AGENT, OFFICER, DIRECTOR, REPRESENTATIVE, EMPLOYEE, CONSULTANT OR SUBCONSULTANTS OF DEVELOPER OR DEVELOPER'S CONTRACTORS AND THEIR RESPECTIVE OFFICERS, AGENTS, EMPLOYEES, DIRECTORS AND REPRESENTATIVES, ALL WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO CITY, UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW. THE PROVISIONS OF THIS INDEMNIFICATION ARE SOLELY FOR THE BENEFIT OF THE CITY AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY. DEVELOPER SHALL PROMPTLY ADVISE CITY IN WRITING OF ANY CLAIM OR DEMAND AGAINST CITY, RELATED TO OR ARISING OUT OF DEVELOPER OR DEVELOPER'S CONTRACTORS ACTIVITIES UNDER THIS AGREEMENT AND SHALL SEE TO THE INVESTIGATION AND DEFENSE OF SUCH CLAIM OR DEMAND AT THE DEVELOPER'S COST TO THE EXTENT REQUIRED UNDER THE INDEMNITY IN THIS PARAGRAPH. CITY SHALL HAVE THE RIGHT, AT THEIR OPTION AND AT THEIR OWN EXPENSE, TO PARTICIPATE IN SUCH DEFENSE WITHOUT RELIEVING DEVELOPER OF ANY OF ITS OBLIGATIONS UNDER THIS PARAGRAPH.

IT IS THE EXPRESS INTENT OF THIS SECTION THAT THE INDEMNITY PROVIDED TO THE CITY AND THE DEVELOPER SHALL SURVIVE THE TERMINATION AND/OR EXPIRATION OF THIS AGREEMENT AND SHALL BE BROADLY INTERPRETED AT ALL TIMES TO PROVIDE THE MAXIMUM INDEMNIFICATION OF THE CITY AND/OR THEIR OFFICERS, EMPLOYEES AND ELECTED OFFICIALS PERMITTED BY LAW.

4.11 Transfers. The Developer has the right to convey, transfer, assign, mortgage, pledge, or otherwise encumber, in whole or in part without the consent of (but with notice to) the City, the Developer's right, title, or interest to payments under this Agreement (but not performance obligations), but only as it relates to each separate Improvement Area within the PID, including, but not limited to, any right, title, or interest of the Developer in and to payments from Bond Proceeds or the City Project Fund (any of the foregoing, a "Transfer," and the person or entity to whom the transfer is made, a "Transferee"); provided, however, that no such conveyance, transfer, assignment, mortgage, pledge, or other encumbrance shall be made without prior written consent of the City Council if such conveyance, transfer, assignment, mortgage, pledge, or other encumbrance would result in (1) the issuance of municipal securities, and/ or (2) the City being viewed as an "obligated person" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission, and/or (3) the City being subjected to additional reporting or recordkeeping duties. Notwithstanding the foregoing, no Transfer shall be effective until notice of the Transfer is given to the City. The City may rely on notice of a Transfer received from the Developer without obligation to investigate or confirm the validity of the Transfer. The Developer waives all rights or claims against the City for any funds paid to a third party as a result of a Transfer for which the City received notice.

4.12 Qualified Tax-Exempt Status. In any calendar year in which PID Bonds are issued, the Developer agrees to pay the City additional costs ("Additional Costs") the City may incur in the issuance of City obligations (the "City Obligations") as described in this Section 4.11 if the City Obligations are deemed not to qualify for the designation of "qualified tax-exempt obligations" ("QTEO") as defined in Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, as a result of the issuance of PID Bonds by the City in any given year. The City agrees to deposit all funds for the payment of such Additional Costs received under this Section 4.11 into a segregated account of the City, and such funds shall remain separate and apart from all other funds and accounts of the City until December 31 of the calendar year in which the PID Bonds are issued, at which time the City is authorized to utilize such funds for any purpose permitted by law. Additionally, the City will provide the Developer on an annual basis no later than August 15th each year the projected amount of City Obligations to be issued in the upcoming year based on its annual budget process.

In the event the City issues PID Bonds prior to the issuance of City Obligations, the City's Financial Advisor shall calculate the estimated Additional Costs based on the market conditions as they exist approximately thirty (30) days prior to the date of the pricing of the PID Bonds (the "Estimated Additional Costs"), and the City shall provide a written invoice to the Developer. Unless otherwise agreed to in writing by the City, the Developer shall pay such Estimated Additional Costs to the City on or before the earlier of (i) ten (10) business days after the date of the City's invoice and (ii) five (5) business days prior to pricing the PID Bonds. The City shall not be required to price or sell any issue of PID Bonds until the Developer has paid to the City the Estimated Additional Costs related to the PID Bonds then being issued. The Estimated Additional Costs are an estimate of the

increased cost to the City to issue its City Obligations as non-QTEO. Upon the City's approval of the City Obligations, the City's Financial Advisor shall calculate the actual Additional Costs to the City of issuing its City Obligations as non-QTEO (the "Actual Increased Costs"). The City will, within five (5) business days of the issuance of the City Obligations, notify the Developer of the Actual Increased Costs. In the event the Actual Increased Costs are less than the Estimated Additional Costs, the City will refund to the Developer the difference between the Actual Increased Costs and the Estimated Additional Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased Costs. If the Actual Increased Costs are more than the Estimated Additional Costs, the Developer will pay to the City the difference between the Actual Increased Costs and the Estimated Additional Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased Costs. If the Developer does not pay the City the difference between the Actual Increased Costs and the Estimated Additional Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased Costs, the Developer shall not be reimbursed for any Developer Advances until such payment is made in full.

In the event the City issues City Obligations prior to the issuance of PID Bonds, the City's Financial Advisor shall calculate the estimated Additional Costs based on the market conditions as they exist approximately twenty (20) days prior to the date of the pricing of the City Obligations (the "Estimated Additional City Obligation Costs"), and the City shall provide a written invoice to the Developer. The Developer shall pay such Estimated Additional City Obligation Costs to the City at least ten (10) days prior to pricing the City Obligations. If the Developer has not paid the Estimated Additional City Obligation Costs to the City by the required time, the City, at its option, may elect to designate such City Obligations as QTEO, and the City shall not be required to issue any PID Bonds in such calendar year. The Estimated Additional City Obligation Costs are an estimate of the increased cost to the City to issue its City Obligations as non-QTEO. Upon the City's approval of the City Obligations, the City's Financial Advisor shall calculate the actual Additional Costs to the City of issuing its City Obligations as non-QTEO (the "Actual Increased City Obligation Costs"). The City will, within five (5) business days of the issuance of the City Obligations, notify the Developer of the Actual Increased City Obligation Costs. In the event the Actual Increased City Obligation Costs are less than the Estimated Additional City Obligation Costs, the City will refund to the Developer the difference between the Actual Increased City Obligation Costs and the Estimated Additional City Obligation Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased City Obligation Costs. If the Actual Increased City Obligation Costs are more than the Estimated Additional City Obligation Costs, the Developer will pay to the City the difference between the Actual Increased City Obligation Costs and the Estimated Additional City Obligation Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased City Obligation Costs. If the Developer does not pay the City the difference between the Actual Increased City Obligation Costs and the Estimated Additional City Obligation Costs within ten (10) business days of the date of the City's notice to the Developer of the Actual Increased City Obligation Costs, the Developer shall not be reimbursed for any Developer Advances until such payment is made in full.

To the extent any developer(s) or owner(s) (including the Developer, as applicable) has (have) paid Additional Costs for any particular calendar year, any such Additional Costs paid subsequently by a developer or owner (including the Developer, as applicable) to the City applicable to the same calendar year shall be reimbursed by the City to the developer(s) or owner(s) (including the Developer,

as applicable) as necessary so as to put all developers and owners so paying for the same calendar year in the proportion set forth in the next paragraph, said reimbursement to be made by the City within ten (10) business days after its receipt of such subsequent payments of such Additional Costs.

The City shall charge Additional Costs attributable to any other developer or owner on whose behalf the City has issued debt in the same manner as described in this Section 4.11, and the Developer shall only be liable for its portion of the Additional Costs under this provision, and if any Additional Costs in excess of the Developer's portion had already been paid to the City under this provision, then such excess of Additional Costs shall be reimbursed to the Developer. The portion owed by the Developer shall be determined by dividing the total Bond Proceeds from any debt issued on behalf of the Developer in such calendar year by the total Bond Proceeds from any debt issued by the City for the benefit of all owners or developers (including the Developer) in such calendar year.

If in any calendar year the City issues City Obligations or PID Bonds on its own account that exceed the amount that would otherwise qualify the City for the issuance of bank qualified debt, then no Additional Costs shall be due from the Developer in connection with such PID Bonds. The Additional Costs incurred with respect to such PID Bonds shall be allocated as described above, and if any Additional Costs had already been paid by the Developer to the City for such calendar year, then such excess of Additional Costs shall be reimbursed to the Developer within five (5) business days of the issuance of such City Obligations or PID Bonds, as applicable.

4.13 Estoppel Certificate. From time to time upon written request of the Developer, the City Manager will execute a written estoppel certificate (1) identifying any obligations of the Developer under this Agreement that are in default or, with the giving of notice or passage of time, would be in default; or (2) stating, to the extent true, that to the best knowledge and belief of the City, the Developer is in compliance with its duties and obligations under this Agreement.

4.14 Applicable Law; Venue. This Agreement is being executed and delivered and is intended to be performed in the State of Texas. Except to the extent that the laws of the United States may apply, the substantive laws of the State of Texas shall govern the interpretation and enforcement of this Agreement. In the event of a dispute involving this Agreement, venue shall lie in any court of competent jurisdiction in Hays County, Texas.

4.15 Notice. Any notice referenced in this Agreement must be in writing and shall be deemed given at the addresses shown below: (1) when delivered by a nationally recognized delivery service such as FedEx or UPS with evidence of delivery signed by any person at the delivery address regardless of whether such person is the named addressee; or (2) 72 hours after deposited with the United States Postal Service, Certified Mail, Return Receipt Requested.

4.16 Conflicts; Amendment. In the event of any conflict between this Agreement and any other instrument, document, or agreement by which either Party is bound: (1) first, the provisions and intent of any applicable Indenture shall control, (2) second, the provisions and intent of this Agreement shall control subject only to the terms of any applicable Indenture. This Agreement may only be amended by written agreement of the Parties.

4.17 Severability. If any provision of this Agreement is held invalid by any court, such holding shall not affect the validity of the remaining provisions.

4.18 Non-Waiver. The failure by a Party to insist upon the strict performance of any provision of this Agreement by the other Party, or the failure by a Party to exercise its rights upon a Default by the other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by such other Party with the provisions of this Agreement.

4.19 Third Party Beneficiaries. Nothing in this Agreement is intended to or shall be construed to confer upon any person or entity other than the City, the Developer, and Transferees any rights under or by reason of this Agreement. All provisions of this Agreement shall be for the sole and exclusive benefit of the City, the Developer, and Transferees.

4.20 Counterparts. This Agreement may be executed in multiple counterparts, which, when taken together, shall be deemed one original.

4.21 Iran, Sudan, and Foreign Terrorist Organizations. The Developer represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal or State law and excludes the Developer and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Developer understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

4.22 No Boycott of Israel. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal or State law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Developer understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

4.23 Anti-Boycott Verification – Energy Companies. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. The foregoing verification is made solely to comply with Section 2274.002, Texas Government Code, and to the extent such Section is not inconsistent with a governmental entity's constitutional or statutory duties related to the issuance, incurrence, or management of debt obligations or the deposit, custody, management, borrowing, or investment of funds. As used in the foregoing verification, "boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by the preceding statement in (A). The Developer understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

4.24 Anti-Discrimination Verification – Firearm Entities and Firearm Trade Associations. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association during the term of this Agreement. The foregoing verification is made solely to comply with Section 2274.002, Texas

Government Code. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” means: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; but does not include (a) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; or (b) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. The Developer understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

4.25 Form 1295. Submitted herewith is a completed Form 1295 in connection with the Developer's participation in the execution of this Agreement generated by the Texas Ethics Commission's (the “TEC”) electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the “Form 1295”). The City hereby confirms receipt of the Form 1295 from the Developer, and the City agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. The Developer and the City understand and agree that, with the exception of information identifying the City and the contract identification number, neither the City nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Developer; and, neither the City nor its consultants have verified such information.

4.26 Employment of Undocumented Workers. During the term of this Agreement, and to the extent required under State law, the Developer agrees not to knowingly employ any undocumented workers and, if convicted of a violation under 8 U.S.C. Section 1324a (f), the Developer shall repay the taxes abated herein within 120 days after the date the Developer is notified by the City of such violation, plus interest at the rate of six percent (6%) compounded annually from the date of violation until paid. Pursuant to Section 2264.101 (c), Texas Government Code, a business is not liable for a violation of Chapter 2264 by a subsidiary, affiliate, or franchisee of the business, or by a person with whom the business contracts.

RE: An Appraisal Report of **Porter Country Public Improvement District (PID), Area 1, Phases 1 & 2**, being **254** under-development lots, on **66.6** acres in Phase 1, and **155** proposed lots on **24.7** acres in Phase 2, located along the west line of F.M. 2001, south of Hillside Terrace Drive, in Kyle, Hays County, Texas 78610. Of the 254 under-development lots in Phase 1, 204 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 50 lots will have typical dimensions of 50' x 120', or 6,000 SF. Of the 155 proposed lots in Phase 2, 141 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 14 lots will have typical dimensions of 50' x 120', or 6,000 SF. The subject lots are to be built-out by Milestone Community Builders, and will have new home price points ranging from \$420,000 (40' lots), up to \$508,000 (50' lots). The subject is located in Kyle, but has a Buda postal address.

B&A File No. C8100-06

Dear Mr. Davenport:

At your request, I have physically visited and prepared an appraisal of the above-captioned property, gathered comparable market data, and conducted a study of the market area for the purpose of providing my opinion of the **"Upon Completion" Market Values of the subject lots**, in compliance with the FMSbonds, Inc.'s Appraisal Instructions; the Uniform Standards of Professional Appraisal Practice; and the Appraisal Institute's Code of Professional Ethics.

At the request of the client, the "As Is" Market Value of the 409 paper lots, plus site development costs to date, in Porter Country, have not been valued herein.

To conclude, it is my opinion that the **"Upon Completion" Market Values of the** of the fee simple interests in the subject lots in **Porter Country, Phases 1 and 2**, as of the indicated prospective dates, are as follows:

Description	No. Lots	Bulk Market Value	Prospective Date
Porter Country PID, Area 1, Phase 1	254	\$13,825,000	11/1/2023
Porter Country PID, Area 1, Phase 2	155	\$8,180,000	5/1/2025

The Bulk Market Value of Porter Country PID, Area 1, **Phase 1** is derived from a Sum of Retail Revenue of **\$17,855,500**, or \$70,297 per lot. The Bulk Market Value of Porter Country PID, Area 1, **Phase 2** is derived from a Sum of Retail Revenue of **\$11,571,200**, or \$74,653 per lot.

Extraordinary Assumptions:

- 1.) Porter Country PID, Area 1, Phase 2 is not yet platted, and the "Upon Completion" Market Value of Phase 2 is subject to a review of the plat, once available.
- 2.) The subject property is under-development as a residential subdivision, with a prospective completion date. In this appraisal report, I have projected the market conditions at the prospective time of completion that would be anticipated by typical market participants. In a similar fashion, I projected the retail valuation of the individual subject lots, absorption period and holding costs, based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may change the anticipated date of completion to another date, which may have market conditions that are different from those which are expected on the anticipated date of completion that is reflected in this report. Because actual future market conditions may deviate from those which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sale data that will be available on the prospective or actual date of completion.
- 3.) This appraisal is subject to the proposed and under-development improvements being completed in a timely and professional workmanlike manner and that the under-development improvements do not deviate significantly from those described herein.
- 4.) The valuation of the subject improvements "Upon Completion" require a valuation of the subject improvements as of a prospective date, when they are projected to be physically complete based upon the plans and specifications provided. Developing this opinion of value requires the use of an extraordinary assumption because the subject in the prospective value opinion is as it exists as of a future date when physically complete. Therefore, I have relied upon information and specifications for the under-development improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value conclusions are subject to revision.
- 5.) This appraisal assumes that the developer's marketing plan is for new homes with a price-point range of \$420,000 (40' lots), up to \$508,000 (50' lots), by Milestone Community Builders, or a comparable production home builder.
- 6.) A deviation from any of the extraordinary assumptions stated above might have an effect on the Market Value conclusions contained herein.

Market Value is defined by FIRREA as follows:

Market Value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and

seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition are the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- (1) buyer and seller are typically motivated;
- (2) both parties are well informed or well advised, and acting in what they consider their own best interests;
- (3) a reasonable time is allowed for exposure in the open market;
- (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
- (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

It has been a pleasure serving you, and if I can be of further assistance, please call me.

Sincerely,

BARLETTA & ASSOCIATES, INC.

The appraiser hereby certifies regulatory compliance and it is my opinion that the **“Upon Completion” Bulk Market Values** of the fee simple interest in the subject properties, as of the indicated prospective dates, are as follows:

Description	No. Lots	Bulk Market Value	Prospective Date
Porter Country PID, Area 1, Phase 1	254	\$13,825,000	11/1/2023
Porter Country PID, Area 1, Phase 2	155	\$8,180,000	5/1/2025

Extraordinary Assumptions:

- 1.) Porter Country PID, Area 1, Phase 2 is not yet platted, and the “Upon Completion” Market Value of Phase 2 is subject to a review of the plat, once available.
- 2.) The subject property is under-development as a residential subdivision, with a prospective completion date. Such determination would require investigation by a qualified expert in the field of environmental assessment. The presence of substances such as asbestos, urea-formaldehyde foam insulation, or other potentially hazardous materials may affect the value of the properties. The appraiser's value estimate is predicated on the assumption that there is no such material on or in the properties that would cause a loss in value unless otherwise stated in this report. 19. This appraisal assumes that there are no significant wetlands and/or endangered species or habitats issues affecting the subject sites.

20. Texas is a non-disclosure state. It is important that the intended users of this appraisal understand that in Texas, there is no legal requirement for grantors or grantees to disclose any information relative to a transfer of real property. As a result, no data source provides absolute coverage of all transactions. It is possible that there are sales data of which we are unaware, or were non-verifiable. My sources provide the data typically available to appraisers in the ordinary course of business.

Extraordinary Assumptions:

- 1.) Porter Country PID, Area 1, Phase 2 is not yet platted, and the "Upon Completion" Market Value of Phase 2 is subject to a review of the plat, once available.
- 2.) The subject property is under-development as a residential subdivision, with a prospective completion date. In this appraisal report, I have projected the market conditions at the prospective time of completion that would be anticipated by typical market participants. In a similar fashion, I projected the retail valuation of the individual subject lots, absorption period and holding costs, based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may change the anticipated date of completion to another date, which may have market conditions that are different from those which are expected on the anticipated date of completion that is reflected in this report. Because actual future market conditions may deviate from those which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sale data that will be available on the prospective or actual date of completion.
- 3.) This appraisal is subject to the proposed and under-development improvements being completed in a timely and professional workmanlike manner and that the under-development improvements do not deviate significantly from those described herein.
- 4.) The valuation of the subject improvements "Upon Completion" require a valuation of the subject improvements as of a prospective date, when they are projected to be physically complete based upon the plans and specifications provided. Developing this opinion of value requires the use of an extraordinary assumption because the subject in the prospective value opinion is as it exists as of a future date when physically complete. Therefore, I have relied upon information and specifications for the under-development improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value conclusions are subject to revision.
- 5.) This appraisal assumes that the developer's marketing plan is for new homes with a price-point range of \$420,000 (40' lots), up to \$508,000 (50' lots), by Milestone Community Builders, or a comparable production home builder.
- 6.) A deviation from any of the extraordinary assumptions stated above might have an effect on the Market Value conclusions contained herein.

In a similar fashion, I projected the retail valuation of the individual subject lots, absorption period and holding costs, based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may change the anticipated date of completion to another date, which may have market conditions that are different from those which are expected on the anticipated date of completion that is reflected in this report. Because actual future market conditions may deviate from those which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sale data that will be available on the prospective or actual date of completion.
- 3.) This appraisal is subject to the proposed and under-development improvements being completed in a timely and professional workmanlike manner and that the under-development improvements do not deviate significantly from those described herein.
- 4.) The valuation of the subject improvements "Upon Completion" require a valuation of the subject improvements as of a prospective date, when they are projected to be physically complete based upon the plans and specifications provided. Developing this opinion of value requires the use of an extraordinary assumption because the subject in the prospective value opinion is as it exists as of a future date when physically complete. Therefore, I have relied upon information and specifications for the under-development improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value conclusions are subject to revision.
- 5.) This appraisal assumes that the developer's marketing plan is for new homes with a price-point range of \$420,000 (40' lots), up to \$508,000 (50' lots), by Milestone Community Builders, or a comparable production home builder.
- 6.) A deviation from any of the extraordinary assumptions stated above might have an effect on the Market Value conclusions contained herein.

IDENTIFICATION OF THE SUBJECT PROPERTY

Porter Country is a proposed master-planned community on a total of 259.02 acres, which will eventually yield approximately 981 residential lots, a recreational/amenity center, numerous trails and green spaces, along with a 4.50-acre commercial tract. The entire 259.02 acres was recently annexed into the City of Kyle. Goforth Special Utility District will provide public water to the site, and Windy Hill Utility will provide sanitary sewer service.

The subject property consists of Porter Country Public Improvement District (PID), Area 1, Phases 1 & 2, being 254 under-development lots, on 66.6 acres in Phase 1, and 155 proposed lots on 24.7 acres in Phase 2, located along the west line of F.M. 2001, south of Hillside Terrace Drive, in Kyle, Hays County, Texas 78610. Of the 254 under-development lots in Phase 1, 204 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 50 lots will have typical dimensions of 50' x 120', or 6,000 SF. Of the 155 proposed lots in Phase 2, 141 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 14 lots will have typical dimensions of 50' x 120', or 6,000 SF. The subject lots are to be built-out by Milestone Community Builders, and will have new home price points ranging from \$420,000 (40' lots), up to \$508,000 (50' lots). The subject is located in Kyle, but has a Buda postal address.

The subject Development Tract is legally described as:

91.3 acres of land located in the Jessie B. Eaves Survey, Abstract 166, Hays County, Texas.

The subject Phase 1 under-development lots are legally described as:

Lots 2-43 & 45-61, Block A; Lots 1-39, Block B; Lots 1-30, Block C; Lots 1-33, Block D; Lots 1-10, Block K; Lots 1-28, Block L; Lots 2-33, Block M; Lots 2-7, Block N; Lots 1-3, Block O; Lots 1-14, Block P; and Lots 1 & 2, Block V, Porter Country, Phase 1, Hays County, Texas.

Note: The subject proposed Phase 2 lots are not yet platted; thus, legal descriptions for the proposed lots are not yet available.

HISTORY OF THE SUBJECT PROPERTY

Title to the subject Porter Country development tract is vested with Hillside Terrace Development, LLC, which is shown to have purchased tract in April 2021 from Rio Oso Holdings, LLC. The purchase price was not disclosed.

Hillside Terrace Development, LLC, which is a subsidiary of Milestone Community Builders, will develop all of the lots in Porter Country, and will then sell all of the developed lots to Milestone Community Builders. Porter Country, Phase 1 is now under-development, and is projected to be substantially complete by November 1, 2023. The subject Phase 1 lots are to be purchased by Milestone Community Builders for a base price of \$46,000 per lot for the 40' lots (\$1,150 PFF), and \$57,500 per lot for the 50' lots (\$1,150 PFF), along with a 6.0% per annum **"Phase Lot" Escalator**. Milestone Community Builders has agreed to purchase 50 lots upon substantial completion, and the 20 lots per quarter thereafter.

The subject Phase 2 lots, and all subsequent phases in Porter Country, will increase at a rate of 2.0% per annum from the completion of the Phase 1 lots, which is referred to in the Lot Purchase Agreement as the **"Lot Escalator."** Thus, the base lot price for the proposed lots in Phase 2 will increase at a rate of 2.0% per year ("Phase Lot" Escalator) from the substantial completion date of Phase 1, and then once complete, the Phase 2 lots will escalate at a rate of 6.0% per year (Lot Escalator).

The Phase 2 lots are to be substantially complete by May 1, 2025, or 6 months after the substantial completion of Phase 1, indicating a base lot price of (\$46,000 per lot x 1.01 = \$46,460 per lot) \$46,460 per lot for the 40' lots, or \$1,161.50 PFF, and \$58,075 per lot for the 50' lots, or \$1,161.50 PFF.

I am not aware of any other transactions involving the subject property during the past three years.

INTENDED USE/USER OF THE APPRAISAL

This appraisal is intended to offer my opinion of the **“Upon Completion” Bulk Market Value of the subject 254 under-development Phase 1 lots, and the 155 proposed Phase 2 lots**, to the client, FMSbonds, Inc., for the underwriting of the City’s proposed Porter Country Public Improvement District Bond transaction. The use of the appraisal by anyone other than Mr. Tripp Davenport, III and Mr. Robert Rivera (c/o FMSbonds, Inc.), or the City is prohibited, except as provided herein. Additionally, I confirm our permission to use the final Appraisal Report in the offer and sale of public securities, secured by the special assessments levied on property within the PID, and I confirm that I will execute, subject to our approval of the same, a certificate related to the use of the appraisal for such purpose, as provided by the client. Any other party is an unintended unauthorized user.

At the request of the client, the “As Is” Market Value of the 409 paper lots, plus site development costs to date, have not been valued herein.

SCOPE OF WORK OF THE APPRAISAL

The scope of work of the appraisal is the process to support my opinion of the **“Upon Completion” Bulk Market Value of the subject 254 under-development Phase 1 lots, and the 155 proposed Phase 2 lots**, employing the Sales Comparison Approach and the Income Approach (DCF), in an Appraisal Report format. In preparing this appraisal, the appraiser:

- visited the subject property and surrounding market area, unaccompanied;
- contacted **Mr. Cooper Dukette with Milestone Community Builders (512/796-6572); and Mr. Patrick Bourne with Sundance Analytics (512/871-8810; Mr. Robert Rivera with FMSbonds (817/240-6371) and Mr. Tripp Davenport with FMSbonds (214/418-1588)**, all of whom provided significant physical, financial and historical data to the appraiser for this valuation analysis;
- was provided a survey for the 91.3-acre development tract;
- was provided costs for the subject Porter Country PID;
- was provided a plat for Porter Country, Phase 1, but not Phase 2;
- was provided a copy of the lot purchase agreement for Porter Country;
- analyzed macro and micro market conditions of this region and market area;
- interviewed active market participants;

- gathered relevant available information on current comparable builder retail lot sales and lot absorption data, referencing such publications as the ABOR MLS, and the Zonda Austin Metrostudy;
- referenced other publications and services such as MapPro, Google Earth, Realty Rates.com, the Hays County Appraisal District, and the Hays County Clerks' Office, among other services, as well as the appraiser's vast data base;
- confirmed and analyzed the data and applied the most applicable approaches to value; i.e., the Sales Comparison Approach, and the Income Approach; and
- concluded the **"Upon Completion" Bulk Market Values of the subject 254 under-development lots in Porter Country, Phase 1 lots, as well as the 155 proposed lots in Porter Country, Phase 2**, for reasonable exposure periods as of the stated prospective effective dates.

While considered, at the client's request, the Cost Approach was not developed. Further, at the request of the client, the "As Is" Market Value of the subject 409 paper lots have not been valued herein. The absence of the Cost Approach does not affect the credibility of the Market Value conclusions in this appraisal.

PROPERTY RIGHTS APPRAISED

The property rights appraised are the ***Fee Simple Estate***. Fee Simple Estate is defined by The Dictionary of Real Estate Appraisal, Seventh Edition, Appraisal Institute, published in 2022, Page 73, as follows:

Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power and escheat.

DEFINITION OF MARKET VALUE

As referred to herein, ***Market Value*** is defined by FIRREA, as follows:

The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- (1) buyer and seller are typically motivated;
- (2) both parties are well informed or well advised, and each acting in what they consider their own best interests;
- (3) a reasonable time is allowed for exposure in the open market;

- (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
- (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

DEFINITION OF “SUM OF THE RETAIL VALUES”

As referred to herein, ***Sum of Retail Values*** is defined by The Dictionary of Real Estate Appraisal, Seventh Edition, Appraisal Institute, published in 2022, Page 185, as follows:

The sum of the separate and distinct market value opinions for each of the units in a condominium, subdivision development, or portfolio of properties, as of the date of valuation. The aggregate of retail values does not represent the value of all the units as though sold together in a single transaction; it is simply the total of the individual market value conclusions. An appraisal has an effective date, but summing the sale prices of multiple units over an extended period of time will not be the value on that one day unless the prices are discounted to make the value equivalent to what another developer or investor would pay for the bulk purchase of the units. Also called the aggregate of the retail values or aggregate retail selling price.

DEFINITION OF “AS IS” MARKET VALUE ON APPRAISAL DATE

As referred to herein, ***“As Is” Market Value*** is defined by The Dictionary of Real Estate Appraisal, Seventh Edition, Appraisal Institute, published in 2022, Page 10, as follows:

The estimate of the market value of real property in its current physical condition, use, and zoning as of the appraisal date.

DEFINITION OF “BULK VALUE”

As referred to herein, ***“Bulk Value”*** is defined by The Dictionary of Real Estate Appraisal, Seventh Edition, revised 2022, by the Appraisal Institute, Page 22, as follows:

The value of multiple units, subdivided plots, or properties in a portfolio as though sold together in a single transaction.

DATES OF THE APPRAISAL

The effective date of my appraisal site inspection was September 7, 2022. The prospective “Upon Completion” date of value of Phase 1 is November 1, 2023, and for Phase 2 is May 1, 2025. The date of transmittal of the report is February 28, 2023.

ZONING AND RESTRICTIONS

The subject development tract is zoned P.U.D. by the City of Kyle, and the subject proposed and under-development lots are assumed to conform to the P.U.D. Ordinance. It is also assumed subject lots will be deed restricted, but I am not aware of any adverse deed restrictions which would preclude development of the land and lots to their highest and best uses.

AD VALOREM TAX DATA

Tax Assessments & Taxes: The subject development tract comprising **Porter Country Public Improvement District (PID), Area 1, Phases 1 & 2** is assessed by Hays Central Appraisal District (HCAD) under Account R162775, and R13939. The remainder of the development tract is contained within Account R13939, which is described as a 109.785-acre parcel with an assessed value of \$2,651,710 (\$24,154 per acre), and is shown to carry an ag exemption value of \$9,000.

The taxing authorities affecting the subject property include Hays County, Hays County Special Road District, Hays County Fire Emergency Service District #8, Northeast Hays County Emergency Service District #2, Austin Community College, Hays C.I.S.D., Plum Creek Conservation District, Plum Creek Ground Water Conservation District and City of Kyle. AUSTIN REGIONAL AERIAL PHOTO

MARKET AREA ANALYSIS

Market Area Defined: According to The Dictionary of Real Estate Appraisal, Seventh Edition, by the Appraisal Institute, 2022, page 116, a **market area** is defined as: “The geographic region from which a majority demand comes and in which the majority of competition is located. Depending on the market, a market area may be further subdivided into components such as primary, secondary, and tertiary market areas, or the competitive market area may be distinguished from the general market area.”

Boundaries: In order to discuss a market area, the boundaries must be established in order to distinguish it from the rest of the community. The market area boundaries are generally delineated as follows:

The city limits of Kyle, Texas and outlying periphery.

The City of Kyle, which contains 31.27 square miles, is located 21 miles southwest of Austin, and 58 miles northeast of San Antonio, along IH 35, in the Austin-Round Rock-San Marcos metropolitan area. Kyle, Texas is located immediately south of Buda, and immediately north of San Marcos, which is the county seat for Hays County.

Kyle is now one of the fastest growing cities in Texas. According to 2020 Census estimates, the population is 52,300, which is 86.67% greater than the 2010 Census estimate of 28,016. The city has experienced rapid growth due to the southerly expansion of Austin, as well as the northerly expansion of San Marcos and New Braunfels due just south of Kyle.

Major Streets: I.H. 35 extends northeast/southwest through Kyle, and is the primary commercial/retail corridor. I.H. 35 links Austin and San Antonio, and is heavily traveled. Major secondary thoroughfares include Kyle Parkway (F.M. 1626); Jack C. Hays Trail (F.M. 2770); F.M. 150; Old Stagecoach Road; and Kohlers Crossing. Access to and through Kyle is considered to be above average.

Vybe Trail: In September 2022, the Kyle City Council approved a “Citywide Trails Master Plan,” known as The Vybe, that prioritizes trail-oriented developments connecting the

entire city of Kyle. The ultimate goal of The Vybe is to reduce in-town traffic, by providing an 80 mile network of trails for hiking, biking and skating, as well as golf carts. The Vybe will offer illuminated paths, and provide space for shopping and dining kiosks, public restrooms, golf cart parking, and charging stations, as well as green spaces for recreational uses, including swimming pools, dog parks and picnic areas. Construction of the first phase of The Vybe is now underway.

Single-Family Market: According to the Zonda Austin Metrostudy, 2nd Quarter 2022, the subject's South Market Area is the third most active sector of the eight market areas comprising the Austin region. For the 12 months ending with the 2nd Quarter 2022, the South Market Area had 4,504 starts and 2,730 closings, for an undersupplied vacant developed lot (VDL) inventory of 13.1 months, and an elevated housing inventory of 15.4 months.

The subject Porter Country is within the South Market Area, and the Kyle/Buda Submarket. The Kyle/Buda Submarket accounted for 3,375 of those 4,504 starts (74.93%) and 2,156 of those 2,730 closings (78.97%), with a notably undersupplied vacant developed lot inventory of only 13.5 months, and an elevated housing inventory of 14.4 months. Typically, a 20 to 24-month lot supply is considered to be equilibrium; thus, the Kyle/Buda Submarket is notably undersupplied at 13.5 months, as is the South Market Area at 13.1 months.

Submarket/ Market Area		1Q 2021	2Q 2021	3Q 2021	4Q 2021	1Q 2022	2Q 2022	Annual Rates/ Inventory Supply (Mos)

Source: Zonda Austin Metrostudy, 2nd Quarter 2022

Within the South Market Area starts in the 2nd Quarter 2022 were up 9.58% over 2nd Quarter 2021, and closings were up 27.29% over the same time period. Within the Kyle/Buda Submarket starts in the 2nd Quarter 2022 were up 19.39% over the 2nd Quarter 2021, and closings were up 24.16% over the same time period. The Austin region has experienced unprecedented growth over the past three years, and demand for new housing remains very strong. These trends indicate a rapid growth rate.

The housing inventory for both the South Market and the Kyle/Buda Submarket are elevated, and is due, in part, to the dramatic increase in starts, but is primarily attributable to a severe shortage in labor and materials. Further, the VDL inventories in both the Kyle/Buda Submarket, and the South Market Area have continually remained at undersupplied levels over the past 4 quarters, and are still notably undersupplied.

Notable recent residential developments in proximity to Kyle include 6 Creeks, Anthem, Blanco Vista, Casetta Ranch, Crosswinds, Cypress Forest, Paramount Park, Plum Creek, Sage Hollow, and Sunfield, as well as the under-development Porter Country.

Services/Utilities: Police and fire protection is provided by the various municipalities for the areas situated within the city limits of Kyle. The areas beyond the city limits are patrolled and serviced by the Hays County Sheriff's Department, and various fire/EMS districts.

Water and wastewater for the majority of the area is provided by the City of Kyle, with sufficient capacity to sustain future growth. The areas outside of the city limits are served through either Special Utility Districts, MUDs, WCIDs, or private well and septic systems. Electricity to the area is provided by Pedernales Electric Co-op, and typically AT&T or Spectrum provides telephone service. Natural gas is provided by Center Point Energy.

Kyle is located entirely within the Hays Consolidates I.S.D., which operates 26 campuses, and serves in excess of 20,000 students, with a student - teacher ratio 16:1. San Marcos is home to Texas State University (formerly known as Southwest Texas State), which is the 5th largest university in Texas with enrollment in excess of 38,800 students, and is the largest employer in San Marcos with 2,780 employees. In 2014, the Hays Campus of

Austin Community College opened, and is the only ACC campus to offer a First Responders Training Center, with a 50-yard tactical gun range, and a vehicle operations track.

Additional higher education in this region is provided by The University of Texas at Austin, Concordia University, Huston-Tillotson College and St. Edward's University in Austin, and Southwestern University in Georgetown.

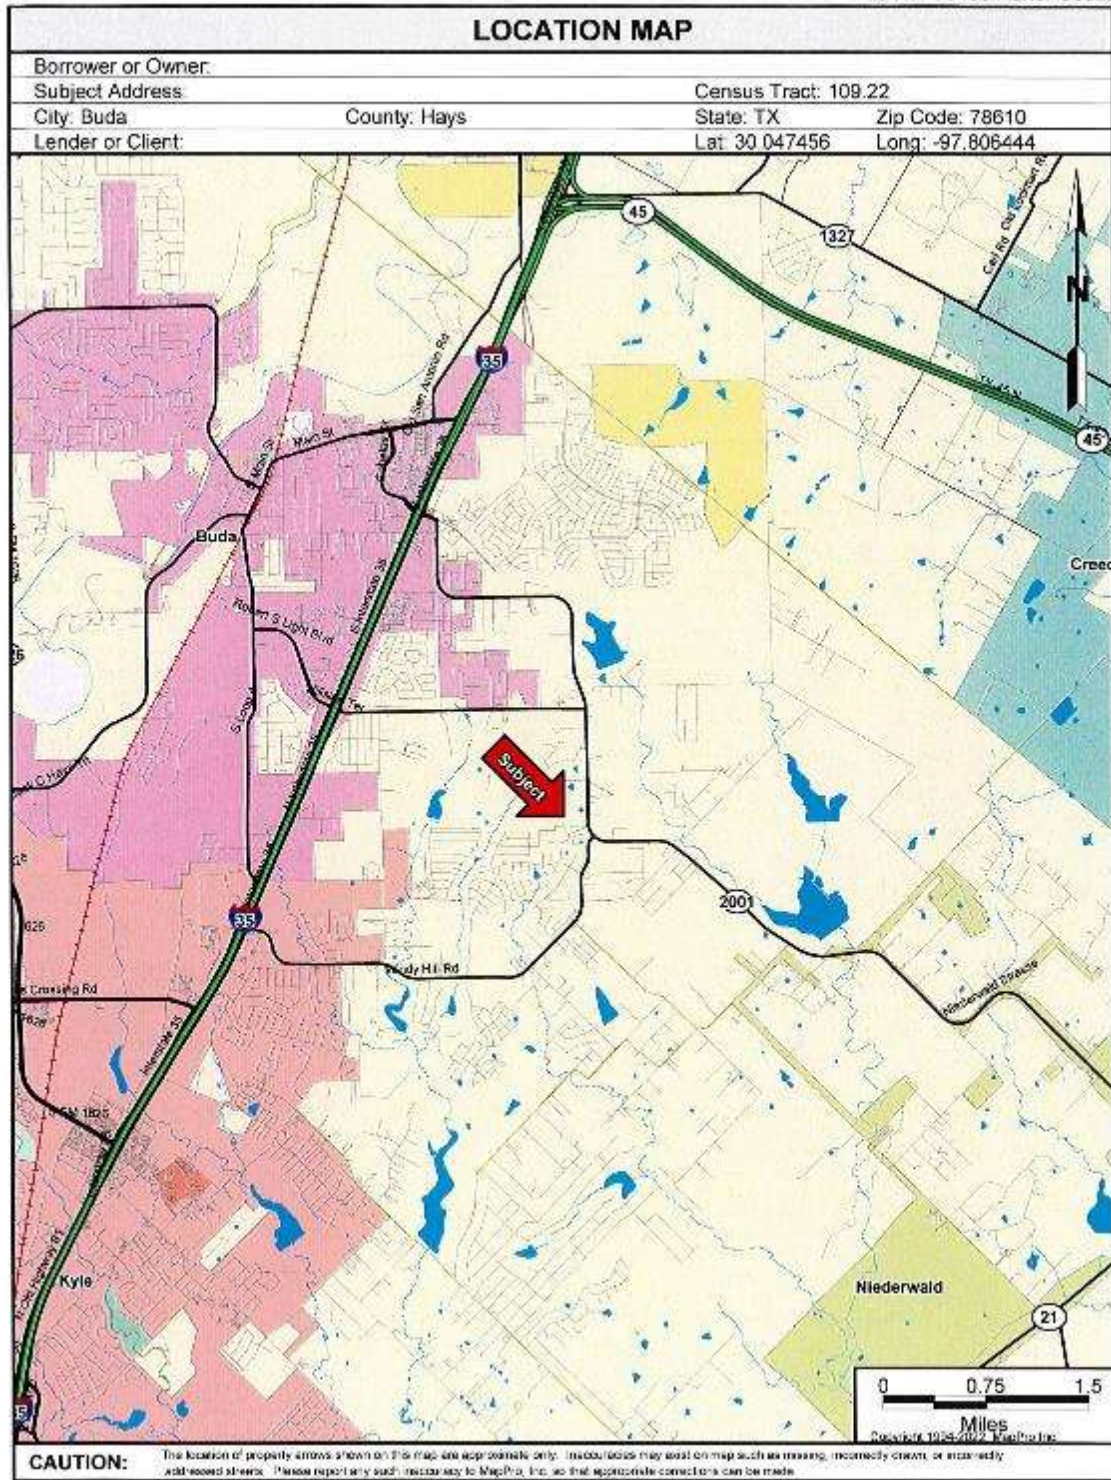

CONCLUSION: The subject market area is in the direct path of Austin's rapid growth patterns to the south, and San Antonio's growth patterns to the north, along the I-35 corridor. The market area is considered to be in a rapid growth stage of its life cycle, and is expected to continue as such into the foreseeable future. City services and utilities are available in sufficient capacity to accommodate future growth, and I am unaware of any adverse conditions or environmental hazards that would prohibit future development. No adverse or detrimental influences were noted, and no adverse zoning or other restrictions are present that would have a negative effect on area development.

The overall economic outlook of the market area has recently improved from the effects of the Coronavirus pandemic with the economy continuing to open up, along with stable \$80 - \$90+/- per barrel oil. The overall attitude and expectations of most market area participants is that of continued rapid population growth over the foreseeable future. The current Covid-19 pandemic had been receding. However, there had been an uptick in infections during July-September 2021, due to the Delta Variant. The Omicron Variant started to surge in December 2021, but appears to be a far less severe version of the virus thus far and was declining by mid-February 2022.

Inflation in June reached a record high level since 1982 of 9.1%, but dipped slightly in July to 8.6%, causing the Federal Reserve to rapidly increase interest rates during May, June, July and August 2022. The overall impact to the local residential market is to be determined, but most experts expect some slower activity throughout the remainder of 2022 and into 2023.

HIGHEST AND BEST USE

The “**Highest and Best Use**” is defined and described as:

The reasonably probable use of property, that results in the highest value. The four criteria that the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum productivity. (The Dictionary of Real Estate Appraisal, Seventh Edition, 2022, page 88, Appraisal Institute).

The definition immediately above applies specifically to the highest and best use of land. It is to be recognized that in cases where a site has existing improvements on it, the highest and best use may very well be determined to be different from the existing use. The existing use will continue, however, unless and until land value in its highest and best use exceeds the total value of the property in its existing use.

Implied within these definitions is recognition of the contribution of that specific use to community environment or to community development goals in addition wealth maximization to individual property owners. Also implied is that the determination of the highest and best use results from the appraiser's judgment and analytical skill, i.e., that the use determined from analysis represents an opinion, not a fact to be found. In appraisal practice, the concept of highest and best use represents the premise upon which value is based. In the context of most probable selling price (market value) another appropriate term to reflect highest and best use would be "most probable use." In the current context of investment value, an alternative term would be "most profitable use".

In order to reasonably determine the "highest and best use" of the subject, legally permissible uses, physically possible uses, financially feasible uses and the maximally productive use are considered.

LEGALLY PERMISSIBLE

Zoning/Restrictions: Zoning regulations, deed restrictions, adverse easements, historical districts, building codes, and environmental regulations often limit the potential uses of a property. The subject development tract is zoned P.U.D. by the City of Kyle, and the subject under-development lots are assumed to conform to the P.U.D. ordinance. The subject under-development lots and proposed lots are also assumed to be deed

restricted, but I am not aware of any adverse deed restrictions which would preclude development of the land and lots to their highest and best uses.

PHYSICALLY POSSIBLE

Site size, shape, topography, location, and the availability of utilities are generally held as the most important factors in determining uses by which land may be developed. Some small sites, because of their limited size, can only reach their optimum use as part of an assemblage with adjacent tracts. Conversely, larger sites are not restricted by size, allowing for a wider range of possible uses.

Porter Country is a proposed master-planned community on a total of 259.02 acres, which will eventually yield approximately 981 residential lots, a recreational/amenity center, numerous trails and green spaces, along with a 4.50-acre commercial tract. The entire 259.02 acres was recently annexed into the City of Kyle. Goforth Special Utility District will provide public water to the site, and Windy Hill Utility will provide sanitary sewer service.

The subject property consists of **Porter Country Public Improvement District (PID), Area 1, Phases 1 & 2, being 254 under-development lots, on 66.6 acres in Phase 1, and 155 proposed lots on 24.7 acres in Phase 2, located along the west line of F.M. 2001, south of Hillside Terrace Drive, in Kyle, Hays County, Texas 78610. Of the 254 under-development lots in Phase 1, 204 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 50 lots will have typical dimensions of 50' x 120', or 6,000 SF. Of the 155 proposed lots in Phase 2, 141 lots will have typical dimensions of 40' x 110', or 4,400 SF, and 14 lots will have typical dimensions of 50' x 120', or 6,000 SF. The subject lots are to be built-out by Milestone Community Builders, and will have new home price points ranging from \$420,000 (40' lots), up to \$508,000 (50' lots). The subject is located in Kyle, but has a Buda postal address.**

FINANCIALLY FEASIBLE

Any use, which produces a positive rate of return, is regarded as feasible from a financial point of view. The general character of the market area and adjacent land uses also

provide indications of feasible use. This data along with other market data form the basis for analysis of various alternate investment returns.

According to the Zonda Austin Metrostudy, 2nd Quarter 2022, the subject's South Market Area is the third most active sector of the eight market areas comprising the Austin region. For the 12 months ending with the 2nd Quarter 2022, the South Market Area had 4,504 starts and 2,730 closings, for an undersupplied vacant developed lot (VDL) inventory of 13.1 months, and an elevated housing inventory of 15.4 months.

The subject Porter Country is within the South Market Area, and the Kyle/Buda Submarket. The Kyle/Buda Submarket accounted for 3,375 of those 4,504 starts (74.93%) and 2,156 of those 2,730 closings (78.97%), with a notably undersupplied vacant developed lot inventory of only 13.5 months, and an elevated housing inventory of 14.4 months. Typically, a 20 to 24-month lot supply is considered to be equilibrium; thus, the Kyle/Buda Submarket is notably undersupplied at 13.5 months, as is the South Market Area at 13.1 months.

Source: Zonda Austin Metrostudy, 2nd Quarter 2022

Within the South Market Area starts in the 2nd Quarter 2022 were up 9.58% over 2nd Quarter 2021, and closings were up 27.29% over the same time period. Within the Kyle/Buda Submarket starts in the 2nd Quarter 2022 were up 19.39% over the 2nd Quarter 2021, and closings were up 24.16% over the same time period. The Austin region

has experienced unprecedented growth over the past three years, and demand for new housing remains very strong. These trends indicate a rapid growth rate.

The housing inventory for both the South Market and the Kyle/Buda Submarket are elevated, and is due, in part, to the dramatic increase in starts, but is primarily attributable to a severe shortage in labor and materials. Further, the VDL inventories in both the Kyle/Buda Submarket, and the South Market Area have continually remained at undersupplied levels over the past 4 quarters, and are still notably undersupplied.

Notable recent residential developments in proximity to Kyle include 6 Creeks, Anthem, Blanco Vista, Casetta Ranch, Crosswinds, Cypress Forest, Paramount Park, Plum Creek, Sage Hollow, and Sunfield, as well as the under-development Porter Country.

MAXIMALLY PRODUCTIVE HIGHEST & BEST USE CONCLUSION

The usage that produces the highest value is the maximally productive use, which is the highest and best use for the subject site. All of the subject Phase 1 under-development lots, and the Phase 2 proposed lots will be built-out by Milestone Community Builders, and the physically possible and legally permissible use of the subject development tract strongly supports a residential use. Thus, the maximally productive use of the subject 254 under-development Phase 1 lots, and the 155 proposed Phase 2 subject lots is for multi-phase lot development, as proposed, and as economic conditions and demand warrant.

SALES COMPARISON APPROACH – BUILDER TAKEDOWN LOT SALES VALUATION

The Sales Comparison Approach is “The process of deriving a value indication for the subject property by comparing sales of similar properties to the property being appraised, identifying appropriate units of comparison, and making adjustments to the sale prices (or unit prices, as appropriate) of the comparable properties based on relevant, market-derived elements of comparison.” (The Dictionary of Real Estate Appraisal, Seventh Edition, Appraisal Institute, 2022, p. 170).

The rationale for this approach, based on the principle of substitution, is that a probable purchaser would not be justified in paying more for an individual retail lot than the cost of acquiring a substitute property of similar utility and characteristics, as that of the typical subject lot.

Again, knowledgeable individuals active in the area, which include real estate brokers, appraisers, developers, and builders, were consulted for information that would aid in the investigation. All of the data presented was confirmed for accuracy. On the following pages are details concerning the comparable takedown lot sales that have been used for the establishment of the subject's typical or base Builder Takedown Lot Value conclusion.

BUILDER LOT TAKEDOWN ANALYSES

The Builder Lot Takedowns illustrated on the preceding pages are considered to be representative of the best available data for comparison to the subject lots, and are summarized on the following chart:

BUILDER LOT TAKEDOWN SALES SUMMARY							
LOT SALE	SALE DATE	SUBDIVISION	SALE TYPE	NO. LOTS	LOT WIDTH	LOT PRICE	LOT PRICE PFF
1	8/2022	6 Creeks, Section 6A	Takedown	10	45'	\$73,750	\$1,639
2	8/2022	6 Creeks, Section 6A	Takedown	10	45'	\$73,750	\$1,639

5	3/2022	The Colony, MUD 1C, Sec. 3	Takedown	11	50'	\$75,000	\$1,500

The market data was first analyzed to determine the best unit of comparison, and the features inherent to a given property causing a property's sale price to vary relative to another property. Sales comparison was then used to estimate representative and reasonable measures for adjustment factors or differences between the comparable sales and subject lots. The best units of comparison for Builder Takedown Lot Sales are the total sales price per lot, or the price per front foot. Of these various units of comparison, it was determined that the price per front foot was the most applicable. The categories found to be prevalent for adjustment analysis were cumulative adjustments such as Real Property Rights Conveyed, Financing (cash equivalent consideration), Conditions of Sale (motivation), and Time (sale date); and additive market related conditions adjustments such as Location, Size and Overall Property Characteristics (physical). Adjustments are made on a cumulative basis for the first four categories listed, and then on an additive basis on the remaining categories.

CUMULATIVE ADJUSTMENTS

Real Property Rights Conveyed: The comparability of property interests must first be considered when utilizing sales for adjustment analysis. The real property rights conveyed of the sales were all found to feature fee simple interest. **Therefore, no adjustment is necessary for this category,** as it is considered that each sale adequately represents market prices and market activity in the subject area for fee simple estates.

Financing/Cash Equivalent Considerations: Prior to adjusting for various categories applicable in the adjustment grid, each sale was reviewed with respect to financing terms and supplemental acquisition costs. When favorable financing occurred, the sale was adjusted to reflect the cash equivalent price in terms of U.S. dollars that the seller actually received. Generally, cash equivalency is arrived at by applying present value factors to the stream of income generated by the seller offering favorable financing. All monies are brought back to the present value if the seller were to sell for cash or cash equivalency. **No consideration for financing was required in this analysis.**

Conditions of Sale: This category, as well as the previous two categories, is related to motivation of the parties in the transaction to agree on the sales price at the date of sale. The conditions and reasons for a sale are factors, which can have a direct impact on the sales price. Buyers and sellers motivation for acquisition or disposition of a property can cause large differences in the actual sales price versus market value. Extraction of an appropriate adjustment for special sales conditions is generally difficult to ascertain. Pairing of sales is typically the best method in establishing an adjustment. However, when sales are scarce and/or significant differences in the properties are evident, additional considerations must be reviewed. Such considerations typically relate to additional information provided by the buyer and/or seller, which may be difficult to measure, but must be considered, analyzed, and reasonably adjusted. **Lot Sales 1 through 5 are typical builder retail lot takedowns, warranting no extractable adjustments.**

Date of Sale: A time adjustment is required if changes occur in market conditions between the time of sale of a comparable property, and the effective date of the appraisal of the subject property. Under such circumstances, the price of the comparable property would be different at the date of appraisal, and an adjustment is warranted to the cash equivalent sales price for the sale to be used as a comparable. **Lot Sales 1, 2 and 5 are each adjusted at a rate of 1.50% per quarter, or 6.0%, in order to reflect their older 2022 sale dates. Lot Sales 3 and 4 are pending, and are not adjusted.**

Builder Fees: The subject lots will not be assessed any additional builder fees. **Lot Sales 1 and 2 incur an additional \$8,801 per lot, or \$196 PFF. Lot Sale 3 incurs an additional \$5,376 per lot, or \$98 PFF. Lot Sale 4 incurs an additional \$8,800 per lot, or \$176 PFF, and Lot Sale 5 incurs an additional \$4,000 per lot, or \$80 PFF.** Lot Sales 1, 2, 3, 4 and 5 are adjusted accordingly.

ADDITIVE ADJUSTMENTS

Location: Factors, which often have an effect on lot values, include proximity to schools, the specific school district, shopping, market area amenities, and employment centers. Accessibility is an important consideration as well, particularly within market areas such as the subject. In addition to these elements, lots located in well-established subdivisions with higher priced homes tend to likewise command higher prices than otherwise equal lots in less desirable subdivisions.

Lot Sales 1, 2 and 3 are located within 6 Creeks, which is a premier master-planned community in Kyle, and is considered to be superior to the subject's location, warranting -15% adjustments to each. Lot Sales 4 and 5 are considered to be generally similar in location, warranting no adjustments.

Size: Developers and home builders are now negotiating residential lot sales on a per-front-foot (PFF) basis, and the comparables clearly support this trend. Given that I have elected to use a Price Per FF methodology, **adjustments for lot size are not warranted for the data set presented.**

School District: Like the subject lots, **Lot Sales 1, 2, 3 and 4** are located within the Hays Consolidated I.S.D., **warranting no adjustments.** Lot Sale 5 is located within the Bastrop I.S.D., which is equally regarded, warranting no adjustment.

Physical Characteristics: Other factors, which can have an effect on lot values include drainage, shape with respect to development potential, adverse easements, cul-de-sac location, corner lots, location with respect to flood hazard areas and especially in this market area is the hillside view consideration. All of the lot sales can be described as very

similar in overall physical characteristics compared to the subject lots, **thus requiring no adjustment for this category.**

LOT SALES ADJUSTMENT GRID

The following Lot Sales Adjustment Grid illustrates the adjustments that were extracted and applied in the analyses of the comparable Builder Lot Sales to the typical subject 40' lot and 50' lot, "Upon Completion," in Porter Country, Phase 1.

BUILDER LOT VALUE CONCLUSION, PORTER COUNTRY, PHASE 1 "UPON COMPLETION": The sales presented indicate a range of \$1,526 PFF to \$1,783 PFF, with a mean of \$1,675 PFF, and a median indication of \$1,664 PFF. After considering the physical characteristics of the subject lots, as well as the supply and demand for these lots in the market area, and the trend for increasing lot values in the Kyle Market Area, it is my opinion that the Base Market Value of a typical **40' subject lot in Porter Country, Phase 1**, as of November 1, 2023, is **\$1,675 PFF**.

Thus, the **"Upon Completion" Retail Lot Value of the 40' lots in Porter Country, Phase 1**, is concluded as follows:

$$\frac{\text{Lot Width}}{40'} \times \frac{\text{Retail Lot Revenue PFF}}{\$1,675} = \frac{\text{Indicated Retail Lot Value}}{\$67,000}$$

Further, it is my opinion that the Base Market Value of a typical **50' subject lot in Porter Country, Phase 1**, as of November 1, 2023, is **\$1,675 PFF**. Thus, the **“Upon Completion” Retail Lot Value of the 50' lots in Porter Country, Phase 1**, is concluded as follows:

$$\frac{\text{Lot Width}}{50'} \times \frac{\text{Retail Lot Revenue PFF}}{\$1,675} = \frac{\text{Indicated Retail Lot Value}}{\$83,750}$$

SUM OF RETAIL REVENUE CONCLUSION, “UPON COMPLETION”

The 254 under-development subject lots in **Porter Country, Phase 1** have an **“Upon Completion”** sum of retail revenue computed as follows:

<u>No.</u>	<u>Description</u>	<u>Lot Size</u>	<u>Retail Lot Value</u>	<u>Sum of Retail Revenue</u>	<u>Effective Date</u>
204	Under-Development	40' x 110' @	\$67,000 / Lot =	\$13,668,000	11/1/2023
50	Under-Development	50' x 120' @	\$83,750 / Lot =	\$ 4,187,500	11/1/2023
254	Total / Average		\$70,297 / Lot =	\$17,855,500	11/1/2023

BUILDER LOT VALUE CONCLUSION, PORTER COUNTRY, PHASE 2 “UPON COMPLETION”: The subject Phase 2 proposed lots are to be substantially complete by May 1, 2025, or approximately 18 months after the Phase 1 lots. Assuming a constant increase in lot values of 6.0% per year, or 1.50% per quarter would indicate a base lot price for the **40' lots** of (\$67,000 per lot x 1.09 = \$73,030 per lot) Say: **\$73,000 per lot, or \$1,825 PFF**.

Assuming a constant increase in lot values of 6.0% per year, or 1.50% per quarter would indicate a base lot price for the **50' lots** of (\$83,750 per lot x 1.09 = \$91,288 per lot) Say: **\$91,300 per lot, or \$1,826 PFF**.

The 155 proposed subject lots in **Porter Country, Phase 2** have an **“Upon Completion”** sum of retail revenue computed as follows:

<u>No.</u>	<u>Description</u>	<u>Lot Size</u>	<u>Retail Lot Value</u>	<u>Sum of Retail Revenue</u>	<u>Effective Date</u>
141	Under-Development	40' x 110' @	\$73,000 / Lot =	\$10,293,000	5/1/2025
14	Under-Development	50' x 120' @	\$91,300 / Lot =	\$ 1,278,200	5/1/2025
155	Total / Average		\$74,653 / Lot =	\$11,571,200	5/1/2025

INCOME APPROACH - DISCOUNTED BULK MARKET VALUE ANALYSIS

The Bulk Market Value for the subject lots, or sold collectively to a single purchaser, is determined by discounting the net sales proceeds of the aggregate gross builder retail lot value arrived at previously. The discounting is necessary to reflect the absorption period, required yield, and related expenses incurred during the sell-out term. The following is a discussion of each of these categories and the assumptions applicable thereto:

ABSORPTION

Generally, in developments such as the subject, an absorption period is required in order to promote and eventually sell-out the subject lots on an individual lot basis. To determine the rates at which the subject single-family lots will be absorbed into the market, I have analyzed the recent absorption of lots in several single-builder subdivisions in the vicinity of the subject subdivision.

Subdivision	Lot Size	No. Builders	Price Range (\$1,000's)	12-Month Closings	Closings Per Quarter	Closings Per Builder Per Quarter
Casetta Ranch	35' – 50'	1	\$300-\$456	95	23.75	23.75
Highlands at Gristmill	40' - 45'	1	\$281 - \$340	76	19.00	19.00
Plum Creek/Peninsula	35' – 45'	1	\$228 - \$425	40	10.00	10.00
Southgrove	40' – 50'	1	\$293 - \$439	45	11.25	10.00
Stagecoach Crossing	50'	1	\$360 - \$440	93	23.25	23.25
Sunset Hills	50'	1	\$273 - \$345	98	24.50	24.50

Source: Zonda Austin Metrostudy, 2nd Quarter 2022

These absorption comparables indicate annual absorption of 40 lots up to 98 lots, with an average of 74.50 closings per year, or 18.63 closings per quarter. Again, these absorption comparables are all single-builder subdivisions.

Further, it should be noted that new home prices have escalated so rapidly in the Kyle submarket, that in many cases, builders are no longer publishing new home prices. Within Casetta Ranch, where Zonda Austin Metrostudy indicates a range for new home prices of \$300,000 to \$400,000, the website for Casetta Ranch shows new home prices ranging from \$327,000 to \$446,990. In Peninsula at Plum Creek, Empire Homes' website

indicates new homes form the \$400,000's. Similarly, in Southgrove, where Zonda Austin Metrostudy indicates a range for new home prices of \$293,000 to \$393,000, the website for Southgrove shows new home prices starting at \$367,990. **Thus, the new home price range quoted by Zonda Austin Metrostudy is now out of date.** As mentioned previously, typically, a 20 to 24-month lot supply is considered to be equilibrium; thus, the Kyle/Buda Submarket is severely undersupplied at 13.5 months, as is the South Market Area at 13.1 months.

Absorption Conclusion, Porter Country, Phase 1 "Upon Completion": Again, the subject Porter Country, Phase 1 is expected to be substantially complete by November 1, 2023, and pre-marketing will begin in the interim. Herein, I have projected lot absorption at a rate of **20 lots per quarter, after an initial takedown in Period Zero of 14 lots**, summarized as follows:

<u>Porter Country, Phase 1</u>														
<u>"Upon Completion" – November 1, 2023</u>														
Quarterly Period	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10</u>	<u>11</u>	<u>12</u>	<u>Total</u>
Lot Absorption	14	20	20	20	20	20	20	20	20	20	20	20	20	254

Absorption Conclusion, Porter Country, Phase 2 - "Upon Completion:"

The Phase 2 lots are scheduled for completion by May 1, 2025. Based on the above, the 155 lots in Phase 2 will not be in demand until the end October, 2026, or approximately 12 months after substantial completion of the 254 lots in Phase 1. Assuming a constant rate of absorption of 20 lots per quarter, Phase 2 will require an absorption period of $(155 \text{ lots} \div 20 \text{ lots per quarter} = 7.75 \text{ quarters})$ approximately 7.75 quarters, which will begin in 2025, summarized as follows:

<u>Porter Country, Phase 2</u> <u>"Upon Completion" – May 1, 2025</u>														
Quarterly Period	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10</u>	<u>11</u>	<u>12</u>	<u>Total</u>

Lot Absorption	0	0	0	0	0	20	20	20	20	20	20	20	15	155

The projected takedown schedule for the 155 subject proposed lots in Porter Country, Phase 2 "Upon Completion" amounts to 155 lots over 3.00 years, or an average of **12.92 lots per quarter**, which is well supported by the lower-end of the absorption comparables.

¹2nd Quarter 2022 Data

Copyright 2022 RealtyRates.comTM

As indicated within the RealtyRates.com survey, developers and builders reported modeling proforma internal rates of return ranging from 14.03% to 29.28%, with an average of 19.75% for residential developments with 100 units to 500 units. These same developers and builders reported actual internal rates of return ranging from 14.61% to 30.50%, with an average of 21.65%.

Based on the availability of alternative investment yields; the lot quantity at 409 lots; and considering the relative risk of the subject residential development investment in the Greater Austin region and the subject market area; it is the appraiser's opinion that an overall **IRR of 17.50%** is most appropriate for the subject under-development **Porter Country, Phase 1** lots' cash flow, inclusive of profit.

Because the Phase 2 lots will not be substantially complete until May 1, 2025, it is the appraiser's opinion that a slightly higher overall **IRR of 18.0%** is most appropriate for the subject proposed **Porter Country, Phase 2** lots' cash flow, inclusive of profit.

On the following pages are the discounted cash flow (DCF) analyses builder retail sell-out of the subject lots, along with a discussion of the various absorption, carrying expenses, and yield assumptions to discount the cash flow builder retail sell-out of the subject 254, Phase 1 under-development lots, followed by the 155, Phase 2 proposed lots, "Upon Completion."

DISCOUNTED CASH FLOW ASSUMPTIONS

Sum of Retail Revenue:

The 254 under-development subject lots in **Porter Country, Phase 1** have an “**Upon Completion**” sum of retail revenue computed as follows:

<u>No.</u>	<u>Description</u>	<u>Lot Size</u>	<u>Retail Lot Value</u>	<u>Sum of Retail Revenue</u>	<u>Effective Date</u>
204	Under-Development	40' × 110' @	\$67,000 / Lot =	\$13,668,000	11/1/2023
50	Under-Development	50' × 120' @	\$83,750 / Lot =	\$ 4,187,500	11/1/2023
254	Total / Average		\$70,297 / Lot =	\$17,855,500	11/1/2023

The 155 proposed subject lots in **Porter Country, Phase 2** have an “**Upon Completion**” sum of retail revenue computed as follows:

<u>No.</u>	<u>Description</u>	<u>Lot Size</u>	<u>Retail Lot Value</u>	<u>Sum of Retail Revenue</u>	<u>Effective Date</u>
141	Under-Development	40' × 110' @	\$73,000 / Lot =	\$10,293,000	5/1/2025
14	Under-Development	50' × 120' @	\$91,300 / Lot =	\$ 1,278,200	5/1/2025
155	Total / Average		\$74,653 / Lot =	\$11,571,200	5/1/2025

Absorption Period: The absorption period projected for the subject lots' sell-out is based on the vacant lot inventory and absorption projections, as detailed in the prior section of this appraisal.

Growths: The retail lot values have been escalated over the projected sell-out at **1.50% per quarter, or 6.00% per year**, which is well supported by current trends in the Kyle/Buda market area, whereby builders have agreed to annual escalators ranging from 6.0% to 8.0%.

Beginning Lot Inventory: The Beginning Lot Inventory is the total number of lots in inventory on the first day of each quarterly period.

Lot Sales Per Period: The Lots Sales per Period is the total number of lots sold or absorbed during each quarterly period.

Ending Lot Inventory: The Ending Inventory is the total number of lots in inventory on the last day of each quarterly period.

Average Lots Held Per Period: The Average Lots Held per Period is the average of Beginning Lot Inventory and Ending Lot Inventory.

Starting Inventory (Dollars): The Starting Inventory is expressed in terms of dollars by multiplying the Average Lot Value by the Beginning Lot Inventory, and is a carry-over of the Ending Inventory balance.

Average Inventory Held (Dollars): The Average Inventory Held in Dollars is the average of the Starting Inventory (dollars) and the Ending Inventory (dollars).

Ending Inventory (Dollars): The Ending Inventory is expressed in terms of dollars by subtracting the periodic Sales (dollars) from the Starting Lot Inventory (dollars).

Periodic Sales Income: The total Quarterly Sales are the revenue generated during the period, before sales expense deductions.

SALES EXPENSES

Marketing/Closing Costs: Herein, I have projected broker commissions at 3.0% of periodic sales. The closing costs and marketing costs of the subject lots were estimated at 2.0% of the periodic sales, for a total of **5.0%** for marketing and closing costs.

Taxes: The subject lots are not yet assessed. HCAD typically discounts lots held in bulk, between 50% to 75% of retail value. Herein, I have projected taxes at a rate of 65% of the average retail value ($\$70,297 \times 0.65 = \$45,693$) for an average assessed value of **\$45,693 per lot**. The tax expense is based on the projected average assessed value per lot, multiplied by the tax rate per \$100, and divided by four to reflect quarterly taxes. The tax rate for the subject lots is based on the most-recent 2021 total tax rate of \$3.0457 per \$100, of assessed value, which is rounded to **\$3.05 per \$100**.

Administrative Expense: This category reflects incidental expenses including bank charges, accounting and legal fees, office expenses, etc., which are typically incurred by the developer throughout the holding period. These expenses are typically relatively minor; thus, I have projected this expense at **0.5% of quarterly lot sales revenue**.

Maintenance: The subject lots will be part of Porter Country Homeowners Association. The HOA dues to the developer for vacant lots are estimated at \$200 per lot per year or **\$50 per lot per quarterly period.**

155 Lots, "Upon Completion" – May 1, 2025

DISCOUNTED SELL-OUT CASH FLOW ANALYSIS

DISCOUNTED CASH FLOW MARKET VALUE CONCLUSIONS

After applying an IRR of 17.50%, inclusive of profit, to the 254 under-development Phase 1 subject lots' prospective cash flow sell-out; and an IRR of 18.0%, inclusive of profit, to the 155 proposed Phase 2 subject lots' prospective cash flow sell-out; it is the opinion of the appraiser that the **“Upon Completion” Bulk Market Values** of the subject lots to a single purchaser, via the Income Approach, are as follows:

Description	No. Lots	Bulk Market Value	Prospective Date
Porter Country PID, Area 1, Phase 1	254	\$13,825,000	11/1/2023
Porter Country PID, Area 1, Phase 2	155	\$8,180,000	5/1/2025

When estimating the value of multiple lots or parcels of land "In Bulk" or collectively to a single purchaser, individual builder retail lot market values are typically totaled, and a discounted cash flow is then applied to reflect factors such as yield, risk, and expenses which must be incurred by the owner throughout the holding period or sell-out term for the multiple retail properties. The preceding discounted cash flow model is deemed to be the most reliable technique in concluding my opinion of the Market Value for the subject lots "In Bulk" or collectively to a single purchaser.

The indicated “Upon Completion” Bulk Market Value of the 254 subject under-development lots in **Porter Country, Phase 1** computes to a total of **\$13,825,000**, or an average of **\$54,429 per lot**. This net present value conclusion represents a discount of approximately **22.57%** in comparison to the previously estimated **sum of retail revenue of \$17,855,500, or an average of \$70,297 per lot**.

The indicated “Upon Completion” Bulk Market Value of the 155 subject proposed lots in **Porter Country, Phase 2** computes to a total of **\$8,180,000**, or an average of **\$52,774 per lot**. This net present value conclusion represents a discount of approximately **29.31%** in comparison to the previously estimated **sum of retail revenue of \$11,571,200, or an average of \$74,653 per lot**.

The resulting bulk purchase discounts are considered to be reasonable, particularly when considering that purchasing the subject lots "In Bulk" will involve an assumption of a certain amount of risk and known carrying costs.

RECONCILIATION AND FINAL MARKET VALUE CONCLUSIONS

The Sales Comparison Approach was used to conclude the “Upon Completion” retail revenues of the subject residential lots. An Income Approach retail sell-out technique was then employed to derive the indicated “Upon Completion” Bulk Market Value of the subject 254 under-development lots in Porter Country, Phase 1, and the 155 proposed lots in Porter Country, Phase 2. The cumulative builder retail revenue of the subject lots were discounted for their projected absorption period. A discounted cash flow analysis was used to present value the projected income streams of the subject under-development lots over their projected absorption period. The Income Approach procedure is generally considered to be the most valid method of estimating the bulk value of multiple builder retail lots to one individual buyer, especially if the parcels/lots involve a holding period or sell-out term and carrying costs.

While considered, the Cost Approach was not developed. Further, at the request of the client, the “As Is” Market Value of the subject paper lots, plus development costs to date, was not valued herein. The absence of the Cost Approach does not affect the credibility of the Market Value conclusions in this appraisal.

FINAL MARKET VALUE CONCLUSIONS

Description	No. Lots	Bulk Market Value	Prospective Date
Porter Country PID, Area 1, Phase 1	254	\$13,825,000	11/1/2023
Porter Country PID, Area 1, Phase 2	155	\$8,180,000	5/1/2025

Extraordinary Assumptions:

- 1.) Porter Country PID, Area 1, Phase 2 is not yet platted, and the “Upon Completion” Market Value of Phase 2 is subject to a review of the plat, once available.
- 2.) The subject property is under-development as a residential subdivision, with a prospective completion date. In this appraisal report, I have projected the market conditions at the prospective time of completion that would be anticipated by typical market participants. In a similar fashion, I projected the retail valuation of the individual subject lots, absorption period and holding costs, based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may

change the anticipated date of completion to another date, which may have market conditions that are different from those which are expected on the anticipated date of completion that is reflected in this report. Because actual future market conditions may deviate from those which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sale data that will be available on the prospective or actual date of completion.

- 3.) This appraisal is subject to the proposed and under-development improvements being completed in a timely and professional workmanlike manner and that the under-development improvements do not deviate significantly from those described herein.
- 4.) The valuation of the subject improvements "Upon Completion" require a valuation of the subject improvements as of a prospective date, when they are projected to be physically complete based upon the plans and specifications provided. Developing this opinion of value requires the use of an extraordinary assumption because the subject in the prospective value opinion is as it exists as of a future date when physically complete. Therefore, I have relied upon information and specifications for the under-development improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value conclusions are subject to revision.
- 5.) This appraisal assumes that the developer's marketing plan is for new homes with a price-point range of \$420,000 (40' lots), up to \$508,000 (50' lots), by Milestone Community Builders, or a comparable production home builder.
- 6.) A deviation from any of the extraordinary assumptions stated above might have an effect on the Market Value conclusions contained herein.

MARKETING AND EXPOSURE PERIODS

A marketing period is not a fact which can be found, but is an estimate which is dependent on supply/demand market conditions, availability of financing, competent marketing and negotiating efforts, and perhaps most important, the appropriate asking price. My estimate of the projected marketing period assumes market conditions are similar to those, which currently exist, as of the effective date of this appraisal. It also assumes reasonable financing can be obtained and that the property is aggressively marketed.

According to participants in the regional and local residential land market and others who have experience handling and marketing of such properties in the subject area, marketing times for properties such as the subject have been decreasing in recent years. Based upon my market analysis, I have estimated a prospective marketing period for the "upon completion" residential lots to be within 6 months. The subject property should market well at the reasonable and competitive concluded Market Values. As a result, I further

estimate a historic exposure period of approximately 6 months or less for the subject lots, based upon the market data presented herein and the reported exposure times of the comparable sales.

Exhibit A – Project Understanding

Our Scope of Services is based on our understanding of the project as described by LJA and the expected subsurface conditions as described below. We have not visited the project site recently to confirm the information provided. Aspects of the project, undefined or assumed, are highlighted as shown below. We request LJA and/or the design team verify all information prior to our initiation of field exploration activities.

Planned Construction

Item	Description
Information Provided	The project information, utility alignment, and proposed boring locations were provided via e-mail on August 4, 2023, from Mr. Kevin Rose, E.I.T. with LJA.
Project Description	The project includes the construction of a wastewater line (WWL) alignment running along Schlemmer Street, with two branches running between Schlemmer Street and North Street.
Finished Bottom of WWL Elevation	Finished bottom of pipe elevation for the WWL alignment is planned to be 10 to 15 feet below existing grade.

Site Location and Anticipated Conditions

Item	Description
Parcel Information	The project site is located along Schlemmer St. & North St. in Kyle, Texas. Latitude/Longitude (approximate): 29.9932 °N, 97.8792 °W (See Exhibit D)
Existing Improvements	Existing asphaltic roadways surrounded by residences and an elementary school.
Current Ground Cover	Asphalt, grass, and limestone base.
Site Access	We expect the site, and all exploration locations, are accessible with truck-mounted drilling equipment and support vehicles during dry weather conditions. Dependent upon final boring locations, traffic control may be necessary.
Expected Subsurface Conditions	Our experience near the vicinity of the proposed development and review of geologic maps indicates subsurface conditions consist of surficial soils overlying Austin Group limestone.

Exhibit B - Scope of Services

Our proposed Scope of Services consists of field exploration, laboratory testing, and engineering/project delivery. These services are described in the following sections.

Field Exploration

Based on input provided by LJA, and our experience with similar projects in the vicinity of the project site, we propose the following field exploration program which is anticipated to be completed with 1 to 2 days of on-site activities.

Number of Borings	Planned Boring Depth (feet) ¹	Planned Location ²
3	15	WWL Alignment

1. Below existing ground surface.
2. The planned boring locations are shown on the attached **Anticipated Exploration Plan**.

Boring Layout and Elevations: We will use handheld GPS equipment to locate borings with an estimated horizontal accuracy of +/-20 feet. Field measurements from existing site features may be utilized. If available, approximate elevations will be obtained by interpolation from a site specific, surveyed topographic map. If topographic data is not available, Google Earth™ may be utilized to obtain approximate elevations. We can alternatively coordinate with your Project Surveyor to include locations and surface elevations in project information if so requested.

Subsurface Exploration Procedures: Our drilling subcontractor will advance borings with a truck-mounted drill rig using continuous flight augers and/or rotary wash boring techniques. Samples will typically be obtained at two-foot intervals in the upper 10 feet of each boring and at intervals of 5 feet thereafter (unless bedrock is encountered). Soil sampling is typically performed using thin-wall tube and/or split-barrel sampling procedures. Upon encountering bedrock or refusal for tube sampling, bedrock is sampled with either split-barrel spoons or continuously cored using NX rock coring equipment. When sufficient bedrock is sampled, the borings are shallowed at the geotechnical engineer's discretion. Air (with foam) or water will be used as a drilling aid for rock coring. The spent foam/water will be discharged on site. For safety purposes, all borings will be backfilled with auger cuttings/bentonite chips after their completion. Pavements will be patched with cold-mix asphalt, as appropriate.

The samples will be placed in appropriate containers, taken to our soil laboratory for testing, and classified by a Geotechnical Engineer. In addition, our drilling subcontractor will observe and record groundwater levels during drilling and sampling.

Our exploration team will prepare field boring logs as part of standard drilling operations including sampling depths, penetration distances, and other relevant sampling information. Field logs include visual classifications of materials observed during drilling and our interpretation of subsurface conditions between samples. Final boring logs, prepared from field logs, represent the Geotechnical Engineer's interpretation and include modifications based on observations and laboratory tests.

Property Disturbance: Terracon will take reasonable efforts to reduce damage to the property. However, it should be understood that in the normal course of our work some disturbance could occur including rutting of the ground surface and damage to landscaping and/or crops.

Our drilling subcontractor will backfill borings with auger cuttings and/or bentonite pellets upon completion. Pavements will be patched with cold-mix asphalt, as appropriate. Our services do not include repair of the site beyond backfilling our boreholes and patching existing pavements. Excess auger cuttings will be dispersed in the general vicinity of the borehole. Because backfill material often settles below the surface after a period, we recommend boreholes to be periodically checked and backfilled, if necessary. We can provide this service or grout the boreholes for additional fees at your request.

Safety

Terracon is not aware of environmental concerns at this project site that would create health or safety hazards associated with our exploration program; thus, our Scope considers standard OSHA Level D Personal Protection Equipment (PPE) appropriate. Our Scope of Services does not include environmental site assessment services, but identification of unusual or unnatural materials observed while drilling will be noted on our logs.

Exploration efforts require borings into the subsurface, therefore Terracon will comply with local regulations to request a utility location service Texas 811 (aka One-Call). We will consult with the City/client regarding potential utilities or other unmarked underground hazards. Based upon the results of this consultation, we will consider the need for alternative subsurface exploration methods as the safety of our field crew is a priority.

Private utilities should be marked by the City/client prior to commencement of field exploration. Terracon will not be responsible for damage to private utilities not disclosed to us.

If underground utilities are known to exist on the site, Terracon should be notified so that we may review utility plans to help avoid the existing lines. Utilities should be marked by the City/client prior to commencement of field exploration. Terracon will not be responsible for damage to private utilities not disclosed to us or improperly located in the field. If the City/client is unable to accurately locate private utilities, Terracon can assist the City/client by coordinating or subcontracting with a private utility locating services. Fees associated with the additional services are not included in our current Scope of Services and will be forwarded to our client for approval prior to initiating.

The detection of underground utilities is dependent upon the composition and construction of the utility line; some utilities are comprised of non-electrically conductive materials and may not be readily detected. The use of a private utility locate service would not relieve the City/client of their responsibilities in identifying private underground utilities.

Site Access: Terracon must be granted access to the site by the property City. Without information to the contrary, we consider acceptance of this proposal as authorization to access the property for conducting field exploration in accordance with the Scope of Services. Our proposed fees do not include time to negotiate and coordinate access with adjacent landowners or tenants. Terracon will conduct field services during normal business hours (Monday through Friday between 7:00am and 5:00pm). If our exploration must take place outside normal business hours, please contact us so we can adjust our schedule and fee.

Traffic Control: Because this project is located along residential streets with relatively low traffic volumes, we anticipate our borings could be safely performed by using Road Work Ahead signs, cones around our work area, and flashing lights on our equipment. However, if additional traffic control (signboard and/or flagmen) is required, Terracon can subcontract these services as we have on previous projects for the fees shown in **Exhibit C**. Alternatively, others contracted by the Client could provide all required traffic control as a cost savings measure.

Laboratory Testing

The project engineer will review field data and assign laboratory tests to understand the engineering properties of various soil and rock strata. Exact types and number of tests cannot be defined until completion of fieldwork, but we anticipate the following laboratory testing may be performed:

- Water content
- Unit dry weight
- Atterberg limits

- Grain size analysis
- Unconfined compressive strength

Our laboratory testing program often includes examination of soil samples by an engineer. Based on the results of our field and laboratory programs, we will describe and classify soil samples in accordance with the Unified Soil Classification System (USCS).

If bedrock samples are obtained, rock classification will be conducted using locally accepted practices for engineering purposes; petrographic analysis (not part of our scope) may reveal other rock types. Rock core samples typically provide an improved specimen for this classification. Boring log rock classification is determined using the Description of Rock Properties.

Engineering and Project Delivery

The results of our field and laboratory programs will be evaluated, and a geotechnical engineering report will be prepared under the supervision of a licensed professional engineer. The geotechnical engineering report will provide the following:

- Boring logs with field and laboratory data
- Stratification based on visual soil and rock classification
- Groundwater levels observed during and after the completion of drilling
- Site Location and Exploration Plans
- Subsurface exploration procedures
- Description of subsurface conditions
- Earthwork recommendations including site/subgrade preparation and backfilling of utility trenches and manholes
- Comments on excavation and/or trench safety
- Below-grade construction considerations
- Engineering design parameters for support of manholes

In addition to an emailed report, your project will also be delivered using our **Client Portal**. Upon initiation, we provide you and your design team the necessary link and password to access the website (if not previously registered). Each project includes a calendar to track the schedule, an interactive site map, a listing of team members, access to the project documents as they are uploaded to the site, and a collaboration portal. We welcome the opportunity to have project kickoff conversations with the team to discuss key elements of the project and demonstrate features of the portal. The typical delivery process includes the following:

- Project Planning – Proposal information, schedule and anticipated exploration plan
- Site Characterization – Findings of the site exploration and laboratory results
- Geotechnical Engineering Report

When services are complete, we upload a printable version of our completed Geotechnical Engineering report, including the professional engineer's seal and signature, which documents our services. Previous submittals, collaboration, and the report are maintained in our system. This allows future reference and integration into subsequent aspects of our services as the project goes through final design and construction.

Additional Services

In addition to the services noted above, the following are often associated with geotechnical engineering services. Fees for services noted above do not include the following:

Review of Plans and Specifications: Our geotechnical report and associated verbal and written communications will be used by others in the design team to develop plans and specifications for construction. Review of project plans and specifications is a vital part of our geotechnical engineering services. This consists of review of project plans and specifications related to site preparation, excavations, backfilling, and foundation construction. Our review will include a written statement conveying our opinions relating to the plans and specifications' consistency with our geotechnical engineering recommendations.

Observation and Testing of Pertinent Construction Materials: Development of our geotechnical engineering recommendations and report relies on an interpretation of soil conditions. Our assessment is based on widely spaced exploration locations and the assumption that construction methods will be performed in a manner sufficient to meet our expectations and consistent with recommendations made at the time the geotechnical engineering report is issued. We should be retained to conduct construction observations, and perform/document associated materials testing. These services allow a more comprehensive understanding of subsurface conditions and necessary documentation of construction to confirm and/or modify (when necessary) the assumptions and recommendations made by our engineers.

Perform Environmental Assessments: Our Scope for this project does not include, either specifically or by implication, an environmental assessment of the site intended to identify or quantify potential site contaminants. If the client/City is concerned about the potential for such conditions, an environmental site assessment should be conducted. We can provide a proposal for an environmental assessment, if desired.

Exhibit C - Compensation and Project Schedule

Compensation

Based upon our understanding of the site, the project as summarized in Exhibit A, and our planned Scope of Services outlined in Exhibit B, our base fee is shown in the following table:

Task	Lump Sum Fee ³
Subsurface Exploration ^{1,2} , Laboratory Testing, Geotechnical Consulting and Reporting	\$6,900
Subcontracted Traffic Control (assumed one day, if necessary) ³	\$2,250
Total	\$9,150

1. The lump sum fee considers one drill rig mobilization and no unexpected onsite delays. If additional drill rig mobilizations are required, an additional fee of \$550 would be invoiced. A drill crew standby rate of \$275 per hour would be invoiced for unexpected delays.
2. Proposed fees noted above are effective for 90 days from the date of the proposal.
3. This item is discussed under the Safety portion of **Exhibit B** of this proposal.

Additional services not part of the base fee include the following:

Additional Services (see Exhibit B)	Lump Sum Fee	Initial for Authorization
Private Utility Locate Service (if necessary) ¹	\$1,250	
Plans and Specifications Review (if requested)	\$1,000	
Construction Materials Testing Services	TBD	

1. This item is discussed under the Safety portion of **Exhibit B** of this proposal.

Additional consultation (such as attendance on a project conference call, engineering analysis, review of project documents, etc.) requested will be performed on a time-and-materials basis at the rates specified below. The fee to provide additional consultation services will be in excess of the above provided fee to complete the geotechnical services and will not be incurred without prior approval of the client.

WHEREAS, the OWNER has determined the need to undertake various projects that require general engineering services; and

WHEREAS, as a result of such apparent needs the OWNER has or will develop Task Orders for specific Projects. Such Task Orders will hereinafter be referred to as the PROJECT and will be attached hereto and incorporated herein as Attachment "A"; and

WHEREAS, to address the PROJECT needs, the OWNER requires professional engineering and associated services; and

WHEREAS, the ENGINEER, having professional and technical employees versed in fields of endeavor appropriate for the conduct of the PROJECT including employees duly licensed and registered to practice engineering in the State of Texas, and employees or Subconsultants duly licensed and registered in the State of Texas to provide land surveying and other required professional services, and has the professional abilities and expertise to undertake the required services; and

WHEREAS, the ENGINEER has agreed to provide professional engineering and related services for PROJECT, as is more fully set out in Attachment "A";

NOW THEREFORE, the OWNER and the ENGINEER, in consideration of their mutual covenants herein, agree in respect to the performance of the professional services to be furnished or rendered by the ENGINEER and to the payment for these services by the OWNER, as set forth above and hereinafter, together with Addendum to this Agreement.

SECTION I

EMPLOYMENT OF THE ENGINEER AND PERFORMANCE OF SERVICES

A. GENERAL

The OWNER agrees to employ the ENGINEER and the ENGINEER agrees to perform the professional engineering and other professional services as stated in Attachment "A" and in the Sections to follow; and, in rendering such services, the OWNER agrees to compensate the ENGINEER as stated herein. The OWNER will generally employ ENGINEER as follows:

2. City Council and/or City Manager may award ENGINEER a PROJECT after receiving a statement of qualifications and scope of services that best serve the needs of OWNER.

Nothing in this AGREEMENT provides for an exclusive arrangement with ENGINEER for all the engineering services which may be needed by OWNER,

but an assignment of specific engineering services pursuant to Task Orders which are or will be attached hereto and incorporated herein as Attachment "A" and hereinafter referred to as the PROJECT. ENGINEER shall report to OWNER'S designated representative for the PROJECT (see Section IV also). To the extent of any conflict between the terms of this AGREEMENT, and the provisions set forth in Attachment A, the terms of this AGREEMENT shall control.

B. PERFORMANCE OF SERVICES

The ENGINEER'S associated subconsultants to be utilized in the performance of the PROJECT professional services (as described in Section II following) are identified in Attachment "C." The persons identified as principal ENGINEER and the subconsultants shown in Attachment "C" shall not be changed except with the OWNER'S prior written acknowledgment and concurrence, which shall not be unreasonably withheld. If MBE/WBE participation is required by law or the terms of the grant used to fund the PROJECT, and in the event that the ENGINEER proposes the termination of an identified "Minority Business Enterprise" (MBE) or a "Women Business Enterprise" (WBE) certified subconsultant firm from its employ on this PROJECT, the ENGINEER shall substitute a subconsultant firm of like certification. If the ENGINEER is unable to substitute a subconsultant firm of like certification, the ENGINEER shall provide OWNER with documentation of their efforts to acquire the services of a MBE/WBE replacement firm. The OWNER'S MBE/WBE certifications shall solely apply to this AGREEMENT.

C. GEOTECHNICAL LABORATORY SERVICES

If geotechnical laboratory services are provided for the PROJECT through this AGREEMENT, either by the ENGINEER or its subconsultant(s), these services shall be performed by a laboratory accredited, in soils or geotechnical testing as appropriate, by the American Association of Laboratory Accreditation or by the American Association of State Highway and Transportation Officials. The ENGINEER agrees to provide evidence to the OWNER of such accreditation on an annual basis for the duration of this AGREEMENT.

SECTION II

BASIC PROJECT SERVICES OF THE ENGINEER

The ENGINEER shall serve as the OWNER'S professional consultant in those phases of the PROJECT to which this AGREEMENT applies; and, will give consultation and advice to the OWNER during the performance of its services.

The ENGINEER shall, in the scope of its work, perform the services described in Attachment "A" which shall be attached hereto and incorporated herein for all purposes as the PROJECT. ENGINEER shall only commence the work described in Attachment "A" as authorized by the OWNER (in subsequent written authorizations to proceed) as described hereinafter. All work performed in connection with this AGREEMENT shall be performed in accordance with:

- (1) with the professional skill and care ordinarily provided by competent engineers practicing under the same or similar circumstances and professional license; and
- (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer, and

(3) within the time periods for the completion of the services required by this AGREEMENT.

Once ENGINEER is authorized to perform services, ENGINEER shall commence the performance of the services within 10 days following authorization and shall diligently pursue the same to completion in a timely manner. If a time period for performance of the services is not set out herein, OWNER and ENGINEER may hereafter agree upon the time period for the completion of services.

As part of its Basic Services, ENGINEER shall provide OWNER on completion of any design, or any phase of a design, with the number of sets of plans for OWNER's use agreed to by OWNER and ENGINEER, but in no event fewer than five sets, and sufficient sets for the use of Contractors and subcontractors in bidding out the PROJECT. ENGINEER may establish a fee to Contractors or subcontractors for complete sets of plans to be used by them as part of the bid process in accordance with customary practice within the area in which the PROJECT is located. All plans provided in connection with this AGREEMENT shall be certified by the ENGINEER as complying with all applicable Federal, State and local laws, and shall be signed and sealed by the ENGINEER. All subconsultants that perform a component of the design services required under this AGREEMENT, shall similarly prepare a plan showing their portion of the design work, as appropriate, which is similarly certified to, signed and sealed by the subconsultant.

SECTION III

CHANGES IN WORKSCOPE

OWNER, without invalidating this AGREEMENT or the PROJECT, may order changes within the general scope of the PROJECT by altering, adding to and/or

deleting or deducting from the PROJECT to be performed. If any changes made under this clause to the PROJECT cause an increase or decrease in the ENGINEER'S cost of, or the time required for, the performance of part of the PROJECT, an equitable adjustment will be made by mutual agreement and the PROJECT will be modified in writing accordingly. Notwithstanding the foregoing, should the PROJECT be changed or amended due to some error on the part of the ENGINEER, the only equitable adjustment that will be made shall be to the benefit of the OWNER.

These rights include the right to use, duplicate and disclose such items, in whole or in part, in any manner and for whatever purpose; and, to have others do so, and to use such items in connection with the PROJECT and any subsequent alterations thereto. If an item produced by the ENGINEER is copyrightable, the ENGINEER may copyright it, subject to the rights of the OWNER. The OWNER reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, modify and use such items and to authorize others to do so. Without limiting the generality of the foregoing, if the services of ENGINEER are terminated under this AGREEMENT, OWNER shall

have the right to use the work produced by ENGINEER, and to allow others to do so, in connection with the PROJECT. The ENGINEER shall include in its subconsultant contracts appropriate provisions to achieve the purpose of this Section VIII.

All such items furnished by the ENGINEER pursuant to this AGREEMENT are considered instruments of its services in respect to the PROJECT. It is understood that the ENGINEER does not represent such items to be suitable for reuse on any other project. If the OWNER reuses such items without the ENGINEER'S specific written verification or adaptation, such reuse will be at the risk of the OWNER, without liability to the ENGINEER. Any such verification or adaptation requested by the OWNER may entitle the ENGINEER to further compensation at an amount agreed upon between the OWNER and the ENGINEER.

SECTION X

ENGINEER'S RESPONSIBILITY AND LIABILITY

All services performed in connection with this AGREEMENT shall be performed in accordance with Section II of this AGREEMENT. Acceptance and approval by the OWNER of the final PROJECT Report or other documents or services produced by ENGINEER, shall not constitute nor be deemed a release of the responsibilities and liability of the ENGINEER for the accuracy and competency of the ENGINEER'S work products, design, or other documents, and services prepared/performed under this AGREEMENT. No approvals or acceptances by or on behalf of the OWNER shall be deemed to be an assumption of such responsibility by the OWNER for any defect, error or omission in said work products, design or other documents and services as prepared/performed by the ENGINEER or its subconsultants. Without limiting the generality of the foregoing, ENGINEER will assist OWNER in establishing a Fixed

Construction Budget for the PROJECT, and in designing the PROJECT to fall within the Fixed Construction Budget. In the event that the PROJECT is let for bids, and the lowest responsible bid exceeds the Fixed Construction Budget, OWNER may (i) agree to proceed with the PROJECT as designed and pay the excess construction costs, (ii) terminate the PROJECT, or (iii) require the ENGINEER to redesign the PROJECT at no additional cost to OWNER, in accordance with design-criteria, specifications and plans approved by OWNER to fit within the Fixed Construction Budget. The ENGINEER'S opinions of probable construction costs provided for herein are to be made on the basis of the ENGINEER'S experience and qualifications and represent the ENGINEER'S best judgment as an experienced and qualified professional generally familiar with the industry. Although the ENGINEER has no control over the cost of labor, materials, equipment, or services furnished by others, or over the Contractor's methods of determining prices, or over competitive bidding or market conditions, the ENGINEER cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by the ENGINEER, the OWNER shall have the rights provided for in this Section.

The ENGINEER further agrees to correct programs or documents or re-execute services as may be required due to the ENGINEER'S development of programs or documents which are found to be in error or contain defects or omissions at no additional cost to the OWNER.

Redesigns required or occasioned for the convenience of the OWNER shall be paid for as provided and prescribed hereinbefore under Additional Services of the ENGINEER, but only if such Additional Services are required in writing by OWNER as required herein.

If the ENGINEER's scope of services includes contract administration in connection with the construction of the PROJECT, the ENGINEER shall be responsible for overseeing the Contractor's performance of its construction obligations, reviewing submissions required by the Contract Documents, responding to requests for clarification, reviewing applications for payment and advising OWNER whether to pay all or any portion of the same, reviewing the contractor's work for compliance with the Engineer's design and the Construction Documents, and reporting any problems or potential problems to the OWNER with regard to the construction, and keeping OWNER apprised of the Contractor's work, and assisting OWNER with disputes or claims with Contractor involving the work, all in a timely manner so as not to delay construction, and to prevent or mitigated consequences to OWNER of any of problem with the construction or Contractor's performance. The ENGINEER is not responsible for any failure of the Contractor to perform its contract obligations, but ENGINEER is responsible for the performance of ENGINEER's services in connection with this AGREEMENT. The ENGINEER will also review the PROJECT prior to the expiration of any warranty period, and assist OWNER with identifying defects in material or labor and securing Contractor's repair or replacement of defective work.

ENGINEER understands that OWNER may require ENGINEER to temporarily suspend work. OWNER understands that the suspension of work by ENGINEER may cause ENGINEER to incur additional costs to resume work, whether on Basic or Additional Services, and OWNER agrees to reimburse ENGINEER for such reasonable and unavoidable additional costs in an amount to be agreed upon by ENGINEER and OWNER in writing at time ENGINEER has been given written notice of the suspension.

SECTION XI

PERIOD OF SERVICE

- A. The ENGINEER contracts and agrees to commence work provided for herein within five days from the date of OWNER'S written authorization to proceed for each phase of work identified in Attachment "A."
- B. This AGREEMENT shall remain in force for a period required for the completion of the PROJECT, including required extensions thereto and warranty period services, unless discontinued by any of the several provisions included elsewhere in this AGREEMENT.

The ENGINEER agrees to maintain appropriate accounting records of costs, expenses and payrolls of employees working on the PROJECT together with documentation and evaluations and study results, for a period of five (5) years after final payment for completed services and all other pending matters concerning this AGREEMENT have been closed. The ENGINEER further agrees that the OWNER, or their duly authorized representative(s), shall have access to any and all books, documents, papers and records of the ENGINEER which are directly pertinent to the services to be performed under this AGREEMENT for the purposes of making audit, examination, excerpts and transcriptions upon written notice at all reasonable times during normal business hours.

Engineer's Services for Task Order

[Introductory Note to User:

The following text as published describes a variety of services that may be included, in whole or in part, in a specific Task Order issued under the Agreement. Until this exhibit is customized for inclusion in a specific Task Order, or some or all of the exhibit is incorporated in a specific Task Order by reference, it has no legal or contractual effect.

Not all possible services are included in this exhibit. The user should revise and supplement the descriptions of services provided here for purposes of drafting the scope of Engineer's Services for each specific Task Order. The scope of services will typically include a list of potential Additional Services (see Paragraph A2.01) that may be needed as the Specific Project progresses. The user may choose to categorize some items shown here as Additional Services as Basic Services, or move some tasks listed in the Basic Services categories (Paragraphs A1.01 through A1.08) into Additional Services. Note that for the Additional Services in A2.01.A, Engineer is not authorized to perform and receive compensation for an Additional Service unless authorized by Owner to do so under a written amendment.]

PART 1—BASIC SERVICES

A1.01 Study and Report Phase Services

A. As Basic Services, Engineer shall:

1. Consult with Owner to define and clarify Owner's requirements for the Specific Project, including design objectives and constraints, space, capacity and performance requirements, flexibility, and expandability, and any budgetary limitations, and identify available data, information, reports, facilities plans, and site evaluations.
 - a. If Owner has already identified one or more potential solutions to meet its Specific Project requirements, then proceed with the study and evaluation of such potential solutions: ***[List the specific potential solutions here.]***
 - b. If Owner has not identified specific potential solutions for study and evaluation, then assist Owner in determining whether Owner's requirements, and available data, reports, plans, and evaluations, point to a single potential solution for Engineer's study and evaluation, or are such that it will be necessary for Engineer to identify, study, and evaluate multiple potential solutions.
 - c. If it is necessary for Engineer to identify, study, and evaluate multiple potential solutions, then identify three alternative solutions potentially available to Owner, unless Owner and Engineer mutually agree that some other specific number of alternatives should be identified, studied, and evaluated.

2. Identify potential solution(s) to meet Owner's Specific Project requirements, as needed.
3. Study and evaluate the potential solution(s) to meet Owner's Specific Project requirements.
4. Visit the Site, or potential Specific Project sites, to review existing conditions and facilities, unless such visits are not necessary or applicable to meeting the objectives of the Study and Report Phase.
5. Advise Owner of any need for Owner to obtain, furnish, or otherwise make available to Engineer additional Specific Project-related data and information, for Engineer's use in the study and evaluation of potential solution(s) to Owner's Specific Project requirements, and preparation of a related report.
6. After consultation with Owner, recommend to Owner the solution(s) which in Engineer's judgment meet Owner's requirements for the Specific Project.
7. Identify, consult with, and analyze requirements of governmental authorities having jurisdiction to approve the portions of the Specific Project to be designed or specified by Engineer, including but not limited to mitigating measures identified in an environmental assessment for the Specific Project.
8. Prepare a report (the "Report") which will, as appropriate, contain schematic layouts, sketches, and conceptual design criteria with appropriate exhibits to indicate the agreed-to requirements, considerations involved, and Engineer's recommended solution(s). For each recommended solution Engineer will provide the following, which will be separately itemized: opinion of probable Construction Cost; proposed allowances for contingencies; the estimated total costs of design, professional, and related services to be provided by Engineer and its Consultants; and, on the basis of information furnished by Owner, a tabulation of other items and services included within the definition of Total Project Costs.
9. Advise Owner of any need for Owner to provide data or services of the types described in Exhibit B, for use in Project design, or in preparation for Contractor selection and construction.
10. When mutually agreed, assist Owner in evaluating the possible use of building information modeling; civil integrated management; geotechnical baselining of subsurface site conditions; innovative design, contracting, or procurement strategies; or other strategies, technologies, or techniques for assisting in the design, construction, and operation of Owner's facilities. The subject matter of this paragraph shall be referred to in Exhibit A and B as "Specific Project Strategies, Technologies, and Techniques."
11. If requested to do so by Owner, assist Owner in identifying opportunities for enhancing the sustainability of the Specific Project, and pursuant to Owner's instructions plan for the inclusion of sustainable features in the design.
12. Use ASCE 38, "Standard Guideline for the Collection and Depiction of Existing Subsurface Utility Data" as a means to advise the Owner on a recommended scope of work and procedure for the identification and mapping of existing utilities.

3. Provide necessary field surveys and topographic and utility mapping for Engineer's design purposes. Comply with the scope of work and procedure for the identification and mapping of existing utilities selected and authorized by Owner pursuant to advice from Engineer based on ASCE 38, "Standard Guideline for the Collection and Depiction of Existing Subsurface Utility Data," as set forth in Paragraph A1.01.A.12 above. If no such scope of work and procedure for utility mapping has been selected and authorized, then at a minimum the utility mapping will include Engineer contacting utility owners and obtaining available information.
4. Visit the Site as needed to prepare the Preliminary Design Phase documents.
5. Advise Owner if additional reports, data, information, or services of the types described in Exhibit B are necessary and assist Owner in obtaining such reports, data, information, or services.

Also obtain and review copies of Owner's design and construction standards, Owner's standard forms, general conditions (if other than EJCDC® C-700, Standard General Conditions of the Construction Contract, 2013 Edition), supplementary conditions, text, and related documents or content for Engineer to include in the draft bidding-related documents (or requests for proposals or other construction procurement documents), and in the draft Construction Contract Documents, when applicable.

[Note to User]

Some owners prefer to handle the preparation of bidding (procurement) and construction contract documents with little or no involvement by the Engineer (other than with respect to Engineer's preparation or furnishing of the Drawings, Specifications, and other design and technical documents), relying either on Owner's in-house staff and legal counsel for such services, or on third-parties such as a construction manager. When such is the case, the task item above, and related items in the Final Design Phase (Paragraph A1.03 below) and in Exhibit B, Owner's Responsibilities, should be modified to fit the requirements of the specific project.]

9. Pursuant to the Task Order schedule, furnish the required number of review copies of the Preliminary Design Phase documents, opinion of probable Construction Cost, and any other Preliminary Design Phase deliverables to Owner, and review them with Owner. 6. *Original Documents:* If requested by Owner to do so, maintain and safeguard during the Construction Phase at least one original printed record version of the Construction Contract Documents, including Drawings and Specifications signed and sealed by Engineer and other design professionals in accordance with applicable Laws and Regulations. Throughout the Construction Phase, make such original printed record version of the Construction Contract Documents available to Contractor and Owner for review.

7. *Schedules:* Receive, review, and determine the acceptability of any and all schedules that Contractor is required to submit to Engineer, including the Progress Schedule, Schedule of Submittals, and Schedule of Values.
8. *Baselines and Benchmarks:* As appropriate, establish baselines and benchmarks for locating the Work which in Engineer's judgment are necessary to enable Contractor to proceed.
9. *Visits to Site and Observation of Construction:* In connection with observations of Contractor's Work while it is in progress:
 - a. Make visits to the Site at intervals appropriate to the various stages of construction, as Engineer deems necessary, to observe as an experienced and qualified design professional the progress of Contractor's executed Work. Such visits and observations by Engineer, and the Resident Project Representative, if any, are not intended to be exhaustive or to extend to every aspect of the Work or to involve detailed inspections of the Work beyond the responsibilities specifically assigned to Engineer in the Agreement, this Task Order, and the Construction Contract Documents, but rather are to be limited to spot checking, selective sampling, and similar methods of general observation of the Work based on Engineer's exercise of professional judgment, as assisted by the Resident Project Representative, if any. Based on information obtained during such visits and observations, Engineer will determine in general if the Work is proceeding in accordance with the Construction Contract Documents, and Engineer shall keep Owner informed of the progress of the Work.
 - b. The purpose of Engineer's visits to the Site, and representation by the Resident Project Representative, if any, at the Site, will be to enable Engineer to better carry out the duties and responsibilities assigned to and undertaken by Engineer during the Construction Phase, and, in addition, by the exercise of Engineer's efforts as an experienced and qualified design professional, to provide for Owner a greater degree of confidence that the completed Work will conform in general to the Construction Contract Documents and that Contractor has implemented and maintained the integrity of the design concept of the completed Project as a functioning whole as indicated in the Construction Contract Documents. Engineer shall not, during such visits or as a result of such observations of the Work, supervise, direct, or have control over the Work, nor shall Engineer have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected or used by any Constructor, for security or safety at the Site, for safety precautions and programs incident to any Constructor's work in progress, for the coordination of the Constructors' work or schedules, nor for any failure of any Constructor to comply with Laws and Regulations applicable to furnishing and performing of its work. Accordingly, Engineer neither guarantees the performance of any Constructor nor assumes responsibility for any Constructor's failure to furnish or perform the Work, or any portion of the Work, in accordance with the Construction Contract Documents.
10. *Defective Work:* Reject Work if, on the basis of Engineer's observations, Engineer believes that such Work is defective under the terms and standards set forth in the Construction Contract Documents. Provide recommendations to Owner regarding whether Contractor should correct such Work or remove and replace such Work, or whether Owner should consider accepting such Work as provided in the Construction Contract Documents.

11. *Compatibility with Design Concept:* If Engineer has express knowledge that a specific part of the Work that is not defective under the terms and standards set forth in the Construction Contract Documents is nonetheless not compatible with the design concept of the completed Project as a functioning whole, then inform Owner of such incompatibility, and provide recommendations for addressing such Work.
12. *Clarifications and Interpretations:* Accept from Contractor and Owner submittal of all matters in question concerning the requirements of the Construction Contract Documents (sometimes referred to as requests for information or interpretation—RFIs), or relating to the acceptability of the Work under the Construction Contract Documents. With reasonable promptness, render a written clarification, interpretation, or decision on the issue submitted, or initiate an amendment or supplement to the Construction Contract Documents.
13. *Field Orders:* Subject to any limitations in the Construction Contract Documents, Engineer may prepare and issue Field Orders requiring minor changes in the Work.
14. *Change Orders and Work Change Directives:* Recommend Change Orders and Work Change Directives to Owner, as appropriate, and prepare Change Orders and Work Change Directives as required.
15. *Differing Site Conditions:* Respond to any notice from Contractor of differing site conditions, including conditions relating to underground facilities such as utilities, and hazardous environmental conditions. Promptly conduct reviews, obtain information, and prepare findings, conclusions, and recommendations for Owner's use, subject to the limitations and responsibilities under the Agreement and the Construction Contract.
16. *Non-reviewable matters:* If a submitted matter in question concerns the Engineer's performance of its duties and obligations, or terms and conditions of the Construction Contract Documents that do not involve (1) the performance or acceptability of the Work under the Construction Contract Documents, (2) the design (as set forth in the Drawings, Specifications, or otherwise), or (3) other engineering or technical matters, then Engineer will promptly give written notice to Owner and Contractor that Engineer will not provide a decision or interpretation.
17. *Shop Drawings, Samples, and Other Submittals:* Review and approve or take other appropriate action with respect to Shop Drawings, Samples, and other required Contractor submittals, but only for conformance with the information given in the Construction Contract Documents and compatibility with the design concept of the completed Project as a functioning whole as indicated by the Construction Contract Documents. Such reviews and approvals or other action will not extend to means, methods, techniques, sequences, or procedures of construction or to safety precautions and programs incident thereto. Engineer shall meet any Contractor's submittal schedule that Engineer has accepted.
18. *Substitutes and "or-equal":* Evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by Contractor, but subject to the provisions of Paragraph A2.01.B.2 of this Exhibit A.

19. *Inspections and Tests:*

- a. Receive and review all certificates of inspections, tests, and approvals required by Laws and Regulations or the Construction Contract Documents. Engineer's review of such certificates will be for the purpose of determining that the results certified indicate compliance with the Construction Contract Documents and will not constitute an independent evaluation that the content or procedures of such inspections, tests, or approvals comply with the requirements of the Construction Contract Documents. Engineer shall be entitled to rely on the results of such inspections and tests.
 - b. As deemed reasonably necessary, request that Contractor uncover Work that is to be inspected, tested, or approved.
 - c. Pursuant to the terms of the Construction Contract, require additional inspections or testing of the Work, whether or not the Work is fabricated, installed, or completed.
20. *Change Proposals and Claims:* (a) Review and respond to Change Proposals. Review each duly submitted Change Proposal from Contractor and, within 30 days after receipt of the Contractor's supporting data, either deny the Change Proposal in whole, approve it in whole, or deny it in part and approve it in part. Such actions shall be in writing, with a copy provided to Owner and Contractor. If the Change Proposal does not involve the design (as set forth in the Drawings, Specifications, or otherwise), the acceptability of the Work, or other engineering or technical matters, then Engineer will notify the parties that the Engineer will not resolve the Change Proposal. (b) Provide information or data to Owner regarding engineering or technical matters pertaining to Claims.
21. *Applications for Payment:* Based on Engineer's observations as an experienced and qualified design professional and on review of Applications for Payment and accompanying supporting documentation:
- a. Determine the amounts that Engineer recommends Contractor be paid. Recommend reductions in payment (set-offs) based on the provisions for set-offs stated in the Construction Contract. Such recommendations of payment will be in writing and will constitute Engineer's representation to Owner, based on such observations and review, that, to the best of Engineer's knowledge, information and belief, Contractor's Work has progressed to the point indicated, the Work is generally in accordance with the Construction Contract Documents (subject to an evaluation of the Work as a functioning whole prior to or upon Substantial Completion, to the results of any subsequent tests called for in the Construction Contract Documents, and to any other qualifications stated in the recommendation), and the conditions precedent to Contractor's being entitled to such payment appear to have been fulfilled in so far as it is Engineer's responsibility to observe the Work. In the case of unit price work, Engineer's recommendations of payment will include final determinations of quantities and classifications of the Work (subject to any subsequent adjustments allowed by the Construction Contract Documents).
 - b. By recommending payment, Engineer shall not thereby be deemed to have represented that observations made by Engineer to check the quality or quantity of Contractor's Work as it is performed and furnished have been exhaustive, extended to every aspect of Contractor's

Work in progress, or involved detailed inspections of the Work beyond the responsibilities specifically assigned to Engineer in the Agreement or this Task Order. Neither Engineer's review of Contractor's Work for the purposes of recommending payments nor Engineer's recommendation of any payment including final payment will impose on Engineer responsibility to supervise, direct, or control the Work, or for the means, methods, techniques, sequences, or procedures of construction or safety precautions or programs incident thereto, or Contractor's compliance with Laws and Regulations applicable to Contractor's furnishing and performing the Work. It will also not impose responsibility on Engineer to make any examination to ascertain how or for what purposes Contractor has used the money paid to Contractor by Owner; to determine that title to any portion of the Work, including materials or equipment, has passed to Owner free and clear of any liens, claims, security interests, or encumbrances; or that there may not be other matters at issue between Owner and Contractor that might affect the amount that should be paid.

22. *Contractor's Completion Documents:* Receive from Contractor, review, and transmit to Owner maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurance required by the Construction Contract Documents, certificates of inspection, tests and approvals, and Shop Drawings, Samples, and other data approved as provided under Paragraph A1.05.A.17. Receive from Contractor, review, and transmit to Owner the annotated record documents which are to be assembled by Contractor in accordance with the Construction Contract Documents to obtain final payment. The extent of Engineer's review of record documents shall be to check that Contractor has submitted all pages.
23. *Substantial Completion:* Promptly after notice from Contractor that Contractor considers the entire Work ready for its intended use, in company with Owner and Contractor, visit the Site to review the Work and determine the status of completion. Follow the procedures in the Construction Contract regarding the preliminary certificate of Substantial Completion, punch list of items to be completed, Owner's objections, notice to Contractor, and issuance of a final certificate of Substantial Completion. Assist Owner regarding any remaining engineering or technical matters affecting Owner's use or occupancy of the Work following Substantial Completion.
24. *Final Notice of Acceptability of the Work:* Conduct a final visit to the specific Project to determine if the Work is complete and acceptable so that Engineer may recommend, in writing, final payment to Contractor. Accompanying the recommendation for final payment, Engineer shall also provide a notice to Owner and Contractor in the form attached hereto as Exhibit E ("Notice of Acceptability of Work") (also available as a construction form, EJCDC® C-626 (2013)) that the Work is acceptable (subject to the provisions of the Notice and Paragraph A1.05.A.21.b) to the best of Engineer's knowledge, information, and belief, and based on the extent of the services provided by Engineer under the Agreement and this Task Order.
25. *Standards for Certain Construction-Phase Decisions:* Engineer will render decisions regarding the requirements of the Construction Contract Documents, and judge the acceptability of the Work, pursuant to the specific procedures set forth in the Construction Contract for initial interpretations, Change Proposals, and acceptance of the Work. In rendering such decisions and judgments, Engineer will not show partiality to Owner or Contractor, and will not be liable to Owner, Contractor, or others in connection with any proceedings, interpretations, decisions, or judgments conducted or rendered in good faith.

- B. *Duration of Construction Phase:* The Construction Phase will commence with the execution of the first Construction Contract for the specific Project or any part thereof and will terminate upon written recommendation by Engineer for final payment to Contractors. If the specific Project involves more than one prime contract as indicated in Paragraph A1.03.C, then Construction Phase services may be rendered at different times in respect to the separate contracts. Subject to the provisions of Article 3, Engineer shall be entitled to an equitable increase in compensation if Construction Phase services (including Resident Project Representative services, if any) are required after the original date for completion and readiness for final payment of Contractor as set forth in the final Construction Contract under the Task Order.

A1.06 *Post-Construction Phase*

- A. Upon written authorization from Owner during the Post-Construction Phase, as Basic Services, Engineer shall:

 2. Together with Owner, visit the Project within one month before the end of the Construction Contract's correction period to ascertain whether any portion of the Work or the repair of any damage to the Site or adjacent areas is defective and therefore subject to correction by Contractor.

Re: SUB-22-0275 Plum Creek Phase 2 Section 4 – Final Plat - Revision No.1

Dear Debbie,

The revised Final Plat provided show Revision No. 1 based on conversations with Leon Barba and William Atkinson to Phase the construction of the project into Section 4A and 4B by splitting it up to take down less lots at a time due to the current state of the housing economy. In addition to phasing Section 4, we also adjusted lot sizes for lots 2 – 16, Block K along Parsons from 43' to 50', revised lots 1-22, Block J from 43' to 35' with Alleys, revised lots 16 – 24, Block A along Keefer went from 43' to 50' lots, and lots 25 – 40, Block A when from 43' to 35' with Alleys, and also Lots 1-4, Block D went from 45' to 50' lot sizes.

It is understood that Section 4A that is now would continue under the current SUB-22-0275 and Section 4B will be considered a new Final Plat application. Section 4A now has a total of 149 lots (140 single family lots).

If you should have any questions or comments regarding these responses, please contact me at Shervin.nooshin@hrgreen.com or 512-872-6696.

Sincerely,

HR GREEN DEVELOPMENT TX, LLC

Kyle/San Marcos Water Sharing Agreement

Public Works

Background

- San Marcos and Kyle possess EAA permits. Due to a historical drought that Central Texas is currently facing, Kyle anticipates the need for additional water during the EAA permit period for 2023. This additional water will prevent Kyle from exceeding permitted capacity. This permitting period dates January 1 to December 31, 2023.
- San Marcos has supplies above and beyond their current needs within the EAA permit. San Marcos is willing to commit and make available water to Kyle from their existing water portfolio of EAA-permitted water supply during the remainder of 2023.

Agreement

- Effective January 1, 2024, Kyle will reimburse San Marcos for the amount of EAA capacity necessary for Kyle to meet EAA permitting capacity restrictions put in place during the EAA permitting year 2023.
- Kyle will reimburse San Marcos, in one installment, upon receiving an invoice from San Marcos.
- Water shared under this agreement will be withdrawn solely at Kyle's existing EAA Well Nos W100-896, W100-897, W100-898 & W105-960. The maximum total annual amount that may be pumped then under this agreement is 310 acre-feet. Kyle will operate and meter its groundwater withdrawals throughout the term of this agreement to ensure that the limit on the total annual water amount pumped then utilized is not exceeded.

Agreement, cont.

- San Marcos sets the rates below for water purchased from San Marcos and sold to Kyle in a manner consistent with San Marcos' prior Water Sharing Program with County Line Special Utility District. The rates and corresponding annual adjustments are described below:
- Monthly rates for fixed expenses at \$7,745 per month will be charged for October, November, and December 2023.
- For water pumped by Kyle, the volume rates will be \$3.21/1,000.
- No later than January 10, 2024, Kyle shall provide San Marcos daily meter readings for their EAA well usage for San Marcos's use to determine invoice amounts. These meter readings shall clearly report (1) the volume of Edwards water pumped under the authorization in Kyle's EAA permits and (2) the volume pumped under the authorization of San Marcos's permit and covered in this agreement.

Agreement, cont.

- Kyle agrees to pay the full amount billed under this agreement to San Marcos within 20 calendar days of receipt.
- San Marcos will work with Kyle to request and secure all necessary authorizations from EAA to allow the transfer contemplated in this agreement. All application fees for transfers will be paid by Kyle.
- Title to all water pumped by Kyle at their EAA well will be in Kyle's name.
- A maximum of 310 acre-feet per year is available for pumping and use by Kyle, regardless as to whether Kyle's wells and infrastructure can produce and transmit this additional quantity of water.
- Upon execution of this agreement and through the remainder of 2023, Kyle will impose city-wide drought restrictions which match or exceed those imposed by San Marcos.
- This agreement is intended be an enforceable agreement to satisfy the requirements of 30 TAC §290.45(f) for Kyle's water system for 2023.
- This agreement will take effect on the date it is signed by San Marcos and Kyle and it will expire on January 1, 2024.

Recommendation

- The City of San Marcos approved this agreement at their September 19, 2023 City Council meeting.
- Staff recommends approval of this agreement

City Council Regular Meeting

DEPARTMENT: Engineering Department

FROM: Leon Barba

MEETING: October 2, 2023

SUBJECT:

(Second Reading) Installation of NO PARKING signs on Arbor Knot Drive.

SUMMARY:

A request from Tobias Elementary School has been made to create a "No Parking" zone on Arbor Knot Drive.

Currently, there are over 100 students who are designated as "Arbor Knot" walkers. Students walk to/from the school to homes in Creekside and Four Season Farms. There is no bus route for these students. Some parents who live further into the neighborhood or have younger students want to drive to pick up the student at the corner of the school and Arbor Knot Drive. Parking in the school zone during arrival and dismissal is presenting safety and traffic concerns for the following reasons:

1. Parents are crossing the street and walking students to their car crossing a busy roadway with small children.
2. Other students who are younger will sometimes follow these parents into the street and teachers have to redirect the students to stay on the sidewalk.
3. Cars parking and driving near where students are walking with minimal space between the sidewalk and the road presents unnecessary dangers to the students. When they are parked beyond the school zone, students are crossing the bridge and have a barrier to provide further protection from traffic.
4. The school received several complaints last year regarding the traffic slowdown that occurs in the am and pm times because of increased traffic along with the fact that drivers must watch for students crossing, wait on parents who are crossing the street in front of the school, or wait on parents turning around to exit Arbor Knot and 150. Limiting the parent parking spaces available should reduce the number of cars entering and exiting Arbor Knot as some parents will decide to join the car rider line.

OPTIONS:

Option 1: Approve the Ordinance

Option 2: Do not approve the Ordinance.

RECOMMENDATION:

Staff recommends “No parking” ordinance be approved along the East and West side of Arbor Knot Drive, from E. FM 150 to 460 Feet North of E. FM 150, Monday through Friday, 6:30 A.M. to 8:00 A.M. and 2:00 P.M. to 3:30 P.M.

PRIOR ACTION/INPUT (Council, Boards, Citizens):

Council questions from 09/19/2023 meeting:

1. Check with school district to identify specific days and hours for setting “No Parking” signs.
 - Spoke with school district and it is recommended Monday through Friday, 6:30 A.M. to 8:00 A.M. and 2:00 P.M. to 3:30 P.M.
2. Can “No Parking” signs be installed on one side?
 - Spoke with school district and it is recommended “No Parking” signs be on the East and West side of Arbor Knot.
3. Can the length of the “No Parking” area be reduced?
 - Traffic Engineer and school district recommend not be reduced.
4. Can the curbs be painted red?
 - Since time frame of “No Parking” sign is recommended for certain amount of time it is not recommended to paint curbs red.

Re: Caraway PUD – 301 Bebee Road, Kyle, Texas - Voluntary Annexation of 38.049 acres and Concurrent Planned Unit Development (“PUD”) Zoning Application for a total of 101.8 acres out of the A0026 Thomas G. Allen Survey and A0151 Daniel Downes Survey in Hays County, Texas (the “Property”)

Dear Will,

As authorized by Caraway Cattle Company Family Partnership LLLP (the “Owner”), we are submitting a voluntary annexation application for the Property referenced above with a concurrent Planned Unit Development (“PUD”) zoning application in order to develop a unified commercial, mixed use and multifamily development with base zoning districts of Retail Services (RS), Mixed Use (MXD) and Multifamily (R-3-3).

The Property currently consists of a homestead, agricultural uses and undeveloped land. The portion of the Property within the City limits, or approximately 63.75 acres, is bounded on the west by the IH 35 Northbound frontage road; this area is currently zoned ‘A’ Agriculture. The eastern 38.049 acres of the Property currently outside of the City limits is subject to the voluntary annexation application; the Property Identification Numbers are R12697 and R13823.

The adjacent properties are developed for multifamily, warehouse, agricultural and retail uses. The proposed zoning change aligns with these uses and the proposed PUD zoning base districts meet the development standards for the “New Town District” and “Regional Node” as described in the City of Kyle’s 2017 Comprehensive Plan.

The proposed annexation and the PUD zoning will ensure buffering between established neighborhoods and adjacent commercial and public uses while concentrating on connectivity through the Vybe trail. New public infrastructure will be built with this proposed development in order to provide improved roadway connectivity in the area.

The following documents are included with the application for voluntary annexation:

1. Signed Owner's Authorization Form;
2. A copy of certified field notes (metes and bounds) describing the boundary of the Property that is being petitioned for annexation and a sketch of the property boundaries; and,
3. A location map of the Property with surrounding roadways identified (for zoning and annexation); and
4. Special Warranty Deed.

The following documents are included with the zoning application:

1. PUD Development Plan including exhibits as attached;
2. Tax Certificates for R12697 and R13823;
3. Special Warranty Deed;
4. Signed Owner's Authorization Form; and
5. Property survey and field notes including a sketch of the property boundaries.

The annexation and zoning of these properties will promote a safe, orderly, healthy, and vibrant development in the City in alignment with the City's 2017 Comprehensive Plan, as well as providing enhanced housing, employment and retail opportunities to the local community and the region.

Thank you for your consideration of this request.

Sincerely,

Pamela Madere

**AGREEMENT REGARDING POST-ANNEXATION PROVISION OF SERVICES
FOR PROPERTY TO BE ANNEXED INTO THE CITY OF KYLE**

This Agreement Regarding Post-Annexation Provision of Services for Property to be Annexed into the City of Kyle (the “Agreement”) is entered into by and between the City of Kyle, Texas, a municipal corporation (“City”), and Caraway Cattle Company Family Partnership, LLP, (“Landowner”), both of which may be referred to herein singularly as “Party” or collectively as the “Parties.”

RECITALS

WHEREAS, upon the request of the Landowner, the City intends to institute annexation proceedings for an area of land described more fully hereinafter and attached hereto (the “Subject Property”);

WHEREAS, Section 43.0672, Loc. Gov't. Code, requires the Parties to enter into a written agreement identifying a list of public services to be provided to the Subject Property and a schedule for the provision of those services that are not otherwise provided on the effective date of the annexation;

WHEREAS, this Agreement is being entered into by and between the Parties to comply with Texas Local Government Code, Chapter 43, Sub-Chapter C-3, Section 43.0672, prior to the City’s consideration of an ordinance annexing the Subject Property, it being understood, acknowledged and agreed by the Parties that annexation of the Subject Property is a condition precedent to this Agreement becoming effective;

WHEREAS, this Agreement shall be deemed effective on the effective date of an ordinance approved by the City annexing the Subject Property (the “Effective Date”).

WHEREAS, the Subject Property is not included in the municipal annexation plan and is exempt from the requirements thereof;

WHEREAS, infrastructure provided for herein and that existing are sufficient to service the Subject Property on the same terms and conditions as other similarly situated properties currently within the City limits and no capital improvements are required to offer municipal services on the same terms and conditions as other similarly situated properties within the City;

WHEREAS, the City and the Landowner agree each will benefit from the City’s development restrictions and zoning requirements, as well as other municipal services provided by the City which are good and valuable consideration for the Landowner to request annexation and for the Parties to enter into this Agreement for the City to provide the listed services upon annexation and in accordance with this Agreement; and

WHEREAS, it is found that all statutory requirements have been satisfied and the City is authorized by the City Charter and Chapter 43, Loc. Gov't. Code, to annex the Subject Property into the City;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Section 1. Property Description. The legal description of the Subject Property is as set forth in the Annexation Ordinance and exhibits attached to the Annexation Ordinance to which this Agreement is attached and as described in **Exhibit A** attached hereto and incorporated herein.

Section 2. Services. The following services and schedule represent the provision of services agreed to between the Landowner of the Subject Property and the City establishing a program under which the City will provide municipal services to the Subject Property, as required by section 43.0672 of the Texas Local Government Code. The services detailed herein will be provided at a level consistent with service levels provided to other similarly situated areas within the City.

The following services will be provided for the Subject Property on the Effective Date of annexation:

(1) Police protection as follows:

Routine patrols of areas, radio response to calls for police service and all other police services now being offered to the citizens of the City. Upon annexation, police protection will be provided to the Subject Property at a level consistent with the service to other areas of the City with similar population density and characteristics. The City's police services include neighborhood patrols, criminal investigations, crime prevention, community services and school programs.

(2) Fire protection and Emergency Medical Services as follows:

Fire protection by agreement between the City and the ESD's present personnel and equipment of the ESD fire fighting force and the volunteer fire fighting force with the limitations of water available. If the Subject Property is already receiving service, the City may not prohibit solid waste collection by the privately owned solid waste management service provider, nor may the City offer solid waste collection services for a period of two (2) years following the Effective Date of the annexation unless a privately owned solid waste management service provider is or becomes unavailable, as established by Texas Local Government Code section 43.0661. If a landowner uses the services of a privately owned solid waste management service provider or services are available from a privately owned solid waste management service provider during the two (2) years following annexation, the City will not provide solid waste collection services to that landowner.

(4) Animal control as follows:

Service by present personnel, equipment and facilities, or by contract with a third party, as provided within the City.

On the effective date of annexation, the zoning jurisdiction of the City shall be extended to include the annexed area, and the use of all property therein shall be grandfathered; and shall be temporarily zoned "Agricultural District "A"" with the intent to rezone the Subject Property upon request of the Landowner or staff. The Planning & Zoning Commission and the City Council will consider rezoning the Subject Property at future times in response to requests submitted by the Landowner(s) or authorized city staff. The City will impose and enforce its adopted ordinances, including but not limited to, zoning, subdivision development, site development and building code regulations within the Subject Property upon the Effective Date of the annexation. FOR PROPERTY TO BE ANNEXED INTO THE CITY OF KYLE**

This Agreement Regarding Post-Annexation Provision of Services for Property to be Annexed into the City of Kyle (the "Agreement") is entered into by and between the City of Kyle, Texas, a municipal corporation ("City"), and Caraway Cattle Company Family Partnership, LLP, ("Landowner"), both of which may be referred to herein singularly as "Party" or collectively as the "Parties."

RECITALS

WHEREAS, upon the request of the Landowner, the City intends to institute annexation proceedings for an area of land described more fully hereinafter and attached hereto (the "Subject Property");

WHEREAS, Section 43.0672, Loc. Gov't. Code, requires the Parties to enter into a written agreement identifying a list of public services to be provided to the Subject Property and a schedule for the provision of those services that are not otherwise provided on the effective date of the annexation;

WHEREAS, this Agreement is being entered into by and between the Parties to comply with Texas Local Government Code, Chapter 43, Sub-Chapter C-3, Section 43.0672, prior to the City's consideration of an ordinance annexing the Subject Property, it being understood, acknowledged and agreed by the Parties that annexation of the Subject Property is a condition precedent to this Agreement becoming effective;

WHEREAS, this Agreement shall be deemed effective on the effective date of an ordinance approved by the City annexing the Subject Property (the "Effective Date").

WHEREAS, the Subject Property is not included in the municipal annexation plan and is exempt from the requirements thereof;

WHEREAS, infrastructure provided for herein and that existing are sufficient to service the Subject Property on the same terms and conditions as other similarly situated properties currently within the City limits and no capital improvements are required to offer municipal services on the same terms and conditions as other similarly situated properties within the City;

WHEREAS, the City and the Landowner agree each will benefit from the City's development restrictions and zoning requirements, as well as other municipal services provided by the City which are good and valuable consideration for the Landowner to request annexation and for the Parties to enter into this Agreement for the City to provide the listed services upon annexation and in accordance with this Agreement; and

WHEREAS, it is found that all statutory requirements have been satisfied and the City is authorized by the City Charter and Chapter 43, Loc. Gov't. Code, to annex the Subject Property into the City;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Section 1. Property Description. The legal description of the Subject Property is as set forth in the Annexation Ordinance and exhibits attached to the Annexation Ordinance to which this Agreement is attached and as described in **Exhibit A** attached hereto and incorporated herein.

Section 2. Services. The following services and schedule represent the provision of services agreed to between the Landowner of the Subject Property and the City establishing a program under which the City will provide municipal services to the Subject Property, as required by section 43.0672 of the Texas Local Government Code. The services detailed herein will be provided at a level consistent with service levels provided to other similarly situated areas within the City.

The following services will be provided for the Subject Property on the Effective Date of annexation:

(a) **General Municipal Services.** Pursuant to the requests of the Landowner and this Agreement, the following services shall be provided immediately from the effective date of the annexation:

(1) Police protection as follows:

Routine patrols of areas, radio response to calls for police service and all other police services now being offered to the citizens of the City. Upon annexation, police protection will be provided to the Subject Property at a level consistent with the service to other areas of the City with similar population density and characteristics. The City's police services include neighborhood patrols, criminal investigations, crime prevention, community services and school programs.

(2) Fire protection and Emergency Medical Services as follows:

Fire protection by agreement between the City and the ESD's present personnel and equipment of the ESD fire fighting force and the volunteer fire fighting force with the limitations of water available. The residential solid waste collection services include garbage collection, recycling, bulky item collection and yard waste collection. Commercial solid waste collection services are also available. This service will be provided for a fee to any person within the Subject Property requesting the service after the Effective Date of annexation, provided that a privately owned solid waste management

service provider is unavailable. If the Subject Property is already receiving service, the City may not prohibit solid waste collection by the privately owned solid waste management service provider, nor may the City offer solid waste collection services for a period of two (2) years following the Effective Date of the annexation unless a privately owned solid waste management service provider is or becomes unavailable, as established by Texas Local Government Code section 43.0661. If a landowner uses the services of a privately owned solid waste management service provider or services are available from a privately owned solid waste management service provider during the two (2) years following annexation, the City will not provide solid waste collection services to that landowner.

(4) Animal control as follows:

Service by present personnel, equipment and facilities, or by contract with a third party, as provided within the City.

Municipal Court and General Administration services will also be available to property owners and residents in the Subject Property on the same basis those facilities are available to current City property owners and residents.

(7) Maintenance of other City facilities, buildings and service.

(8) Land use regulation as follows:

On the effective date of annexation, the zoning jurisdiction of the City shall be extended to include the annexed area, and the use of all property therein shall be grandfathered; and shall be temporarily zoned "Agricultural District "A"" with the intent to rezone the Subject Property upon request of the Landowner or staff. The Planning & Zoning Commission and the City Council will consider rezoning the Subject Property at future times in response to requests submitted by the Landowner(s) or authorized city staff. The City will impose and enforce its adopted ordinances, including but not limited to, zoning, subdivision development, site development and building code regulations within the Subject Property upon the Effective Date of the annexation. Enforcement will be in accordance with City ordinances. Development plans and plats for projects within the Subject Property will be reviewed for compliance with City standards.

(b) **Scheduled Municipal Services.** Due to the size and vacancy of the Subject Property, the plans and schedule for the development of the Subject Property, the following municipal services will be provided on a schedule and at increasing levels of service as provided herein:

(1) Water service and maintenance of water facilities as follows:

(A) Inspection of water distribution lines as provided by statutes of the State of

Texas.

(B) In accordance with the applicable rules and regulations for the provision of water service, water service will be provided to the Subject Property, or applicable portions thereof, by the utility holding a water certificate of convenience and necessity ("CCN") for the Subject Property, or portions thereof as applicable, or absent a water CCN, by the utility in whose jurisdiction the Subject Property, or portions thereof as applicable, is located, in accordance with all the ordinances, regulations, and policies of the City in effect from time to time for the extension of water service. If connected to the City's water utility system, the Subject Property's Landowner shall construct the internal water lines and pay the costs of line extension and construction of such facilities necessary to provide water service to the Subject Property as required in City ordinances. Upon acceptance of the water lines within the Subject Property and any off-site improvements, water service will be provided by the City utility department on the same terms, conditions and requirements as are applied to all similarly situated areas and customers of the City; subject to all the ordinances, regulations and policies of the City in effect from time to time. The system will be accepted and maintained by the City in accordance with its usual acceptance and maintenance policies. Re: Caraway PUD – 301 Bebee Road, Kyle, Texas - Voluntary Annexation of 38.049 acres and Concurrent Planned Unit Development (“PUD”) Zoning Application for a total of 101.8 acres out of the A0026 Thomas G. Allen Survey and A0151 Daniel Downes Survey in Hays County, Texas (the “Property”)

Dear Will,

As authorized by Caraway Cattle Company Family Partnership LLLP (the “Owner”), we are submitting a voluntary annexation application for the Property referenced above with a concurrent Planned Unit Development (“PUD”) zoning application in order to develop a unified commercial, mixed use and multifamily development with base zoning districts of Retail Services (RS), Mixed Use (MXD) and Multifamily (R-3-3).

The Property currently consists of a homestead, agricultural uses and undeveloped land. The portion of the Property within the City limits, or approximately 63.75 acres, is bounded on the west by the IH 35 Northbound frontage road; this area is currently zoned ‘A’ Agriculture. The eastern 38.049 acres of the Property currently outside of the City limits is subject to the voluntary annexation application; the Property Identification Numbers are R12697 and R13823.

The adjacent properties are developed for multifamily, warehouse, agricultural and retail uses. The proposed zoning change aligns with these uses and the proposed PUD zoning base districts meet the development standards for the “New Town District” and “Regional Node” as described in the City of Kyle’s 2017 Comprehensive Plan.

The proposed annexation and the PUD zoning will ensure buffering between established neighborhoods and adjacent commercial and public uses while concentrating on connectivity through the Vybe trail. New public infrastructure will be built with this proposed development in order to provide improved roadway connectivity in the area.

The following documents are included with the application for voluntary annexation:

1. Signed Owner's Authorization Form;
2. A copy of certified field notes (metes and bounds) describing the boundary of the Property that is being petitioned for annexation and a sketch of the property boundaries; and,
3. A location map of the Property with surrounding roadways identified (for zoning and annexation); and
4. Special Warranty Deed.

The following documents are included with the zoning application:

1. PUD Development Plan including exhibits as attached;
2. Tax Certificates for R12697 and R13823;
3. Special Warranty Deed;
4. Signed Owner's Authorization Form; and
5. Property survey and field notes including a sketch of the property boundaries.

The annexation and zoning of these properties will promote a safe, orderly, healthy, and vibrant development in the City in alignment with the City's 2017 Comprehensive Plan, as well as providing enhanced housing, employment and retail opportunities to the local community and the region.

Thank you for your consideration of this request.

Sincerely,

Pamela Madere
